- **to learn about the Mayan Calendar, Go to <https://www.spacestationplaza.com>** which will link you further to www.lawoftime.org website for further information.

Next Week's Mayan Record of Days / Calendar in the year of the Magnetic Wizard

There are 60 days in the next 2 unials and **40 of those days are PORTAL DAYS, extra dimensional days**

28st Fri – 9 EB – Yellow Solar Human – a healing aspect; about the enlightenment of human kind. We can activate our dreams into reality.

- Spirit guide for this time of day is Muluc, the moon energy.

Last night at the Round Table, discussed the # 8; Thursday was an 8 Chuen – and it was a portal day which gives access to many other dimensions. This is also happening today and through until Monday

29th Sat - 10 BEN – Red Planetary Skywalker - another portal day. A warrior aspect, focus is on our work. Strive to self-illumination – embrace the gift of this warrior, and bend dimensions

30th Sun – 11 IX – White Spectral Magician – another portal day. Visionary aspect – embrace the gift of the shaman, the jaquar medicine – let go of personal control issues

- Let go of what no longer serves.

31st Mon – 12 MEN – Blue Crystal Eagle – a sister has this as her galactic birthday – a visionary aspect, about commitment to service, moving consciousness to Source; embrace gift of independence & belief in self, let go of illusion of separateness.

- Use the crystal gridwork known as the mayan cobweb. Like the Eagle must fly from separation from Spirit and use the vantage point to reconnect with All That Is. 12 is complex stability; synergy as part of the whole but not separate from whole.

If your activation day is 12 Men, you are in one of the most powerful waves – not many have 10 portal days!

1st Sept - Tues – 13 CIB – Yellow Cosmic Warrior – completes the wave of Kan. Full moon in some areas, happens on Wed in others. A warrior aspect, about trusting in our journey and being aware of right action. Gift of communicating with the Divine – let go of limitations, restrictions

2nd Wed – 1 CABAN – Red Magnetic Earth – new wave starts – guiding, earth force energy.

- A healing aspect – we are keepers of the earth, and have awareness of her energy.
- Ask what she needs, ask permission, talk to her and give gratitude. Work with our intuition. Full moon energy is with us. 1 is the beginning tone

3rd Thu – 2 ETZNAB – White New (?) Mirror. A warrior aspect. We work in groundedness

- gift of scrying the unseen, persistence. Let go of fear, abandonment – an illusion of separateness

4th Fri – 3 CAUAC – Blue Electric Storm – we are in a Blue storm year too – a visionary aspect –

- About creating transformation for others. Lighting clear thoughts. The prospect of freedom

C. Housekeeping: Rainbird

HARD NEWS

TARA, RAMA – T, R

R, T: Greetings!

Talked with **Tom the Cat and Ray McGovern**, 27 year CIA analyst since time of JFK Sr

- Ray is growing hair and beard in camaraderie with Julian Assange
- They shared about the transformation going on as we watch the dark side expose itself
 - Today showed pictures of a young lad who tried to get the gun out of his hand and the shooter turned around and killed him. Another one tried to help; also shot -
- Last night at RNC gathering - a pack of lies - **they have no platform** – this kind of behaviour leads to the dark side

Ray: many things are classified at this time

T: Melania dressed in a pretty green dress

R: on the internet, picture of Jeffrey Epstein is embossed in her dress

- lots of pictures about stuff coming out
- Jerry Falwell Jr pictures as well

T: Melania was a madam when she came here; child trafficking was behind it

When Melania was missing for 6 weeks, she was visiting with Mr Putin and learned of all

- her gorgeous outfit she wore when she gave her talk was designed by Mr Putin
- and Ivanka upstaged Melania by crossing in front of her to go straight to her dad

R: we are seeing unravelling of empire, and the fingers of Sauron are present as certain people

