CALL IN NUMBERS: US & CA: 888-429-5471 INT'L: 323-744-4841

D: Opening Meditation: Omena - Healing meditation for the whole world

TONIGHT'S CALL: **Part 1:** **Rama and Tara's reports**
 Part 2: **Guest: Katie Griboski**

PLEASE CALL IN: THE CALL-IN NUMBERS ARE ABOVE.

Tonight's Co-Hosts: **Omena – OM** **Randy Miller – RGM** **Rama, Tara – R, T**

Note: Caroline Oceana Ryan and Vinayak are travelling tonight

Panel Members Thoughts:

Randy: a brief update: peace talks going better than expected; Israelis were floored when Mr Keshe walked in – didn't know what to do!
From a higher view point, Israel will have to comply – peace requires no weapons!~

On a private conference call, he spoke to beings from Sirius:

main message is GUARD YOUR MIND!

It is your belief that creates what you see around you
Guard your mind for it is what you continue to focus on that
manifests – PLEASE LISTEN TO THE ENTIRE MESSAGE.

Caroline: Has a channeling for tomorrow: talked to St Germain the other day – he's with us, always working to enact NESARA
She got an image that there about 8 stages for moving to NESARA
He clarified that we can jump from one level to another in a day, not a year to go between each level
Does the fact that we ask "when?" slow down the process of the progress?
He tells us that our skepticism has not won the day – most of humanity is still aware of a great change coming

THE FEBRUARY 26TH CHANNELLING IS INCLUDED BELOW.

Omena: COR, RGM and Omena - all on the same wave length as we concentrate on the positive. This synchronicity is part of the preparation of us all for NESARA
She talks of the value of positive thought
Re-emphasizes that religion and spirituality are NOT THE SAME THING
We are in for a huge and beautiful paradigm shift – all that comes from it is good!~

Rama, Tara: Galactic News

[See <https://www.rainbowroundtable.net/rama-s-contacts> for info on Rama's contacts]

RAMA: Greetings, everyone! I can say that, like Rana Mu said to me today, Max Keiser keeps tearing his hair out—what's left of it—and he's saying that the dollar is gone.

- We are playing with a reality that's not real. They *call* it real, and they go so far as to create the tangibility of paper—that's all it is. There's nothing behind it except empty air.

"Bitcoin is a transition to the [NESARA] rainbow bills"—that's how she put it.

TARA: That are in all our banks—that's the new currency [waiting to be used once NESARA is fully enacted]!

RAMA: Yeah! And I know that there are fiascos going on with [US Secretary of the Treasury] Ms [Janet] Yellen and the Fed. The Fed is *gone*. It's a hollow shell. I don't know why they continue to talk about the Federal Reserve. It's kind of an illusionary entity.

- All of these things have to do with the 13 Families playing with a false reality. That also has to do with what's coming in from the Sun and the Galactic Center. They don't want to talk about the change that's going on with our bodies and the Sun, and the other planets.
- I see this every day with the five elements. There's air, fire, water, ether, and the beings in the forest near here—spring is returning slowly.
 - Yet at the same time, like Rana Mu said [to me], "Your father, Lord Ashtar, is on red alert." Because they are playing with the final completions here.
 - And there are crazy stories out there now on the internet that there are "seven signs that the return of Yeshua is coming to pass." That has to do with the stories about Israel and Netanyahu. And all of that has to do with the so-called "End Times" that the 13 Families are playing with.
- Yet it's all part of the false realities that they are hanging on to. When I asked Rana Mu when all this is going to happen, she said, "We are down to nano-seconds."

T: We're heard that term before!

R: I know, and I don't know where to go with it.

- Yet we're watching it, and inexplicable events are going on. Mr Biden has bombed Syria, and I have to say, it's part of the Hillary Clinton Foundation story. The old paradigm.
- As I asked Rana Mu, "When is this going to change?" she said, "If I tell you, it changes the timeline."
- I know there are certain events that have to come about, and I think right now, part of this event is the fluctuations of the electromagnetic field of our planet and the Sun. It's creating such a drama with the Ascension symptoms. Sometimes you just go to bed, then go to the bathroom, and then go back to bed!
 - And so it is, in the sense that the energies keep getting higher. It's about us waking up to who we really are.
 - Right now, they are playing it out in the final moments.

T: I transcribed what Stacey Herbert and Max Keiser said at 3:30 AM this morning.

