As human beings we are all fundamentally compassionate. We have to build a world founded on human values—a world no longer dependent on the use of weapons. When people fight and die, their minds are not at peace, but we can imagine building a world based on compassion.

The 7 member Jedi Council, called in by Lord Rama

Rama: I went up Old Taos Highway towards Tesuque, found a good spot on the back side of Santa Fe's Mountain, and created a Jedi Council with my crystals. And the **King of Egypt** [KOE] and **Lady Nada**, along with **Tom the Ring-tailed Cat, Larry, Curly and Mo**, and last but not least, **Sweet Angelique the Cat** showed up. It was 11:45 am late this morning.

They said to me, "Lord Rama, Turkey is shelling the Kurds, along Turkey's southern border with Syria. There are US Special Forces aligned with the Kurds there, as well as Syrian Special Forces, also helping the Kurds."

The KOE at this point said to me, "Lord Rama, I am going to have some some words with President Erdogan of Turkey. Those words are concerning this message: 'It is time to stop all war. WAR IS OVER! ! !' " The KOE continued: "Lord Rama, as Erdogan won't stop the war, the Forces of Light will intervene. I am not giving dates, yet the time is NOW! Blaze the Violet Fire!"

Then Lady Nada and the rest of the crew said to me: "Lord Rama, there are two huge coronal holes in the sun just today, and they are facing Mother Gaia. That means we here on earth are going to be experiencing a lot more solar flares! And the energies are only going to get higher. As we approach this full moon, stay in the high vibes. This is the most critical moment in this lifetime. The Light has won! ! ! Ophiuchus is here. This is the time Beloved Ascended Master St Germain and Lord Sananda Kumara blessed this earth with their presence. All we are saying is 'Give peace a chance!' Sat Nam! Namaste! Blaze the Violet Fire!"

Tom the Cat and Sweet Angelique the Cat

Rama: I received a text message from **Tom the Cat and Sweet Angelique the Cat** at 11:55 this morning. They said to me, "Lord Rama, there is another huge coronal hole in the sun, and it is facing the earth – again! There is also a filament that stretches 700,000 kilometers long, located in the southern half of Sol's hemisphere and also facing the earth. As well, there are huge solar flares emanating from our sun Sol again today.

"The Ascension symptoms are way up there! We are telling you drink plenty of good water and do not get caught up in the political flare-ups! Move very slowly and with the rhythm of the Harmony of the Spheres.