- Should we get into the fray, creates more intense energy; as we send love, the story is changed
- T: as for 'when' – all at once or nothing at all** - and now we know why: there's a web picture showing octopus tentacles but with no head: the beast is being portrayed as losing
- a piece about our friends from the stars and our ascension: pay no attention to the carnival rides of the house of mirrors: this story is about the healing of the human race and of the rest
- Breathe long deep and slow; smile because it works; and believe in the magic
 - And Use ho'o'pono pono
- Did you know about how business plays with trafficking rings, and the 2 parties which are really one,
 - Illinois has strict rules about owning a gun – the young man was driven across the border to Kenosha to where he could get a gun -
 - and this is Indiana, and Mick Pence where C Street is about pedophiles etc

Reading Dalai Lama's message:

- all the features that differentiate us like wealth, position, status and so on are secondary.
- He truly believes that we can relate to each other on the basis of shared humanity; as individuals learn to do this, there will immediately be a basis for trust
- Things are moving to a higher awareness of the bigger story

RNC: the fireworks at the end of the convention said "Trump" in the fireworks

- in the center of the fireworks was the obelisk on the Mall which links to the obelisk with London and the obelisk in the Vatican – showing the triune arrangement of fallen angelic gods with horns on
- We are moving into the timeline of people of all persuasions who are . . . hard to watch the mothers of the two young people who were killed and watch them sobbing and telling the people – the 21 year old father said you won't have an AR 15 with all these young children present – and he was killed.

- **TaNaHisi Coates talking with Trevor Noah** and the head of Vanity fair

HERE IS THE LINK TO THE ARTICLE IN VANITY FAIR

2020-08-24 The Life Breonna Taylor Lived, in the Words of Her Mother

In a series of interviews, the author spoke to Tamika Palmer to paint a picture of a full, loving life taken too soon.

Breonna Taylor's Mother, Tamika Palmer, and Sister, Juniyah Palmer, Standing at the Banister Where Breonna Once Stood, Near the Front Steps of Her Apartment on Springfield Drive in Louisville, Kentucky. Photographs by LaToya Ruby Frazier.

- Will be playing something from Radiant Rose Academy – about St Germain

R: about what Mother has said about the 500,000 characters: they will be going to Dracos to stand trial for crimes against humanity on earth AND ON ACROSS THE GALAXY: THAT'S HOW BIG THE STORY IS, it encompasses the rest of the galaxy AND THE UNIVERSE OF NEBADON, which humanity co-created with the goddess called Mother, and therefore She returns

- This is a big deal as Lord Michael is Planetary Prince of the Universe of Nebadon – and the fallen angelic presences are the result of why this timeline has been shifted
- the folks on **Ancient Aliens** talk of some of this stuff yet the CIA is keeping an eye on things via their connections with Hollywood;
 - the light that is pouring in cannot be stopped – if you fight against the Light – we say what Rae did to the emperor in *The Return of Skywalker* - he went bye – bye, thanks to Rae!

CONFERENCE CALL

Ca/Pa: yesterday's dream

- Wants to hear more about Melania being a madam, and the green dress, and Putin

T: they talked of the 6 weeks where Melania was missing – a couple of years ago. She had made some deals that if she were to be Trump's first lady, she was to get lots of \$ when she left the White House. Also about the time she had her baby and Donald had an affair with Karen McDougall. And there is the tape of him violently raping and killing a young girl.

- The photo of Melania rubbing her shoulder against J Epstein and Drumpf sitting there on the other side of Epstein. And Ivanka trying to steal the show at the time she was speaking – she looked into the camera with such a look
- Someone superimposed an image of Epstein on the green dress – could see an image of his face.
- The colour of her dress was the exact same colour of the green screen -

Ca/RA: to RB – did she listen # 343 presentation of Keshe?

- That Keshe is fully immune to radiation -

- he said he was from beyond the Pleiades

RA: he was talking of cosmic rays – he’s talking to the Universe!

- Reading his 1st book is a challenge because his words have specific meanings -
- 3000 more people joined the Brazilian Keshe organization – a main Keshe person is giving an interview in Brazil with millions of views.
- when you work with GANS, you change the energy in your home

- Mankind has to understand the soul – the Gans and the magnetics of the soul
 - there is a soul in your body and one outside your body -
 - when everyone who works with the GANS changes their own energy field as well as the energy fields around them -

T: What does Mother say to what Ra is saying: “Extra BBQ sauce!”