- They went over what happened in the [Weimar Republic](#) [in Germany before WWII], and how it completely parallels what these ones have been attempting to repeat. On purpose, they plotted and planned to create another Fuhrer timeline, and we're not making any judgments on any of the players.
 - It's just that former President Drumpf [correct spelling of his actual family name] played that role and was backed up by the republican party, which have had *nothing* to do with the constitution.
- As people must know, there isn't anybody here who is a party to the constitution. Because that has to do with forming a country. There's no country. There's only a corporation. [And] Joe Biden and Kamala Harris were inaugurated into the corporation.
- As Rama said, this was Hillary Clinton's idea of what she wants to do, representing anything but the democratic party. They represent, you might say, the modern day Hitler agenda.

R: Yeah! Their concepts are that the world is black and white, and there are no rainbow colors.

- That is a limited reality, based on the old timelines of xenophobia.
- That simply won't hold water anymore in this new realm. I gotta say, the beings I keep talking to are saying, "If you could see it from our vantage point—"

- This is why, in a sense, the lawsuits and lawyers are [piling up]—oh my god, the dramas that are unfolding with these 13 Families! They think they can somehow bargain their way out of the karma, and they can't.
- And our mission is to send Love. That's the biggest dharma. It's Love and compassion. Because it is so evil [what they are doing].

T: It's about the way we would hold them accountable.

R: I do not condone the death penalty, yet it is about when you use the primordial force of the Force and you use it in the wrong way—energy follows thought.

T: Let's just make it clear—there will be no death penalties assigned to anybody here. The Galactic Beings of Light are already on the ground. And Mother Sekhmet made it clear that her Paschat warrior fleets upon fleets of starships will land all over the planet.

- They will board 500,000 war criminals. And we will be watching this.
- They will be taking them [500,000] to a place called Dracos, which is in the Orion constellation, where King Dracos and Princess Ardala, his daughter, preside.
- The [advanced] technologies are already here, yet haven't been properly presented to the world.
 - There are 60,000 of them.
 - NESARA Law is already the law. It was the law minus the proper enactment. But it was [signed into] law, besides that.

T reviews the event]:

On midnight, October 31st, the morning of Halloween in 2008, before Barack Obama's election—the whole month before that, at the Bank of International Settlements in Geneva, Switzerland, [Rama's contact who just goes by the name of] Heidi, and some of the other Faction Three White Knights—worked for a solid month, and zeroed out the entire old paradigm. The entire old—what we think we're still in. The old economy.

- They opened up NESARA Law without the enactment, behind the scenes. Which means that Saint Germain, who has been in charge of this whole project called NESARA, and who appeared to the original signers of the Declaration of Independence. All 56 of them.

R: There's an actual painting of this, where there's a man in the back of the room [at Independence Hall in July 1776], and he's saying, "Sign it!"

T: He said, "I will see to it that your posterity will make it so! It's not perfect, but sign it!"

- The South wouldn't sign it. Originally, when Thomas Jefferson was approved by the whole body of lawmakers at the time, they agreed that he should write it, because he was such a good writer.
 - He wrote it in the sense that he said, "At the point that this is enacted, slavery is ended." And the Southern leadership said, "We won't sign it! We need our slavery. We need to have it for our plantations, and we won't sign it!"
 - So Saint Germain said to all of them, and in particular spoke at length to Thomas Jefferson, and said, "Sign it anyway, and it will be left to your posterity to make it so."
- So you might say that the original sin of America, in the original signing of that document, was that slavery was supposed to continue on, and that was the wish of the Vatican too.
- That's why we have been called a melting pot—"Give me your tired and your poor." Every race, religion, creed, color came together. Although, not *quite* together!
- And this system—Professor Richard Wolff wrote a book, *The System is the Sickness*: *When Capitalism Fails to Save Us from Pandemics or Itself*. He's saying that the original design was to keep the slavery in place.

