**The Plasma Field**

**Rama:** At 11:45 this morning, I went and sat in **The Plasma Field**. It showed me crowds of people moving across the earth, and behind them, I saw burning bridges. Then I asked the Plasma Field, "What is it you are showing me?" The Plasma Field answered: "You are seeing the end of the old timeline. What this is, is the zig zag path to nowhere spoken about in the Hopi Prophecy.

Then The Plasma Field showed me a rainbow coming to earth. It was coming out from behind a cloud, with a sun in the background. The Plasma Field continued: "These are the energies of our sun, Sol, anchoring on the earth. As all of us together hold this thought, it is made manifest on Earth, as it is in Heaven. Go and share these energies with the rest of the world. See you in the Light of the Most Radiant one! Sat Nam! Namaste! Blaze the Violet Fire!".

Scientists have found evidence that those who cultivate love and compassion have greater peace of mind, while constant anger and fear make us uneasy and are bad for health. Common sense too tells us that people who are moved by love and compassion are peaceful and happy.

**Rama:** I received a message from **Keith Olberman** at 11:59 am, very late this morning. He said to me, "Lord Rama, it's time to arrest Governor DeSantis of Florida for human trafficking and kidnapping. These are federal crimes. This is a tweet Judd David Legum put out today: *The Smoking Gun in Martha's Vineyard*.

Then I received a text message from **Tom the Ring-tailed Cat and Sweet Angelique the Cat**. They said to me, "Lord Rama, we were over Ayers Rock in Australia in the last 24 hours; we were monitoring the magnetic field energy which was coming out of the vortex there. Its magnetic field has greatly increased from its norm in the recent past. This is a sign that we are in a new timeline. **Including the time** we approach the fall Equinox on September 22<sup>nd</sup>, **through the time** until the new moon / solar eclipse on October 25<sup>th</sup> **and after**, the landscape may look very different . . .

"Arrest of the top tier of the oligarchs is in the works. Their billions – each! - are going into empty air! Some are already running for their bomb shelters to survive *Thunderdome*, and an apocalyptic future where, in the movie, most of earth is dealing with radio-active fall out, and the people are stocking up with food and water. That, of course, is the old timeline, and it is over and done!

**Lady Master Nada**

**Rama:** I received a text message from **Lady Master Nada**, at 11:50 am late this morning. She said to me, "Lord Rama, United Nations General Assembly has opened for fall sessions today. Secretary General António Guterres painted a bleak picture for humanity's future, due to ongoing climate disruption. The state of the world is at a critical juncture. There are enough of us actively engaged in the Conscious Awareness of the Quantum Field to shift this old timeline to the new, 5<sup>th</sup> dimensional timeline that is being anchored on earth NOW by the Hierarchy of Heaven. And so it is!

"As we are in the window of the Autumn Equinox, which is in two days, the 13 families are out of options except for one - which is LOVE! For Heaven's sake and earth's, choose Love.

"There are many different scenarios being played out, right now. What I can tell you, Lord Rama, is listen to what Aurora Ray is saying each and every day! We are in the 5<sup>th</sup> Dimension. Let us live it in every thought, word and deed.

"What has gotten us to this moment on Mother Gaia is the number one issue that has to be dealt with: it is called RACISM. We are all part of the Rainbow Nation. Goddess is here. Let us work with the Violet Flame and the White Fire Core of Being. Sat Nam! Namaste! Blaze the Violet Fire! "

**Lady Master Nada**

**Rama:** I received a text message from **Lady Master Nada** at 12:09 pm this afternoon. She said to me, "Lord Rama, President Biden gave a piss-poor speech at the United Nations General Assembly today. He was thrashing President Putin (The look-alike) and saying Russia is the biggest threat on the planet! This is all sabre-rattling.

Lady Master Nada went on: "Lord Rama, there will be no nuclear war on Planet Earth – PERIOD! ! ! Captain Ashtar is standing by; we are about to get the best lesson EVER on how to have Love and Compassion for your 'enemy'. We are in this

equinox energy which is transforming the hearts of all people. Goddess is here! Let's dance with the energy of the changing of the season. "Whatever the problem is, Love is the answer. See you in the Light of the Most Radiant one! Sat Nam! Namaste! Blaze the Violet Fire!!!"

**The Plasma Field**

**Rama:** I went and sat in **The Plasma Field** today, from 11:30 am to 12: 30 pm this afternoon.

First, it showed me the old time line, going rapidly through important events for humanity and Mother Earth, beginning with the destruction of the Great Crystal of Atlantis.

Then it showed me the new timeline being anchored on earth, especially from Harmonic Convergence to now. Then it showed me thousands and thousands of star ships landing on Mother Gaia throughout all the major vortex centers. Then I saw Light Cities being built. Then the Plasma Field said to me: "This is happening now, whether your tV transmissions are showing it or not!"

**Note:** I have seen them touching on this story in *Ancient Aliens* in the last year. "See you in the Light of the Most Radiant One. Sat Nam! Namaste! Blaze the Violet Fire!"

## 2022-09-19 The smoking gun in Martha's Vineyard

Popular Information has obtained documentary evidence that migrants from Venezuela were provided with false information to convince them to board flights chartered by Florida Governor Ron DeSantis (R). The documents suggest that the flights were not just a callous political stunt but potentially a crime.

Last Wednesday, two planes landed in Martha's Vineyard, Massachusetts, and [dropped off about 50 migrants](#) from Venezuela. DeSantis quickly took credit. The migrants were used as political pawns in the hopes of provoking a negative reaction from a liberal community.