Ca/CA: the way the week started out with the RNC - all those things come into play

- Kelly Conway leaves - a few days before the exit, the daughter wants to remove herself from both her parents – to take liberty away from her parents construct an exit for her -
- More about the daughter

- Shinso Abe has retired as of today: his excuse was diagnosed with ulcerated colon something -
 - last dr app’t was about if this was true or not - **It’s true** and so is the fact that Abe and his ninjas tried to murder Obama when he went to Japan – 2014, 2015 – BO was going to Beijing; Abe sent the ninjas and KOS killed them all

Ca/CA: Jerry Falwall Jr didn’t want to step down from Liberty university

T: as a consenting adult , that’s one thing -

- seems he walked away with a small fortune - \$7 million! ! ! !

CA: Trump having the nerve to use the White House as his political stage, and Pompeo doing the same thing from Israel – making sure people know they aren’t leaving the White House

T: and ‘I make my daughter president the next time around’ -

CA: did Randy play something about Dr Keshe and Kamala

T: wants to know the tie-in between Kamala Harris and Mr Keshe

PA: what Kamala Harris

RA: Keshe announced a while ago about backing Kamala Harris

- Keshe has discussed this with his foundation AND the Universal Council

CA: the next president after Drumpf or

T: the Faction 3 White Knights said it will be Michelle Obama

RA: someone asked about NESARA and gesera – and Keshe said it’s part of the process – have to remain totally neutral

T: **the KOE** said suspend ALL YOUR IDEAS AS THERE ARE PRIORITIES – SOMETHING ELSE WILL TAKE PRIORITY - all the conjectures are in the old timelines

- **the new timeline says no war to start with**

- ever since Bernie stepped into the ring, there has been no president; have only had a president of a U S CORPORATION – all the old scenarios are in the old timelines

T: THERE REALLY IS INTERVENTION GOING ON EVERYWHERE AT THE MOMENT.

- Rama is finding all kinds of craft and ships coming in – the triangluars: true Andromedan ships.
- The Andromedan galaxy is 100s and millions times larger than our Milky Way Galaxy
 - Barack Obama is from Andromeda and went with Paschat warriors to be the 9th member of the Sirian Council of Nine
 - when Bernie first tried for the nomination, HRC stole everything and ran
 - this time, Joe stole everything with the help of HRC so that Bernie was knocked out – it's was about the dark side trying to hold on to power
- in Astrology, LM Virgo is in charge for 2,000 years – now have to apply spiritual principles to every aspect of your life.
- Rama is told at least once a week that we have won – and there will be those waking from the cryogenic chambers to talk about what happened BEFORE the flood
 - Every time he sees Max Keiser whose eyes get wilder and so does his hair! And he goes on about bit coin – yet gold and silver are good coin across the universe . . .

RA: as you understand the magnetics of the universe, why not create your own?

T: brings up last night's conversation on Night at the Roundtable and Shirley Blastock

CA: Boseman, star of **Black Panther, died of colon cancer today**

T: someone else

RA: all are hits

CA: CA was elated about him, as he was an Alum of the University in DC, as is Kamala Harris

T: it's called Revenge of the Sith – the movie woke so many people up, and earned so much money, they couldn't stand it

- T brings up the 21 year old with his baby – the one who jumped in and tried to grab the one with the gun who turned around and shot him point blank

CA: to strike fear in Kamala's heart

T: may the best man win – from 1979? ? ? ?

- brings up a series of events in 1979

Ca/PE: brings up the baseball teams who refused to play – it's about systemic racism also got agreement for various managements to use sports arenas as voting spaces

T: the sports people got their act together for the sake of the Light yesterday -

AUDIO THE BIGGER PICTURE by Patricia Cota-Robles www.eraofpeace.org

VLOG 181 THE MIRACULOUS VICTORY OF THE LION'S GATE

Audio: 432 Htz

MOTHER / ALCYONE [M/A]

Greetings in the Light of the Most Radiant One. In the Office of the Christ and only in the Office of the Christ, we invoke the loving energies of St Germain and the Violet Flame.