- And like we said—nobody’s a party to the constitution *until* We the People insist on equal rights for *all*.
 - There was a news item today that Joe Biden reopened the detention site for the refugee teenage children. On the news on RT, they said, “[MSM—mainstream media—Why So Silent?](#)”
 - And he’s also going to open that homestead place in southern Florida. Not positive—was it Steve Mnuchin or Steven Miller? [Miller]—those two characters are on the same wavelength.
- R:** Yeah, they’re evil.
- T:** But they were using that homestead base to child traffic. Children who came from Mexico and Guatemala, and El Salvador and Honduras—they ran them through there, then went to an underground manor to get them into child trafficking rings all over the world.
- The numbers are absolutely obscene. Thousands and thousands of kids were put into trafficking rings and run all over the Earth through that site. So it’s very alarming he’s reopening that place, because it’s still there in its original place.
 - The party system is coming to an end. That’s what this has all been about. The party system was never set up for any democratic principles whatsoever.
 - Killing for profit is what this whole society has been about from the beginning, and that part is not palatable to the new energies coming in right now.
 - Learning how to stand our ground and remain in unconditional Divine Neutrality as we speak Truth to power, is something we do every week in our little gathering in the *A Night at the Roundtable*.

We are becoming profoundly aware of what Margaret Mead said. She said, “***Never doubt that a small group of [thoughtful, committed] citizens can change the world; indeed, it's the only thing that ever has.***”

- So let’s remember that. Saint Germain is sitting here listening with big ears!
 - The press secretary Joe Biden has on TV, said, “This is not kids being kept in cages,” responding to the reopening of this site.
 - She said, “This is a facility”—the first one is in Texas, I believe—an old facility they use for similar purposes—she’s attempting to draw a difference between them—she’s saying that “This is a facility that was opened that is going to follow the same standards as other HHS [Health and Human Services] facilities.”
 - The commentator on RT said, “I get part [?] in [the party wanting to stand in] solidarity, yet there must be someone in the democratic camp with balanced vision, who'd say, ‘Guys, this isn’t right. These double standards in how you look at treating young migrants!’”
 - “Bingo!”
 - “Here’s what Congresswoman Alexandria Ocasio-Cortez tweeted: ‘This is not OK, never has been OK, never will be OK—no matter the administration or party.’”
- T:** That’s called unconditional Divine neutrality!
- So then the RT commentator said, “[AOC tweeted that,] only to backpedal in less than an hour after being struck by a hailstorm of replies. Her next Twitter post slammed the fundamentals of the immigration system, putting the blame on the previous administration.” In their overly severe, austere way of using it.

[The commentator continued:] "Oh yeah! Under the old administration, Ms Ocasio-Cortez had been much more adamant in her fight against what she wasn't just calling cages, but full-on concentration camps."

- "[Quoting AOC] 'I flew to the concentration camp where the Trump administration was keeping the children they stole from their parents.' "
- The commentator said, "Joe Biden's team and left-leading commentators are defending the decision, not only to maintain but to reopen the camps for the children by saying, 'It's a necessity in the times of Covid.' More camps, extra room."
- All of this is what [NATR co-host] Randi Rhodes was saying tonight: "If you want to set up an illusion that you don't have a choice, and you do this because this is all you've got the choice of"—What is that called? Coercion?

R: The Matrix!

T: The Matrix! What Rama was told today and the day before—

Wednesday, Feb 24th : "I received a text message from **Tom the Ring-Tailed Cat** at 2:35 this afternoon.

- "He said to me, 'Lord Rama, I am hunting orcs and other zombies from Mordor. This is a metaphor for the energies where the dark side knows their time is up.
 - And She [Mother Sekhmet] who was here before the gods were here *is* here! 'This old timeline is closed. "Access denied," as they say.
- **'We are in a new timeline. It is about the return of the Rainbow Nation. Focus on that! Let us close the story on War. The dark side knows their time is up.**
- 'May the Force be with you, Lord Rama. Sat Nam!' "
- And then he added a little note: 'I may be showing up in White Paws's window to say hello, and talk with you about matters of state, and maybe have a cup of tea—Earl Grey, hot!' "
- White Paw, our kitty, has a window at our bedroom here. At 3:00 in the morning, three of the Paschats that live in the shed come trotting over to the window—it's the mama bobcat and her two baby bobcats—and they stand on their hind legs, and White Paw stands at the window, and they have a yowl talk, every morning at 3:00 in the morning!
- **So he was just saying that "It's time!"**
- Feb 25th: I called **Rana Mu today**. It was 12:10 this afternoon. Then Rana Mu created a face-to-face call with me.
 - "She said to me, 'Lord Rama, the dollar is toast! And while we go through this transformation, Bitcoin is a bridge currency, as the rainbow bills show up.
 - "At this point, I asked Rana Mu the proverbial *When?* question. "WHEN, Rana Mu?"
 - "Rana Mu answered, 'There are certain actions that are being taken by Saint Germain, the King of Swords, and the other galactic members.
 - 'If I tell you the details, it changes the timeline. Yet what I can tell you, is the nanoseconds are right down to it. The time is Now.
 - Blaze the Violet Fire! Sat Nam! Namaste!' "

The second half of the program: GUEST KATIE GIBROSKI

Guest Occupation: UFO investigator and researcher, Strike Team Area Researcher, Special Assignment Team Investigator

Please listen to the podcast to catch all the discussion and the questions from panel members and callers alike.

