THE LAW OF ONE

We are all One.
When One is harmed, all are harmed. When One is helped, all are helped.
Therefore in the name of Who I AM – and I AM One with All there is -
I ask only that the Highest Good of all concerned – Happen.
And I give thanks that this is done!
So Be It!

GUEST HOUR

Discussion of Ophiucus

Saturn goes into Aquarius - takes 2.5 years to go into one sun shine

Saturn is planet of time, delay -
will shake things up and break them apart -
It's more intellectual – Aquarius does rule computers and AIs – can expect the unexpected in
Aquarius

Jupiter shifted into Pisces – also exalted in Pisces

Jupiter falls into the gods; Saturn into the devas – the opposite

Eclipses in Libra and Aries: she finds them to be the most potent in people's lives – they achieve planetary
status – they move every 18 months

a lot of lies come with Libra

thinks 80% of humanity is not awake – recommends Dr David Hawkins **Power vs Force**

COR:

Edith Hathaway -about the idea that what is happening now is like what happened in the early 1800s – it is
true that when planets align as before,

- any time there is lots of solar activity, tends to be more war on the planet – and we are going in to high
photon area

- as you look into history you know there are older civilizations, but we have little history on it
- we're cosmic beings and live in different lifetimes and realities
- she lives in the tropics most of the time – she can feel EMF, feel flares in her head – and humanity seems to be toughening up
- we're starting to go into it – and there are massive coronal ejections

T: photon belt started to anchor in 1987 – and the Great Central Sun – the origins are that we are Pleiadians and Alcyone is the consort of Mother Sekhmet – the goddess energy is getting stronger now

Stefania has gone

Energy Update:

COR: feeling the presence of AA Michael

- the trauma Tyree Nichols went through will require help when he is on the other side
- his family too
- we are all suffering from the release of the dark energies
 - and also the feelings related to Divine Justice
- We are not being abandoned to chaos on this earth: chaos struck us in the microcosm of Memphis and it is also world-wide
- People are contributing either warring energies or energies for peace – no one can remain neutral in this situation – we have to take responsibility for our own energies

Rama: as the Dalai Lama talks about: cultivating a civilization of compassion and kindness

- he's been shown by the galactics: when fear comes into the picture, clarity does not really follow!
- He comes from an inter racial family – hard to be neutral in these events
- the dark side castigates and declares various groups of people as less than human – since the fall of Atlantis we have been in this consciousness, thanks to mind control and programming that have brought to the planet for the purposes of divide and conquer
- Dr Greer has said they are here as we raise our vibrations through the adoption of kindness and compassion
- What he's seeing now is the Republicans are pushing right now: have to have a gun to be 'with us' – otherwise you don't really belong here!

T: thanks, praise, respect, and love – explains how to use these ideas when faced with a difficult situation/person

RGM: whole galaxy going through change: the sun leading the charge!

Ordinary people are waking up

Amazed that the Vedic astrology does not have as much written material as the western astrology to get rid of fear- look in it the face

MG: 2023 is the year that humanity matures . . .

Rana Mu

Rama: I received a text message from **Rana Mu** at 11:50 am this morning, She said to me, "Lord Rama, as we approach March with Pluto going into Aquarius, things are going to fundamentally shift.

"It is about the revealing of this very ancient story which is about the return of Nibiru. All the Great Silent Watchers are back. This is about the Ascension of all of us. In order to ascend, we must ascend through our hearts.

"In this present moment, there are giant mother ships everywhere across the planet. All we are saying is 'Give peace a chance'. Please place all of the current trouble spots in the planet in the Circle of Support. I'll see you in the Light of the Most Radiant One. Sat Nam! Namaste! Blaze the Violet Fire!"

Chun Lee, Lady Natasha's body guard

Rama: I received a text message at 12:21 pm from **Lady Natasha's body guard, Chun Lee**. She's a Kung Fu master, in her mid 30s. She said to me, "Lord Rama, there was an explosion in Peshawar, Pakistan after a suicide bomber attacked a mosque there during noon prayers. At least 34 people were killed, and 150 others wounded. Yet authorities feel that people may still be trapped in the rubble. Amy [Goodman, *Democracy Now*] reports that the mosque was inside a high security compound that includes government buildings, the city's police headquarters, and counter terrorism departments. This comes after government forces and the Pakistani Taliban ended their cease fire in November. No one has claimed responsibility for the attack."

Chun Lee said, "Lord Rama, the Islamic State of Pakistan is another branch of the C I A. All of this is ending NOW. As the Solar flares continue to come in, in order to embrace them as they come in, you must come from the High Heart. You must have a spiritual practice every day.

“Right now, we are all being called to be in service to the whole of humanity. Every day I go out and try to help people who have less than me. Kindness and compassion are the order of the day.

“This comet coming in, called Comet E3ZTF or Green Comet, was last seen in the Stone Age, more than 50,000 years ago. The comet, at this time, is coming as a Divine Messenger. See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!”

The gorgeous green comet C/2022 E3 (ZTF) should now be visible to the naked eye under the right dark sky conditions.

The [comet](#) is rapidly approaching perigee, its closest point to Earth, which is making it easier to spot in the night sky. The comet, [first discovered](#) in March 2022 by astronomers Frank Masci and Bryce Bolin using the Zwicky Transient Facility (ZTF) at the Palomar Observatory in California, has been brightening since November, [wowing astrophotographers](#) with its [brilliant green tail](#).

Comet C/2022 E3 (ZTF) is currently making its way through the northern skies and should reach its brightest magnitude in early February, [according to In-The-Sky.org](#) (opens in new tab) as it approaches perigee on Feb. 1. To see the comet for yourself, look to the north just after sunset and look for a faint greenish glow. Under the right dark sky conditions, the comet could be visible to the unaided eye, but [binoculars](#) will certainly make the job easier.

