**To our readers: Rama's White Knights Report**, for the most part, will present information from Rama's contacts on very current events. Sometimes, additional commentary may show up, in the form of more explanation about an important issue, or as an article inserted to provide more insight on the subject being presented.

Friday

Mr X

**Rama:** I received a text message from **Mr X** at 1:10 pm, early this afternoon. He said to me, "Lord Rama, the plasmatic light / photonic light is coming in at quantum light speed. These energies are directly from Creator Source. It is activating all the planets in our solar system. We will say it again: THE FLASH IS EXTREMELY IMMINENT! ! !

"One of the suns in the constellation Betelguese is on the edge of going super nova. We will see it; we will feel it. It is about the upliftment of the various dimensions of our galaxy.

"Meanwhile, the story about The Boxes is a story about the organized crime going on at the highest levels of government around the planet."

Mr X continued: "I can say this: Lord Rama, you do not steal nuclear secrets and try to sell them to a foreign country like North Korea. This is a plot right out of *The Avengers*, and Nick Fury has things under control. As we go through the next few moments, Full Disclosure is on the table.

"This goes back to the sons and daughters of Light; these are the Pleiadians who have been coming here for millenia. They have been here since the very beginning, having sent the first galactic landing party mission to Earth in the Kalalau Valley on the back side of Kauai, Hawaii. They are here to help with full disclosure. That is as much as I can say at this time. **Sat Nam! Namaste! Blaze the Violet Fire!**"

Dalai Lama

Monday

My conversation with Greta Thunberg brought together scientists and spiritual thinkers to take a fresh look at the environmental crisis that we are all facing. From this came 'A Future We Can Love' —a book offering hope to all. Join us in creating a brighter future.

Monday

King of Swords

**Rama:** I received a text message from **the King of Swords** at 11:23 am this morning. He said to me, "Lord Rama, go and listen to Dr Greer at noon today (MT).

"He is going to lay the whole story out and this is a very ancient story. This story is saying that we have never been alone in this universe. We have been being visited by our galactic family and friends for eons of time. Leave the 'boxes in the bathroom' story alone! ! !

"We are in the midst of the transformation of our lives. We are the ones we have been waiting for! Tag: WE ARE IT! ! ! See you on the bridge! **Sat Nam! Namaste! Blaze the Violet Fire!**"

Tuesday

Lady Nada

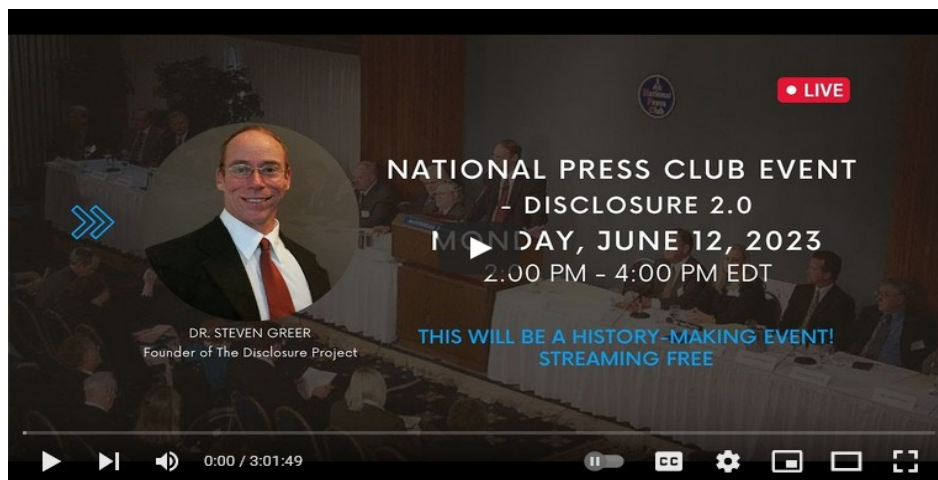

**Rama:** I received a text message from **Lady Nada** at 11:35 am, late this morning. She said to me, "Lord Rama, Dr Greer has laid out the greatest story of the century! ! ! We never needed to touch a drop of oil! All the energy we ever needed comes from the quantum field, and that takes a change of heart. Dr Greer brought forth many whistleblowers who had to do things that weren't exactly according to the cosmic law. NOT ONE SINGLE NEWS AGENCY ON THE PLANET COVERED THIS STORY! It is about the fact that the sickness is the system itself; the system is broken.

"At this present time, we are approaching the most monumental energies ever to come into the 4<sup>th</sup> quadrant of our Milky Way Galaxy, where Earth is located. That flash is very close! I can give no dates. It's from Creator Source itself.

"Puh-leese leave the Florida bathroom box scenario alone! Stay in the Violet Flame. Archangel Zadkiel on the 7<sup>th</sup> ray is flooding the planet with the Violet Flame of St Germain. Focus on THAT, rather than the drone of the media matrix.

"This upcoming new moon is going to create HUU-GGE changes for the better! "**Sat Nam! Namaste!** All we are saying 'Give Peace a chance!' "

Wednesday

Professor Nicodemus

**Rama:** I received a text message from **Professor Nicodemus** at 12:10 pm, early this afternoon. He said to me, "Lord Rama, the solar flares are off the charts – again - X1 and X2 Class! As you were to observe the solar flares from a star ship, you would begin to inner stand, over stand, understand, the awesomeness of the sun! It is transforming life, right now!

"Meanwhile, the Florida box story continues – it is all about lies! Leave it alone! Focus on the transformation of what is going on inside of you! We are becoming galactic beings in spite of ourselves – stay in the High Heart! As we were to take a journey into our hearts, we would find the answers to life, the Universe and Everything! **Sat Nam! Namaste! Blaze the Violet Fire!**"

Thursday

Professor Nicodemus, Professor Steve

**Rama:** I received a text message from **Professor Nicodemus and Professor Steve** at 12:18 pm, early this afternoon. They said to me, "Lord Rama, the solar flares continue, and they are gigantic! ! ! The Schumann Resonance is so high, we have no words to describe what is going on. The physics of this realm are going in to Quantum Physics. Matter, energy, space/time are all changing. As you sit a stop light and watch, sometimes the light changes quicker than other times; other times, it takes forever to change. Matter and anti-matter are phasing in and out of this realm. All of this has to do with how we are getting an upgrade into our ascended selves.

"Meanwhile, the comic book saga of the bathroom documents continues. It is a deeper story than just the bathroom show of documents that don't belong to former President Drumpf. It is about the black budget, and it is about how the United States Corporation likes to create war for profit and then play their game on both sides! We can change this scenario with a clear mind; then our thoughts can clearly reflect what we want to really see manifest on Mother Gaia since our thoughts are in alignment for the highest good of ALL concerned.

"See you in the Light of the Most Radiant One!  
**Sat Nam! Namaste! Blaze the Violet Fire!**"