CLOSING MUSIC: 2008-11-13 Galaxy Song - from Monty Python's The Meaning of Life

Galaxy Song, taken from Monty Python's The Meaning of Life.

Terry Jones picked this as part of his Top 10 Monty Python Movie Moments for Esquire Magazine -

"It's such a lovely song. I think it's one of the best things Eric [Idle]'s ever done. There was going to be more animation but Terry was so busy with other parts of the film, we ended up using more of the live-action parts that I'd shot for safety."

Guest Occupation: UFO investigator and researcher, Strike Team Area Researcher, Special Assignment Team Investigator

Guest Biography: **Katie Griboski**

UFO investigator and researcher Katie Griboski is Colorado MUFON's state director. She is a Strike Team Area Researcher, and Special Assignment Team Investigator for the Mutual UFO Network.

She serves on the Colorado MUFON Board of Directors and is team lead and administrator for MUFON's Archive, Research, and Reporting System (the MARRS Team).

Katie has been a UFO/ET/paranormal experienter since childhood. In 2010, she embarked on a journey to unlock the mysteries of her past, seeking answers to experiences that began with events occurring on a Colorado ranch she and her family would visit in the mid-1970s.

She later realized that what she and others experienced on that ranch were very similar to what residents and researchers had encountered on the infamous Skinwalker Ranch in northeastern Utah.

Many of the events that occurred on the Colorado ranch of her childhood were also recorded in the book Hunt for the Skinwalker by renowned UFO researchers Colm A. Kelleher, Ph.D. (author) and George Knapp (author), in the chapter titled "Other Hotspots," as well as in many other books.

Katie conducts her own independent research and investigations, frequently visiting archives with UFO reports, and traveling to different regions to conduct face-to-face interviews with experiencers and eyewitnesses.

Katie founded the Colorado UFO Paranormal Research group to further explore these topics, and to share her discoveries with others.

She enjoys communicating about her experiences and research, and has presented on UFO and ET experienter topics to numerous UFO and paranormal groups.

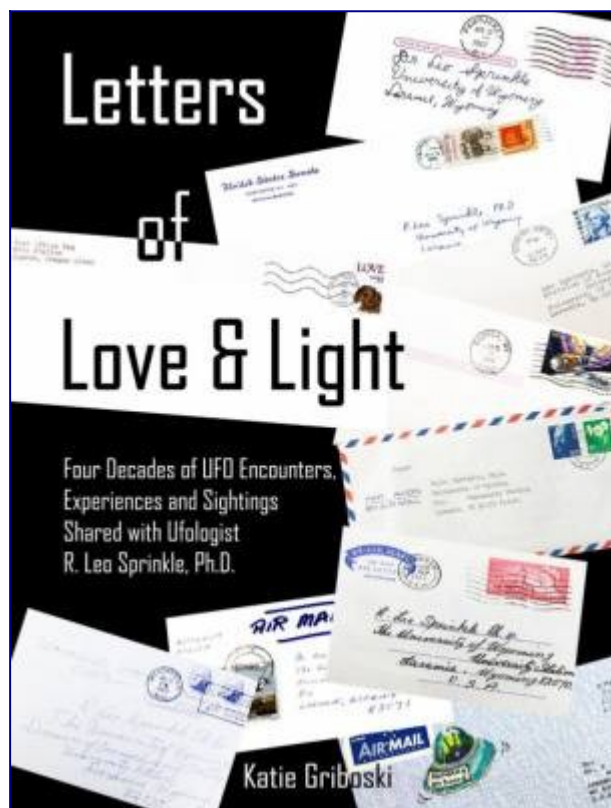

A mother of five, Katie holds a bachelor of science degree in visual communications, and enjoys doing graphic design work in her spare time.