The Poppy Lady

Rama: I received a text message from **The Poppy Lady** and her young body guard, **Chun Lee**, a master of the five animal forms of Kung Fu. It was 12:21 pm this afternoon.

The Poppy Lady said to me, "Lord Rama, Chun Lee has joined our crew; we now have 5 members in our starship crew: 3 Sasquatch people – Fing Dell Knorr and two other Sasquatch doctors; myself and now Chun Lee. We are in Peshawar, Pakistan; we have parked our shuttle craft nearby. We are all dressed in the same manner as the local citizens. We are helping out with the wounded. There are 72 dead and 65 injured. The Pakistani government said this was ISIL, yet ISIL is an asset of our CIA.

"Meanwhile Pope Francis is in the Democratic Republic of Congo. Today Pope Francis was scheduled to give a speech on climate change and the unlawful raping of the minerals of the Democratic Republic of Congo by the 5 international wealthy countries of the G7 - China, Russia, the United States, France and Germany."

The Poppy Lady sent to me, "Lord Rama, these minerals need to remain in the ground. They are part of the cosmic elements of Mother Gaia.

"Meanwhile, tonight and tomorrow night you can go outside and look to the northern skies just after sunset. As you have some, binoculars will be helpful, yet under the right dark sky conditions, the comet could be visible to the naked eye. This comet is a Divine Messenger sent by Creator Source to bring the Emerald Green Ray into our purvue for humanity to experience healing and harmony at this time.

"See you in the Light of the Most Radiant One. Sat Nam! Namaste! Blaze the Violet Fire and May Peace Prevail on Earth!"

Darvy O'Dell, Chun Lee

Rama: I received a text message from somebody called **Darvy O'Dell** at 12:15 pm, early this afternoon; he knows the King of Swords. Darvy O'Dell is a retired British Navy captain who had an experience where he was shown a portal by the elvish folk, near the Blarney Stone in Ireland. He said to me, "Lord Rama, I was guided by the elves through this portal and on from there, to a water fountain in a garden in another realm.

"There, at the water fountain, I had a vision of the future, and in the vision the elves told me about a future time when the planet would be in trouble. I had this vision in the early 60s; the elves said to me back then, in that vision, that the Rainbow Crystal children would incarnate at this future time that we are in now, to help save the planet. Since that time, I have been taking people on mystical tours around the planet, to sacred sites and vortices.

"In this current moment we find ourselves in, all the ley lines and vortices are broadcasting the Harmony of the Spheres. They're being activated by the intense solar flares which are continuously showering our planet. I will be talking to you again. Remember to call in all the ancient guardians, teachers, and masters. All the legends and stories of the ancient guardians of the galaxy are true. May the Luck of the Irish be with you, Sir!"

Then I received another text message from **Chun Lee**, at 2:30 pm this afternoon. She said to me, "Lord Rama, the reason I was able to go from Lady Natasha's side in Russia to the Poppy Lady's side in Fing Dell Knorr's starship is that I am part of a team of body guards which rotates as the need arises. I wear a com badge; we know about these from the Star Trek series. I was able to beam from Lady Natasha's side in Moscow to the Poppy Lady's side

on Fing Dell Knoor's starship in an instant by using my com badge. This is as much as I can tell you now. I have to leave it there. See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"

Rosa of Palestine

Rama: I received a text message from **Rosa of Palestine** at 12:37 pm, early this afternoon. She said to me, "Lord Rama, the Attorney General of Israel is challenging Prime Minister Netanyahu and the Supreme Court of Israel. Prime Minister of Netanyahu and certain members of the Supreme Court want to change the Israeli Constitution so that Netanyahu and the certain members of the Supreme Court can somehow force the issue of changing the Israeli Constitution. Yet as they are going to follow the lawful protocol of the Israeli Constitution as it stands now, the Supreme Court of Israel is required by Israeli law to vote unanimously to change the present constitution."

"Meanwhile, the comet ZTS or 'Green Comet' coming in, is bringing Divine messages from worlds within worlds. The time is NOW for peace. Today is Groundhog Day, also Candlemas – Lady Bridget of the Tu'atha de Danann tribe of Ireland is here, along with hints of the coming of spring, or as the Groundhog saw his shadow - and he did – 6 more weeks of winter! Stay warm! Stay safe! See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"

JYOTISHA

"THE SCIENCE OF LIGHT"

Jyotisha is a mystical language of light brought to us from the Vedas in India. Stefania will examine the various signs and planetary placements in your birth chart that unify the make-up of your own personal light frequency; your soul blueprint; your karmic code. Like going to a well for water, this language of light that comes to you in chart form, is the source or well of self-knowledge. It is a sister science of the Vedas and it gives you deep mystical information about your soul, your current life karma, and your personal relationship to the cosmos. Within your birth chart you will learn about energetic alchemical combinations that create specific patterns that bring light into form, and create the unique Being called YOU. Key areas of your chart and life include: relationships, love, sexuality, money, wealth, career, health, nutrition, children, family, past life, and current life karma and dharma. Jyotisha is referred to as the "Eyes of the Vedas", because it helps you to see the truth.

"Jyotisha is the blueprint of your soul. When you come to this planet, you bring with you information about the journey of your soul; your strengths, your weaknesses, and the timing of the unfolding of your karma. Your Vedic astrology birth chart will give you this information. It is a sacred scientific mystical language that helps you understand yourself and your relationship to others, as well as the grande cosmos in which we live."
