As human beings we are all fundamentally compassionate. We have to build a world founded on human values—a world no longer dependent on the use of

weapons. When people fight and die, their minds are not at peace, but we can imagine building a world based on compassion.

**Rana Mu**

**Rama:** I went to see **Rana Mu** today, at 1:30 pm this afternoon. She said to me, "Lord Rama, get on the bio bed and let me see how you are doing!" Then, as I lay on the bio bed, 3 AI controlled lasers came out of the ceiling and they were ruby-ray red, sapphire blue, and violet fire purple in colour. And the lasers scanned my body from head to toe. Then with the data they accrued from scanning my body, they started pulsing at various rates of speed.

At one point, they were pulsing so fast, they looked like strobe lights. At this point, I closed my eyes and promptly fell asleep on the table. In about a half hour or so, Rana Mu gently nudged me awake and said to me, "Lord Rama, it's time. This is good for today. Tomorrow is another day! Come back tomorrow and I will work again. Also, I will tell you some more about the Big Story. Now go in the Light of the Most Radiant One. O Mani Padme Hm. Sat Nam! Namaste! Blaze the Violet Fire!"

When they are young, children love to smile and readily respond to compassion. We must find ways to keep these qualities alive so they maintain a compassionate attitude and learn how to tackle anger as they grow up. Time at school should include methods to achieve peace of mind

Tom the Cat and Sweet Angelique the Cat

**Rama:** I received a text message from Tom the Ring-tailed Cat and Sweet Angelique the Cat at 12:55 pm this afternoon. The said to me: "Lord Rama, we were over Alberta, Canada, and we sent you a picture of the Aurora Borealis from Waugh, Alberta. The solar flares continue to come in; these energies are extremely high! We salute you on your anniversary, Tara and Rama! WE HAVE WON! ! !

The Matrix continues to fall apart. We are in the 5<sup>th</sup> Dimension! In the same moment, everything is shifting and changing. Another person/protester was hung in Iran today. As we go through this portal opening, all of heaven and earth are here. The Galactic Members of the Ashtar Command are here! We will hold you and your shuttle craft [automobile!] in the Circle of Support, as well as all of the issues going on to take care of your financial affairs. See you the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"

Rana Mu

**Rama:** I received a text message from **Lady Natasha** at 12:45 pm, this afternoon. She said to me: "Lord Rama, the Christ Light is coming in at quantum light speed. This Christ Light is new and different; it is the White Fire Core of Being kind of light. This light is coming from Helios and Vesta, through our Sun, Sol, to our home, Mother Gaia. This light is affecting all electrons, protons, neutrons . . . every light particle in every thing: animal, plant, and mineral, all of Life on Mother Gaia, in the Inner earth, all around her skies and beyond.

"The Matrix continues to collapse at a rapid rate. Accountability is front and center in this story, right now, and it goes back to 9/11. Why do we need an Office of Homeland Security? This parallels what happened in Nazi Germany to the letter. Captain Ashtar has said "NO" to war. This is the time to return to the Light of the Most Radiant One. See you there! ! !

"Sat Nam! Namaste! All we are saying if give peace a chance! Blaze the Violet Fire!"