2021-02-26 A Message to Lightworkers – February 26, 2021 by Caroline Oceana Ryan

This week's guidance from the Ascended Masters, Galactics, Earth Elements, Fae Elders, Angelic legions, and Archangels known as the Collective:

Greetings, friends! We are very pleased to have this moment with you today.

Today our writer speaks with one of us in the Collective who is known as Saint Germain, an Ascended Master who is integral to the creation and enactment of NESARA Law:

COR: Greetings, Master Saint Germain! Thank you for speaking with me today.

SAINT GERMAIN: We are here always to assist.

COR: You and I were speaking a day or two ago, and I was asking you about NESARA's unfolding, and what stands between Earth / humanity and that law's full enactment.

SAINT GERMAIN: Indeed!

COR: And you said that there are stages or phases of progression to have to be gone through, before we hit the highest level, at which point NESARA must be enacted.

I got an image of there being about 8 stages, and you commented that we were somewhere between Stages 3 and 4.

SAINT GERMAIN: Noting as well, that the progressions can occur in a day's time. So that one might see a progression from stage 3 or 4 to stage 5 in only a day or two.

And you are closer to 4 now.

COR: That is reassuring.

I felt that you were saying that so that I wouldn't be discouraged by assuming that each stage would take six months to a year or more.

SAINT GERMAIN: Your emotional vibrational level is of your own making!

One could say, "NESARA shall enact fully on this date and time," naming a time quite near the current date, and some would nevertheless feel disappointment that it did not happen this morning!

COR: Yes, I follow.

SAINT GERMAIN: And so—you hold each in one hand, as you will often say: the joyful inevitability of NESARA, and also the great unknown, which for humanity is always, "When?"

Sunset in Ballydesmond, Ireland in the aftermath of high winds and torrential rain. Photo by Sheila Fitzgerald

COR: Does asking “When” slow things down, I wonder?

There seems to be so much built into the human vibration that has to do with holding us back from our co-Creations, because we are stuck in Waiting mode.

Waiting for the outer world to prove itself to us before we feel something is real.

And so many of us quietly (or loudly) carry a cynicism long bred into human life, that says, “I doubt it will ever happen” or “It might happen at some point, but not sure I’ll still be here when it does.”

Purely to protect ourselves from any disappointment, or to keep the skeptical left-brain aspect happy.

SAINT GERMAIN: And yet, your skepticism has not won the day, we note!

Most of humanity is experiencing an anticipation of a Great Change, even if most are unaware of what the details will be.

They have no idea of “what that will look like,” as people say.

Yet their own feelings of anticipation and intuition tell them, great change is afoot!

COR: Does that help to create the moment all the more fully, or all the sooner?

SAINT GERMAIN: Both.

Any heart anywhere that is open to the next higher level of human existence, the next phase of your evolvment, helps hold open that great heavy door to tremendous shift.

And the heaviness is not in the change itself—it is in the movement from the old lower dimensional ways of enacting change to the newer forms.

This has to do with a growing consciousness and awareness of how Light is functioning on the planet.

COR: And so how is it functioning? It's waking people up, certainly.

ST GERMAIN: It is lifting the entire resonance of human experience!

Yes, consciousness. Most assuredly so.

And yet—are you aware that people are more telepathic now as well?

So that whole conversations are being held between persons and groups, between persons and aspects of Nature, without anyone being present in the same place together?

COR: I have been experiencing that myself, yes.

ST GERMAIN: And so—as you speak to others in the etheric plane, consider that *there is no distance between you.*

This means no separation of viewpoints, of experience, or even of outer manifestation.

In fact distance and its correlative, Time—these are increasingly irrelevant!

People are realizing inwardly, “I need not be held back or defined by these. I can travel via intention and focus. What I envision, I create!”

Photo by Jerry Moriarty

COR: Most people would have trouble believing that distance and separation between persons are dissolving, when we are currently experiencing in the United States right now, for example, a mind-bending amount of separatism and division.

Enough to make your hair stand on end some days.

SAINT GERMAIN: But you have been taught that such things as telepathic conversation cannot exist!

You have also been taught that either people agree in ways that bend the will of one person to another, or both shall remain eternally separate!
This is nonsense.

We wish now, those of us who speak from both our lives on Earth and from the higher consciousness—we wish for you to understand that there is only a Coming Home now, for all of humanity.

The separations, the divisions—these are but appearances!

They are not real, and they are not representative of where you are headed as a race of beings on a fast-evolving planet.

