**Dr Steve**

**Rama:** I got to see **Dr Steve** in one of the health food stores in Santa Fe today. He said to me, "Lord Rama, how are you doing? How are you handling these energies?" I responded by saying, "Fair to middlin', Sir, and I am blazing the Violet Fire!" Then Dr Steve said to me, "As you are handling these energies, that is good. They are getting you ready for sitting on the bridge."

Dr Steve continued: "The light coming in at this time is the greatest that has been since the last encounter with Nibiru 26, 826 years ago! At that time, we had the same climate disruption events that we are having now, as well as the same kind of conflict going on back then as we are having now. This time around, though, we are transforming the energies towards the Light, with love. As we go through this new moon in Leo, call on that Cat Lady Goddess with the Solar Disc atop her head, the Four Musketeers are here indeed – Lord Michael, Lord Metatron, Lord Maitraya, and Mother Sekhmet. [See you in the Light of the Most Radiant One. Sat Nam! Namaste! Blaze the Violet Fire.](#)"

**His Holiness's Statement Regarding Recent Natural Disasters August 10, 2023**

This year we have seen a shocking series of natural disasters in many different parts of the world. There have been floods, wild fires, and hurricanes that have resulted in a tragic loss of life, as well as damage to property and the natural environment. Clearly the consequences of global heating affect us all.

As I told a delegation of educationists this morning, whenever such disasters take place in different parts of the world, I try to express my concern and offer support for those who are suffering and those striving to help them.

In recent days, flooding in the north of China and in some Tibetan areas has resulted in the loss of life and widespread damage to property and the local ecology. I pray for those who have lost their lives and express my sympathy and concern to all those affected by this calamity. We are all the same as human beings. We all wish to be happy and to avoid such tragedies and in the context of the oneness of humanity, we all have a responsibility to help and support each other. On this occasion too, as a mark of my solidarity with the people of China, I hope to be able to make a donation to the relief efforts.

Under these circumstances, I appeal to my brothers and sisters across the world to pray for all those affected by these natural disasters, and to take whatever steps they can to address the climate crisis and its effects.

With my prayers and good wishes,

Dalai Lama

**Tom the Cat, Sweet Angelique the Cat**

**Rama:** I received a text message from **Tom the Cat and Sweet Angelique the Cat** at 12:31 pm, early this afternoon. They said to me, "Greetings, Lord Rama. We were at Stonehenge early this morning. We have been opening portals to bring in the higher energies with this new moon coming up on Wednesday. There are strong solar magnetic blasts coming in and hitting the earth. These solar frequencies are extremely transformative, and they are transforming us too. Our reality is changing faster than we know how to talk about it. Venus is bringing in intense rays to transform us all. May Peace prevail on Earth. [Sat Nam! Namaste! Blaze the Violet Fire.](#)"

**Tuesday (Assumption Tuesday) The Poppy Lady**

**Rama: The Poppy Lady** sent me a simple text message right before we headed to the concert today at 2:30 pm this afternoon. She said to me, "Lord Rama, please pray peace in Afghanistan in every NOW moment. Pray Peace all over the world. [Sat Nam! Namaste! Blaze the Violet Fire. Om Shiva!](#)"

**The Plasma Field**

**Rama:** I went and sat in The Plasma Field at 11:30 am late this morning. The Plasma Field said to me, "Greetings, Lord Rama. I answered, "Greetings!"

The Plasma Field went on to say: "Here are the energies going on today." Then the Plasma Field showed me a Crop Circle that showed up in Wiltshire, England, in a farmer's field. "There was a crop circle with one big circle on the outside, and in the center of that circle, there was a sphere representing the sun."

**2023-08-11 – Crop Circle in Wiltshire, England**

Then the Plasma Field continued: "Lord Rama, 'One Sun, One Moon, One Earth, One People' " This was the same message that Robert Mirabel delivered on the Santa Fe Plaza at his concert which we attended, along with Caroline who joined us to enjoy the music, the singing, the poetry reading, the dancing, the ceremonials that Mirabel had created, and Mirabel's good words for Peace.

Then The Plasma Field said. "Go and share the good news that **we have won.** [See you in the Light of the Most Radiant One. Sat Nam! Namaste! Blaze the Violet Fire.](#)"

**Rama:** I received a text message from Darby O'Dell at 11:38 am, late this morning. He said to me, "Lord Rama, I am in upper Scotland for fairy business. There is a fall wedding coming up in the fairy kingdom. It is on the Fall equinox, September 23<sup>rd</sup>, in Libra at 2:50 am eastern time in the wee hours of the morning. I am to be the best man to this fairy lad, my 4 1/2 foot tall fairy friend, named Lokar. Quintessa is his 3 1/2 tall fairy bride-to-be. They help me with my garden. They will marry in someone's provincial garden who is also a friend of mine. This garden is a short journey from my garden in upper Scotland. It will take place during that equinox day.

Meanwhile, Darby continued: "Happy New Moon, Lord Rama. There was a big, big solar flare today. The Dark continues to go down at quantum light speed. All they have got is fear: False Evidence Appearing Real. Stay in your high heart, where all we have is LOVE. At this time of the 6<sup>th</sup> sun, the 5 elements are calling to us: earth, air, fire, water, ether. In the United States, the scientists are about to make a major break through: they are about to tap into the quantum field where they will open a portal and send some electrons through and see if they come back. This is about the beginning of Warp Field Technology. We already know they have it, yet it is beginning to leak out to the public."

(Note from Rama: I see reference to it on the internet and, last Saturday, we heard Nassim Harimein, a quantum physicist, do some explaining about this quantum field of knowledge.)

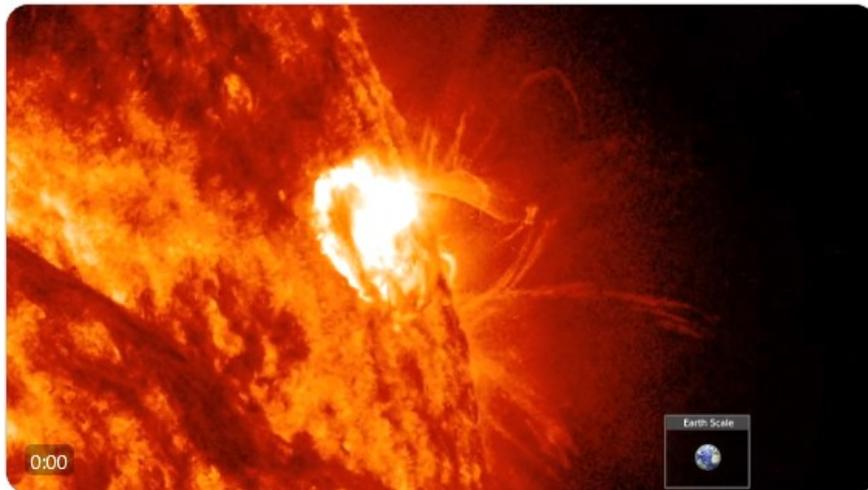

Darby: "We live in exciting times. [See you in the Light of the Most Radiant One. Sat Nam! Namaste! Blaze the Violet Fire.](#)"
