All 8 billion human beings alive today are brothers and sisters. We're physically, mentally and emotionally the same. We all want to live a happy life and avoid suffering and we all have a right to fulfill that wish. So, it's important to acknowledge the oneness of humanity.

**Rama:** I received a text message from **Tom the Ring-tailed Cat, Sweet Angelique the Cat, and Larry the Cat** at 12:15 pm, early this afternoon. They all said to me: "Lord Rama, we were at Glastonbury Tor, UK, at sunrise this morning to activate that portal, thus bringing elves, fairies, dwarves, hobbits and all the elementals to bring in the spring in the northern hemisphere. As well, it brings in the fire element in the form of the salamanders. The salamanders activate the kundalini energy. As we approach this eclipse, stay in the highest energies possible. We will be tested! ! ! Loving kindness and compassion is the order of the day. The biggest story on Mother Gaia is the Rainbow Nation. We are all the colours of the rainbow. We come in peace. At this time, Love is the answer. Sat Nam! Namaste! **Blaze the Violet Fire!**" Om Shiva."

I believe that if we make an effort to develop peace of mind within ourselves and cultivate a proper appreciation of the oneness of humanity, we can create a happier, more peaceful world. What we need is common sense—the positive use of intelligence—and warm-heartedness.

Tuesday Rampa

**Rama:** I received a text message from **Tuesday Rampa** (21, about to turn 22) – she is one of Lady Master Nada’s bodyguards, and is from Tibet. She said to me, “Lord Rama, Greetings! I am one of Lady Nada’s body guards. We have a rotating schedule, and today I just happened to be taking care of Lady Master Nada’s well-being. I am a Master Martial Artist and I have studied Kung Fu and Tai Chi since I was 3. I could say, I could give Neo in *The Matrix* a run for his money! I have learned how to fly as in the movie *Crouching Tigers, Hidden Dragons*, and I work with the 5 elements: fire, air, earth, water, and ether. Right at this time, earth and all of her inhabitants are going to be freed from the old slave masters; even the Chinese Red Army will meet their doom (a metaphor) – be cause the use of power with violence is not a family value! Stay Safe! We are about to see the shift of the Ages! This new moon, solar eclipse coming up this Thursday morning, at 12: 13 am / solar eclipse at 29\* Aries, 50 minutes, is going to be a doozy! !! Very intense, and very high frequency! !! Keep looking up! Our galactic family and friends are here. Sat Nam! Namaste! [Blaze the Violet Fire!](#)”

Larry and Mo

**Rama:** I received a text message from **Larry and Mo**, at 11:48 am this morning. They said to me, “Lord Rama, we are in our starship, over the Giza Plateau and the vortexes are opening. Something many may not know is that these pyramids were actually brought by the Galactic Federation from Aldeberan, which is located a bit south and east of Orion’s Belt. Commander Kla La and his galactic team brought the pyramids to the Giza Plateau in his galactic federation star ship and lowered them strategically to align exactly with the 3 stars in Orion’s Belt: El, An, and Ra.

“Right at this time, the pyramids are glowing at night; this is the time of our arrival. As Aurora Ray says: call us in and we will show up for you. The time is very short where we will be sitting with you for tea. See you in the Light of the Most Radiant One! Sat Nam! Namaste! [Blaze the Violet Fire!](#)”

PS: The Nameless Ones are getting ready for Wesak, in the Wesak Valley. They will be calling you, Lord Rama: keep your phone on! All we are saying is ‘Give Peace a Chance’.

Wednesday The Poppy Lady; The Nameless Ones; 30 deer

**Rama:** I went up the mountain and created a Jedi Council at 11:57 am this morning. In about 10 minutes, 30 deer had gathered around me, and they held the energy for me as I created the Council. Then the circle lit up, and **the Poppy Lady** showed up, along with **The Nameless Ones!** They all said to me, "Greetings, Lord Rama! We are here up in the Wesak Valley getting ready for Buddha's birthday, the Wesak Festival. There are many galactic beings here; the sun is pumping out massive solar flares every day! Magic and miracles are afoot! We can tell you many things, yet it is all about the transformation of earth and all the life upon her – including us! ! !

"The Dark Side continues to go down – fast! They are their own echo chamber: leave them alone! Stay in the High Heart. Sat Nam! Namaste! [Blaze the Violet Fire!](#)"

Thursday

Mr X; 15 deer

Rama: I called **Mr X** today and finally reached him. It was 11:45 am, late this morning. He said to me, "Lord Rama, the energies coming in are coming in from Super Galactic Center where 26 other galaxies meet our Milky Way Galaxy. This galactic convergence point in our skies is the location of the **Hunab Ku**. This solar eclipse at 29\* Aries, 60 minutes, and a new moon this morning at 12:13 am, ET, has changed all the timelines from the old story to the paradigm of our new heaven and our new earth. Stay in the Oneness: the Great Silence! This eclipse is moving ley lines as well as other lines across the planet. As the hours/days follow, there may be tectonic plate movement." (see picture, next page: the kind of flares, etc being discussed)

At this point, where I was sitting up on Sun Mountain, I found myself surrounded by 15 deer. Mr X at this point said to me, "Lord Rama, stay in the Oneness; stay in the Silence with your companions. We have won! Stay safe! Enshallah – Peace be upon you! Sat Nam! Namaste! [Blaze the Violet Fire!](#)"