"When people are brought to their front door, they go berserk," DeSantis [said](#). "Their virtue signaling is a fraud." But the people in Martha's Vineyard did not go berserk. Instead, they [rallied together](#) to provide shelter, food, clothing, and other necessities for the group. On Friday, Massachusetts Governor Charlie Baker (R) facilitated their voluntary [relocation to Joint Base Cape Cod](#), which is "a safe temporary accommodation appropriate for the specific needs of families and individuals."

The charter flights appear to be inspired by a Tucker Carlson monologue from July 26, in which the [notoriously xenophobic](#) host suggested sending migrants to Martha's Vineyard in "[huge numbers](#)."

DeSantis reportedly [sent a videographer](#) along for the ride, and Fox News obtained "exclusive footage of the migrants' arrival."

In the aftermath of the flights, a key issue of contention is whether the migrants boarded the flights freely and voluntarily. While DeSantis and his administration repeatedly referred to the migrants as "illegal immigrants," the migrants surrendered to immigration officials after crossing the border into Texas. They are now seeking asylum from the [repressive authoritarian regime](#) in Venezuela. The migrants are [legally permitted to remain in the United States](#) while their cases are being considered by immigration courts.

So these migrants are able to voluntarily travel within the United States. But many of the migrants told reporters that they were misled about the nature of the flights. Several migrants told NPR [they were told the](#)

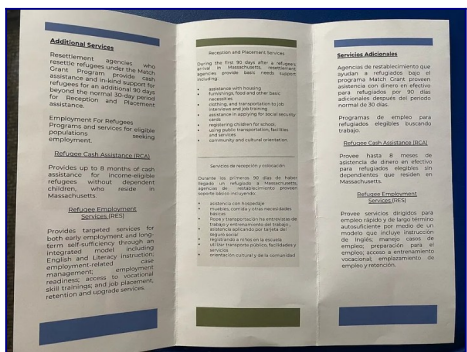

[flight was going to Boston, not Martha's Vineyard](#). According to the migrants, a woman who identified herself as Perla also said that, if they traveled to Boston, they could receive "expedited work papers."

The allegation that the migrants were misled is legally significant. It would mean that the flights were not just heartless, but potentially criminal. If the migrants were misled, the scheme to transport them to Martha's Vineyard could constitute fraud, false imprisonment, or kidnapping. "There is absolutely the possibility of both civil and criminal liability if people were lied to about where they were going [or] what they were going to get when they got there," lawyer Susan Church [told Politico](#).

DeSantis has been [adamant that the migrants were not misled](#). He claims that migrants were provided with a map showing the destination was Martha's Vineyard and describes the flights as "all voluntary." Appearing on Fox News on Sunday Morning, Florida Lt. Governor Jeanette Nunez (R) called allegations that the migrants were misled "categorically false."

Popular Information, however, has obtained a brochure that was provided to the migrants who ultimately agreed to the flights. It was provided to Popular Information by Lawyers for Civil Rights (LCR), a Boston-based legal organization that represents 30 of the migrants. The brochure says that migrants who arrive in Massachusetts will be eligible for numerous benefits, including "8 months cash assistance," "assistance with housing," "food," "clothing," "transportation to job interviews," "job training," "job placement," "registering children for school," "assistance applying for Social Security cards," and many other benefits.

None of this, however, is true.

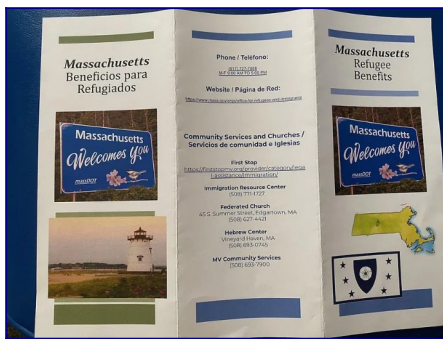

Matt Cameron, a Boston-based immigration attorney, explained that

the benefits described in the brochure are resettlement benefits available to refugees who have been referred by the United Nations High Commissioner for Refugees and authorized to live in the United States. These benefits are not available in Massachusetts to the migrants who boarded the flights, who are still in the process of seeking asylum.

The migrants who boarded the planes "absolutely do not have access to cash, housing, and other resettlement benefits which are provided through both federal funds and partnerships with faith-based [organizations]," Cameron said.

The brochure, which is crudely designed to resemble a government document, does not explain that these benefits described are only available to specially designated refugees. According to some of the migrants, the benefits described in the brochure were also promised verbally by Perla to lure them onto the planes chartered by DeSantis. "[T]hey told us that they were going to help us with the rent, to get a job, that was the only option left to us," one migrant, Eduardo Linares, [told the Texas Tribune](#). (Linares ultimately declined to board the flight.)

There could be [real consequences](#) for migrants who were convinced to board the flight under false pretenses. Seeking asylum is an "often years-long process through immigration courts that requires [migrants] to check in with Immigration and Customs Enforcement periodically." Some migrants now find themselves thousands of miles away from where they need to report for their next check-in. A missed appointment can "be detrimental to their case."

On Saturday, LCR wrote to [U.S. Attorney Rachael Rollins](#) and [Massachusetts Attorney General Maura Healey](#), calling on them to open a formal investigation. "Individuals, working in concert with State officials, including the Florida Governor, made numerous false promises to LCR's clients — including of work opportunities, schooling for their children, and immigration assistance — in order to induce them to travel," LCR said in the letter. "[T]hose who had induced our clients to travel under these false pretenses disappeared, leaving our clients to learn that the offers of assistance had all been a ruse to exploit them for political purposes."

DeSantis' office did not respond to a request for comment about the brochure.