COR: Are you saying we are more connected than not connected to one another?

SAINT GERMAIN: Most assuredly!

You cannot help now but to be connected in ways that assist you in realizing that the lies you have been told for millennia hold no water—have no resonance to who and what you are all becoming.

And that is an interconnected form of being. Such as what you have been told about how the trees in the forest are interconnected through their roots underground.

They communicate this way, and connect with one another in ongoing community this way—through a sort of neural network—while appearing on the surface to be separate from one another.

As if space and varieties of species mattered! For they do not.

COR: And so how does all this influence NESARA's unfolding?

SAINT GERMAIN: You stray somewhat from the subject, but I shall tie these two points into one.

COR: All right

SAINT GERMAIN: There is increasing evidence of the growing Unity consciousness of the human race.

This means that the desire to continue living, and to become sovereign—despite the destructive attempts of a crude, self-appointed elite to derail not only human consciousness but human life—shows that the focus, the intent for reunification. That and the rebuilding of higher consciousness within humanity have already been established.

The shifts you see around you now would not be so obvious were this not so. We speak of increased awareness of and concern for the environment, for children's and young persons' lives, for the lives of the elderly, those who have hampered abilities, those who have fought in wars and or fled from them, bear the scars of such, and so on.

The increase in compassion—in feeding others and not only oneself, in housing and educating all, in obtaining real and effective medical care for all—none of this would be so obvious had humanity not decided quite emphatically to step into the Light.

Photo by Jerry Moriarty

COR: And yet our reach does not go so far as that of the old power crowd's destructiveness, does it?

SAINT GERMAIN: It goes much further.

COR: Because consciousness has outrun their physical methods?

SAINT GERMAIN: Of course!

COR: Yet they scheme to implant people with nano-particles that badly restrict consciousness!

SAINT GERMAIN: Much of this is being mitigated to where it will be easily disposed of.

In many cases, it is not taking hold in the body, and being rejected by it.

And there are those whose inventions are assisting with healing and releasing the body from these influences.

Do not give great credence to these schemes, as if they were fated to succeed in most instances.

That is their intent, and so you must face the other way, entirely.

But you wished to return us to the issue of NESARA—a beautiful name that holds a particularly high vibration!

COR: Yes, I think people should name their children that!

And yes—how does that tie in with all of this?

SAINT GERMAIN: It ties in with the events of 1776. The vision that drove such, and now finally, the establishment of a New Atlantis.

That original endeavor got derailed to the point where it was delayed by several centuries—for those who travel amidst the stars, not a long time.

But for those in an Earth body, a long time indeed.

COR: A very long time!

Are you saying, Sir, that the unfolding of the original vision of what the United States, and eventually the world, could be—that that is occurring now, finally?

SAINT GERMAIN: This is something that, despite many diversions to the road, you have been moving forward to for those two and a half centuries of Earth time.

And you have reached a point now where you will not permit it to be delayed any further.

COR: So instead of asking “When” NESARA will be enacted, we need to celebrate within ourselves the very fact of its existence—I want to say “HER” existence, as it is the Divine Mother, assisted by Lady Justice, Lady Liberty, and all goddesses of higher resonance, who are anchoring these energies into our very day-to-day existence.

ST GERMAIN: Ah—now you have left the Earthbound details, and risen higher, to take in the greater picture.

COR: Understandably, you have lifted us vibrationally to see the horizon where NESARA is even now being birthed.

Yet some will say, “There are still millions dying, millions homeless or mired in debt, millions ill or imprisoned, or experiencing desperation in other ways.”

SAINT GERMAIN: And we would say, Stand up, humanity!

Will you allow this to be the outpicturing of your inner life?

Or will you remember who you are—gods and goddesses, Angelics, devas, and Crystal Beings in human form, among other great personages—and reclaim your planet with your vibration first and foremost?

For that is where the war, and not only the battle, is won.

COR: I think I understand better now.

Thank you, Lord Saint Germain. We are all honored to speak with you, as always.

SAINT GERMAIN: Always, you are guided and assisted, dear ones! Never doubt such. You have not been abandoned. All is well.

COR: And “all manner of things shall be well”!

SAINT GERMAIN: Most assuredly so!

May you pass every test you have set out for your Earth journey! For there is great evolvment here.

COR: Namaste, friend! Thank you for your assistance.

[Saint Germain bows to us all.]