M/A: It is this grand story that's coming to a conclusion, and one cycle ends and another cycle begins. This is Sat Yuga

T: and we don't need to repeat any of the other one: we got it, right?

M/A: We shall study war no more! It is this cosmic dance that's coming into play as we've all woken up to the story at hand. Peace and Love are the order of the day; still and yet, L M Ma'at will do what She does best

T: she puts that feather on the scale, and the heart on the other side. . .

M/A: Yes. Soul, as She recalls – All That Is. And it is this time that She could say this planet and her people are ascending. That is us – all of us, as the 99% becomes the 100%. The ones She speaks of who are taking the last ship to Dracos –

- it is about this ancient story that – let's say there are videos out there that explain what happened when issues of head light, tail light got in the way of the mission.
- And here we are. Now it's completed itself. As She cannot give dates, yet the time is NOW about the conclusion, and accountability with justice

T: which system of justice do we talk about here?

M/A: the justice of what the Solar Tribunal Council on Saturn – that is the real law givers in this local system. We have the shadow of a court here with Dr Doom as the judge – not a fun picture.

- What She can say is – waking up to the magic that is going on around us right now. This is all encompassing as we take a moment to step out of the fray, listen to the one hand clapping: in the silence of that one hand, it is deafening how loud the sound of the universe is at this moment because of the transfiguration of the sun and all of us along with Him/ Her / All That Is – and it is a most unique moment to be alive and be here, awakening to this grand transition, transformation, transfiguration.
- It is -let's say - as you take this NOW moment and stay in this NOW moment, everything that is coming up, we can see for what it is; release it; send it on – it is not ours or theirs. It is part of this circle/ cycle portion of completion.
 - As we move to a more heart-based awareness and civilization, it is more and more unfolding in a way where, what we see before us is a parade of life forms that, in a way, it's quite funny but tragic because they think they can hide in the shadows of the dark side but they are so naked for everyone to see their actions.
- If it were not so tragic, it would be a lot funnier yet 182,000+ leaving the planet [from the US alone] - something is not right with this picture; it's about ethnic cleansing on all levels.
 - This is why She shows up with the rest of the crew to take matters in hand, and Lord Kryon of Magnetic Service, along with many others in the local system – we are a hair's breadth from our dinner table.
 - As She has said many times, They don't mind kibble. Yet it is more about the inner standing, understanding [of] how we meet and greet each other, and it's already taking place all over this planet.
 - Yet [as] the transmissions move on, more and more folks are becoming aware of the fact that They are here and are not going anywhere, and [the folks are] getting used to the idea.
 - At the same time, the agencies who think they control all of the intelligence think they have one over on them too; and it's only about Love, not war, not spying about one another because we may have ideologies/ belief structures, certain wisdoms that help the whole of us connect with what we recognize as the divinity within us –
- What is divine? How do you describe it? It comes into play as we all get to know each other: how we look is not the issue. It's what's in the High Heart: the consciousness of teaching peace and the wisdom of the gentle path of the Buddha.
 - It is already coming to pass that the Wise Councils of Elders across this planet are already passing on the wisdom that red star kachina, blue star kachina are here – if they haven't already shown up – any second now.
 - as we can see the madness of . . .

T: the sheer antithesis of what they planned; they are planning for Tom Cotton in 2024 – think they are going to get this one . . .

M/A: Tom Cotton is on the menu . . . we'll leave it there

T: lots of BBQ sauce

M/A: a little bony: no comments! It is not pretty because you can't buy a planet; she's not for sale and none of the planets are for sale or conquest or occupation and invasion. This story about this particular planet, the story about the one we're on and on which She chose to show up in her consciousness of the occasion

- Now as more and more unravels, it's very uncomfortable for the occupying empire, and it is going to get more uncomfortable for them as the energies rise to the occasion –

