Rama's White Knight Report

SEPTEMBER 7, 2023

September 01, 2023 – September 07, 2023

To our readers: Rama's White Knights Report, for the most part, will present information from Rama's contacts on very current events. Sometimes, additional commentary may show up, in the form of more explanation about an important issue, or as an article inserted to provide more insight on the subject being presented.

For more info on the folks Rama talks to – who keep ALL OF US in the loop as well! – go to

Friday

Tom the Ring-tailed Cat, Larry, Curly.

Rama: I sat with 5 deer and 2 crows today; it was 11:38 am late this morning. Then I received a text message from Tom the Ring-tailed Cat, Larry and Curly. They said to me, "Lord Rama, we are still in the ripples of the full moon, and the energies continue to be extremely high. The Schumann Resonance is very high as well. As we go through this Labour Day weekend, focus on the Violet Flame of St Germain and the Emerald Green Ray of Lord Hilarion. The Dark has lost control and they want to try and tighten their grip on the masses. This is why they are putting out stories about more vaccines, more covid, and other viruses, and more stories about war. Our advice to you is to leave it all alone! !! Energy follows thought: watch what you think! THAT'S AN ORDER! !! All we are saying is 'give peace a chance!' Sat Nam! Namaste! Blaze the Violet Fire!"

**2023-09-04 Monday**

**Chun Lee**

**Rama:** I received a text meeting from **Chun Lee** at 12:30 pm early this afternoon. She said to me, "Lord Rama, President XI will not be attending the G 20 meeting, to be held in Delhi, India, September 9/10, 2023. Instead, President Xi will be sending one of his premier diplomats to represent him in his stead. This whole story is about the hegemony, the Babylonian Money Magic Machine.

"Meanwhile, the Light that is pouring in from the sun is changing everything. The dark forces no longer have any power; they are quickly using up the fear card. Whatever is going on, it is about how we have won and that other side of WE is working to catch up. Yet it is dragging itself along. [See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!](#)"

**Tuesday**

**3 deer, 3 crows and a baby elk  
Tom and Sweet Angelique the Cat**

**Rama:** I went and sat with **3 deer, 3 crows and a baby elk**. The top of her head reached up to my thoracic bone. It was 12:16 pm, early this afternoon. So I gave all of them water; the mother elk was a distance away, carefully watching! Then I started listening to a talk on the radio garden show. (radiogarden.com) They were talking about David Grusuch and the UAP / UFOs and how Congress is back in session. These reporters were discussing how, now that the Congress is back in session, were they going to deal with the looming debt crisis – meaning, the US Government runs out of money on September 30, 2023, the last day of the fiscal year of 2023. October 1<sup>st</sup> will be the 1<sup>st</sup> day of the fiscal year 2024. Happy New Year! In advance! ! !

Now these reporters were bringing up the subject of UFOs and UAPs. There are many members of the Senate who want to get to the bottom of this. According to David Grusuch, there are 1000s of whistleblowers who want to come forth and tell their stories. Many of their stories are ones of harrowing adventures. These people want closure and healing regarding what trauma they have experienced from what they have witnessed. Many of these folk have seen dead ET bodies! They have also seen star ships and this was shocking to them, to say the least!

At this point, **Tom and Sweet Angelique the Cat** called me. They said to me, "Lord Rama, there was an M 1.2 class flare today; relatively speaking, this one was moderate in size. Yet to us humans, it still was HUGE! The energies continue to be way up there; the Schumann Resonance is showing many white spikes in the graph. This means the Schumann Resonance is also very high! Therefore, Ascension Symptoms remain very high! We recommend to you to be calm – breathe! - meditate! Sit in water, whether it is in a swimming pool or a bath tub! The water holds the frequencies to balance us. [See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire! Om Mani Padme HM!](#)"

Wednesday

King of Egypt

**Rama:** I received a text message from the **King of Egypt** at 12:21 pm, early this afternoon. He said to me, "Lord Rama, the reports of my death have been greatly exaggerated! I AM FINE! !! I have decided to take a leave of absence from this realm and take a journey. I am here in the Wesak Valley with The Nameless Ones at the Jedi Temple. I am getting some specialized training from some Jedi masters who study with the Ancient One, who is the Supreme Sorcerer of this realm. She holds this realm in place with something called The Timestone. It is an Emerald-like stone that is the size of a crystal skull. I believe it was brought here to this realm from another realm, off planet, somewhere in the other 26 galaxies that converge with our Milky Way Galaxy at Super Galactic Center. The Ancient Mayan Hunab Ku also resides there. [See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!](#)

Thursday

Larry the Cat, Curly the Cat  
Grandmother Beatrice

**Rama:** I received a text message from **Larry the Cat and Curly the Cat**, at 12:18 pm early this afternoon. They said to me, "Lord Rama, we are at Glastonbury Tor, in the UK, celebrating the magnetic field around the tor. The tor sends out energy to other grid lines or magnetic points that are connected to the planetary grids. These magnetic planetary grids are what J. J. Hurtak talks about in **The Keys of Enoch**. As we approach this new moon, these magnetic grid points are pulsing, sending waves across space and time. This particular time we are in has to do with the incoming flash. There are big, big, humongous solar flares going on. It is to raise up our vibration. [See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!](#)

**Note:** I saw **Grandmother Beatrice** today on Water Street in downtown Santa Fe, not far away from the store she works at, called Kay-Shi. Kay-Shi (she) is the Zuni word for greeting one another. She said to me, "Lord Rama, that solar flash is just about here . . . NO DATE! As you tune into the Quantum Field, you can feel it; you can taste it; you can touch it. It is about all of us showing up because Creator Source has called and She has a busy schedule in this new timeline."

Grandmother Beatrice continued: "Live long and prosper." I responded back to her: "Peace and Long Life!" Then we each continued with our day.

Peace can never be obtained from the outside world; rather, it must be obtained from within. SO giggle for an immediate return to your youth and so, we wish you love, truth, peace, freedom and justice and beauty for All That Can Be. So it is. All be it! Peace Out all over the world! **Sat Nam! Namaste! Blaze the Violet Fire!**