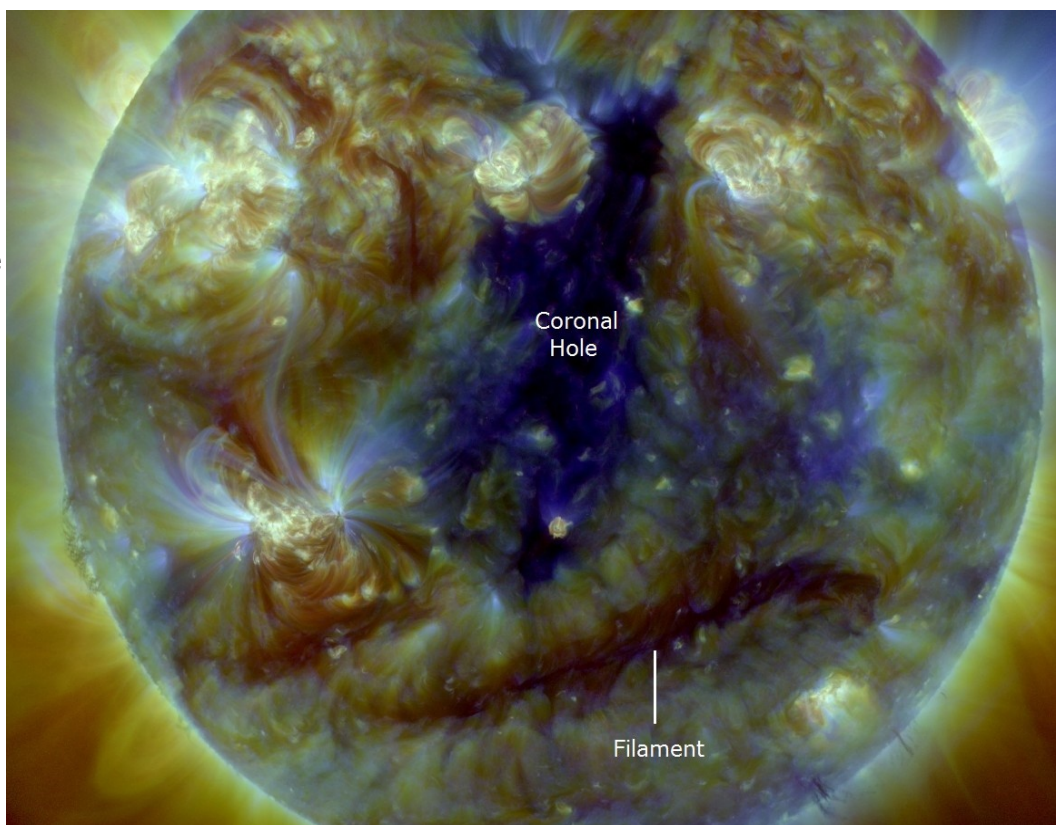

"We are nearby once again. We have landed our shuttle craft in Monument Valley in Utah. We are taking soil samples at the moment. Stay in the high heart. Focus on the radiant Violet Flame light coming in. Sat Nam! Namaste! Blaze the Violet Fire!"

Tuesday

Lady Natasha

Rama: I received a text message from **Lady Natasha** at 12:21 pm early this afternoon. She said to me, "Lord Rama, Russia is blaming Ukraine for drone strikes deep in Russian territory! Three people were killed."

Natasha continued: "The energies are so high, I cannot even put a number to it! The ships are everywhere in the skies. People are looking up and paying attention! It is time for an end to war! I can tell you, all the Forces of Light are here. See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"

Wednesday

Mr X, the King of Swords

Rama: I received a text message from **Mr X and the King of Swords** at 12:15 early this afternoon. They said to me, "Lord Rama, yes, President Obama did things that, let's say, could be considered war crimes. That being said, we must inner stand, under stand, over stand, as you are communicating /negotiating with these life forms that are at the top of the food chain on the dark side, that these ones are the fallen angels, the Nephilim.

"The other lifeforms on the dark side, to name just a few: the MIBs/Men in Black; the Cigarette smoking man from **The X Files**; MJ 12 and the other Branch groups tied into the Khazarian mafia, etc – all of these power structures are done! They are done! End of story!

"This Kali Yuga cycle is complete. WE HAVE WON! The reports that are out there in the media talking about Obama committing this crime or that crime, have to do with the decisions at the top of the food chain on the dark side. What is happening right now is that all of the power structures of the old orders are crumbling. These life forms at the top of the disintegrating food chain are being exposed for who they are. Our biggest test, right now, is to send these life forms love and compassion.

"I, the King of Swords, have had first hand experience on this battlefield! War is never the answer! As we can look each other in the eye in spite of our differences, we can bury the axe or the storm breaker, a Norse term for the axe. Leave it buried! We are in a new timeline. It is the time of St Germain and Sananda Kumara blessing the planet with their radiant light.

2022-04-03 Ships (ever present!)

"Happy Anniversary, you two! We asked specifically to be here now, in this time of Divine Chaos in order to create together a new heaven and a new earth.

"All we are saying is 'Give peace a chance.' See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"

Thursday

Tom the Ring-tailed Cat, Sweet Angelique The Cat

Rama: I received a message today from **Tom the Ring-tailed Cat and Sweet Angelique the Cat**. It was 12:10 pm early this afternoon. They said to me, "Lord Rama, today we are at Glastonbury Tor, England, a prominent hill overlooking the Isle of Avalon, Glastonbury, Somerset, that offers magnificent views of the Somerset levels, Dorset, Wiltshire, and Wales. The structure of the Tor is emanating huge magnetic waves. This is creating ripples in the space/time continuum.

Tom the Cat went on: "All of the other ley line grid points on Mother Gaia are emanating these magnetic waves as well. These magnetic waves are being sent to outer space. We are very close to an imminent breakthrough. It is about our sun moving up in octave."

Sweet Angelique spoke up at this point and said, "These are huge circumstances concerning the magnetic waves. These magnetic waves can build up and move tectonic plates. All of this is being monitored by the Galactic Forces of Light. We are in a big transformational change.

" The stories about Russia and Ukraine are all slanted to make Russia appear as "the bad guy". We are at the end of the end of Kali Yuga. We are swiftly moving into Sat Yuga. We have won! Stay in the high heart! Sat Nam! Namaste! Blaze the Violet Fire!"