- let's say how the next week is: certain moves will be made and She is not at liberty to say – yet they are playing with a dangerous brinkmanship game at the moment – the super powers as it were
- Yes, the elven folks are here, along with the fairy folks, and many beings are about at this time as the crack between the 2 worlds has opened, and now it is this moment in which we get to meet and greet each other, and it is about sharing the wisdom of coming home, and all of our relatives - 7 generations and then some.
 - How we can do this with love is the greatest gift at this time – not to answer the call to active duty with an iron fist or an AR 15
 - An open heart is the answer: `Lord make me an instrument of thy peace; where there is such hatred, let me sow Love . . . `

T: 650 wild fires in CA, 7 fatalities, 1400 structures gone, 1.4 million acres burnt – those are conservative figures

- M/A:** and they are playing about with the technologies that are floating about from the satellites and these are crude lasers that are being used to destroy life.
- Yet at the same moment, She can say that there are events unfolding to stop these lifeforms from what they are doing, and that is about the wisdom of tuning into the Force; and we will get it in the higher realms and, as it filters into the consciousness, we can see it – they are extremely upset about the fact that they are not winning anything except a ticket to Dracos.
 - Not to be funny - it is about the greater good for the whole of humanity: the needs of the many outweigh the needs of the few, as Spock would say. Right now, the needs of the many are in front of us – our planet if we can save her. Yet it is already ordained that we make it with flying colours.
 - The little incident in the road which is called 2020. Let's just say - blaze the Violet Fire and send more love to these situations – they are part of the collapse of the fallen matrix.
 - The Oracle and the Architect [characters in *The Matrix*] are in a battle to the death; the Oracle will win, and the Architect of this fallen matrix story is about the fallen angels who are her children, for better for worse: they have made their choices
 - As She takes matters of this into her paws, her hands, to take them to Dracos to stand trial in that Draconian high court . . . it's t is not just about earth
 - What's happened here is that Her wayward children killed many Draconian people in the ancient Orion wars, and they will be held accountable for that - it is a very long story that has come to conclusion.
 - Maybe She is explaining it - as we were waking up, that we came in at the middle of the story and may not be sure [about how we fit in]
 - How we fit in is that the Holy Order of Jedi has been called to duty, along with all the angels and masters, and the Ashtar Command, and Lord Michael is one brave soul to take this one on because he is Planetary Prince of this entire Universe
 - This story happened a way, way back – circles, cycles; this is about the completion of an entire cycle; this is why She returns with the Nibiru and Her people to help bring back a little order and balance to the local systems.
 - It is quite an experience to watch and participate in cos it's about the gold dust.

- As we use the gold dust to transform this situation: as we can imagine it in our hand - that is all we gotta do: use our 3rd eye to focus on it, see it, and it is there 'cos all it is, is plasma from the 3rd eye - DMT - we don't have to buy it from the dispensary; yet we can buy it if we want, yet not gonna be the same kind as the 3rd eye crown chakra can create.
 - Because the DMT in each one of these temples is unique unto itself - no two are alike. And at this time this wisdom is coming forth and She'd better be on her way - the hour is late - She could go forever, yet this temple body - the voice is getting a little tired.
- Full moon in Pisces coming in the next day or so - with the square of Venus, Pluto, Mars - send more love to Aries - he's had a rough day; Xena turned him away - she won't have him, so let it be! He's pissed off!

T: has a feeling that the people aren't going let this keep happening without further intervention . . .

M/A: can see at the Washington march - Rev Sharpton got up there and called it out for what it is, along with the Jacobs family and the others

- It is about this one story - Imagine All The people: we are all one family, called the Creation of All That Is, and we are learning how to get along with each other in spite of our issues. That is the big issue right here - this is why, as it gets played out here, it gets fixed because **we got the power with love.**
- And They are really us in another sense: stories from the stage, and everyone is a king and queen in this one. All of us - Sons and Daughters of the Most High.

The dangers of systemic racism have caused people to ask What can I do to make a difference?

It's not just one thing on one day, it's a daily process. It is up to each of us to step as leaders in our communities, in our families, in our churches or organizations and our businesses and do something to make a difference.

The Aware Show is a solution-oriented program that provides possibilities to move humanity forward. By connecting current events with today's thought leaders, Lisa Garr finds solutions where most only see chaos and challenge.
