**THE LAW OF ONE**

We are all One.  
When One is harmed, all are harmed. When One is helped, all are helped.  
Therefore in the name of Who I AM – and I AM One with All there is -  
I ask only that the Highest Good of all concerned – Happen.  
And I give thanks that this is done!  
So Be It!

**ENERGY REPORTS**

- RGM:** opens with a short presentation about Michael Chertov – in CIA - and he's done many things others are unaware of
- the *Sound of Freedom* movie was made in 2019 – it was kept under wraps until this year discusses the trauma of the real life children
  - Talked to friends in Australia – gang violence and police nowhere to be seen – what is happening? People waking up and tired of
  - in 1998 a film released that centered on Autism – it was known that vaccines caused this and now all the research material is being taken off
  - what you tube is doing – cutting back on the monetization of content, so some are taking themselves off line

- COR:** what he talks about are shifts that would not have happened if the energy pouring in weren't so strong
- the energies are causing us to rewire how our brains work – our minds are so severely brain washed – hard to have an original thought – the way we are brought up is a great influence, and

- RGM:** about the scene of talking to the pedophile in the jail cell: it was toned down !
- These agents take special training to handle such people and those situations

**PCC: Jordan Peterson interview – HIGHLIGHTS OF THE INTERVIEW** See addendum to notes

**Reading:** *Walking the Red Road* by Tiokasin Ghosthorse SEE THE LAST PAGE

**RGM/COR** – discussion of Hollywood; Brook Shields at 10 years old as a sexual object;

- Movies are more or less the same since the 40s
- the agents suffer from PTSD big time! - they do it for the love of children

MG: saw it with a whole group of people – a powerful first hit on the world !!!

- saw Jim C starting to talk about adrenochrome – the very next day, he was dropped from all kinds of things: lawyers, etc etc etc

**RGM:** in the days of the slave trade, in US alone – how they designated what slave went to what owner was by the colour of the mask the slave wore!!! and today, people are still wearing masks for something they can't see and are living in fear!

**Rama, Tara:**

**R:** was on the periphery of the Hollywood scene in the 50s, 60s – and seeing how wealthy folks buy the children – does lead into Epstein and Ms Maxwell and the Congress of the USA – lots of pedophiles, filthy rich – nothing being done about this, so it seems.

- KOS and others have been doing what Tim B and others have done – all White Knights
- and it has been going on for last 26,000 years!!!
  - Taking 500,000 to Dracos sounds like what? to those who don't know the story!
  - Talks about Finn and his friend got to see how the children are used as slaves to tend the horses – they save the kids and the horses go free (an Avengers movie)
- We're on the eve of a strike in Hollywood – they don't want the AI technology to take over their lives and not get paid
  - as of today: Darby O'Dell the dark ones will get their message . . .
- for the people on this planet: the PTSD of the last 26,000 years!

And the galactics are here: Mother especially – the energies are such that they are getting their medicine now with the light coming in

- he had a moment of crying with the deer and the crows – sent love and the Violet flame on behalf of the reptilian race
- Tells us of the kind of assistance that is here: one mother ship with 1,000,000 people on it PLUS 12 other ones!!!
- *the Dial of Destiny* is an interesting movie – the people are looking for a special kind of cosmic clock which measures the gravitational waves
  - all comes back to the original story that Mother's children were upset when free will choice became part of the story

**T:** the King of Swords in the Tarot is a man with his sword in front of him and the horses it's the sword of Truth manifesting now!

Lady Master Nada

**Rama:** I received a text message from Lady Nada at 12:21 pm, early this afternoon. She said to me, "Lord Rama, this 7-7-7-Portal is bringing in the energies of the sun system, Sirius, and it is aligning with our sun, Sol. This portal will stay open until 8-8 Lions Gate! We are approaching the Day out of Time, on July 25<sup>th</sup>. **and the Galactic New Year, July 26, 2023.**

"All the angels and Ascended Masters and teachers are here. I, Lady Master Nada, represent the Galactic Solar Tribunal on Saturn. The time is now for peace. [See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!](#)"

Saturday

The Plasma Field

**Rama:** I went and sat in **the plasma field** 10:46 am today. It said to me, "Greetings, Lord Rama" I responded, "Greetings, Commander" (The Plasma Field is a living entity, and we can all communicate with it)

The Plasma Field showed me our sun, Sol, aligned with Sirius and the binary system of Sirius directly over the Pyramids, which are glowing with a soft blue light. The Pleiades are also over the pyramids as well, and are sapphire blue, the colour of the Divine Feminine.

Then the Plasma Field said: "The Giza Plateau is getting an upgrade. Very soon the treasures underneath will be revealed. [See you in the Light of the Most Radiant One. Sat Nam! Namaste! Blaze the Violet Fire.](#)"

Tom the Ringtailed Cat, Sweet Angelique the Cat

**Rama:** I got a text message from **Tom the Ringtailed Cat** and **Sweet Angelique the Cat** at 11:51 am this morning. They said to me, "Lord Rama, the solar flares continue at a massive pace. There are X Class and M Class flares going on. One of them might just be the one . . .

"Meanwhile, in the next 24 – 48 hours, the aurora borealis are going to be seen across 17 states across the United States. The ascension frequencies and symptoms are off the charts. The sun is very intense right now in certain parts of the United States. Remember to drink lots of water! ! ! And as you get a moment,

remember to STOP AND BREATHE! ! ! See you in the Light of the Most Radiant One.  
Sat Nam! Namaste! Blaze the Violet Fire.”

A grand reception to His Holiness the Dalai Lama has been given by all the whole community and the various religious faiths in Ladakh. We are happy to see him once again in good health. Welcome His Holiness the 14th Dalai Lama to our Ladakh

**Ships over Mt Fuji**

**2023-07-11 FROM LORD RAMA: This is a Being/Life-Form coming out of the Sun. It's many miles tall! They are part of the angelic/Archangelic realm which helps keep balance in the Universe. This is HUGE!!!!!!!!!!!!!! The time is now!**

**And visible above that being is the outline of a solar flare: looks like ½ a heart – maybe a full heart shape . . .**

**2023-07-12**

**Wednesday**

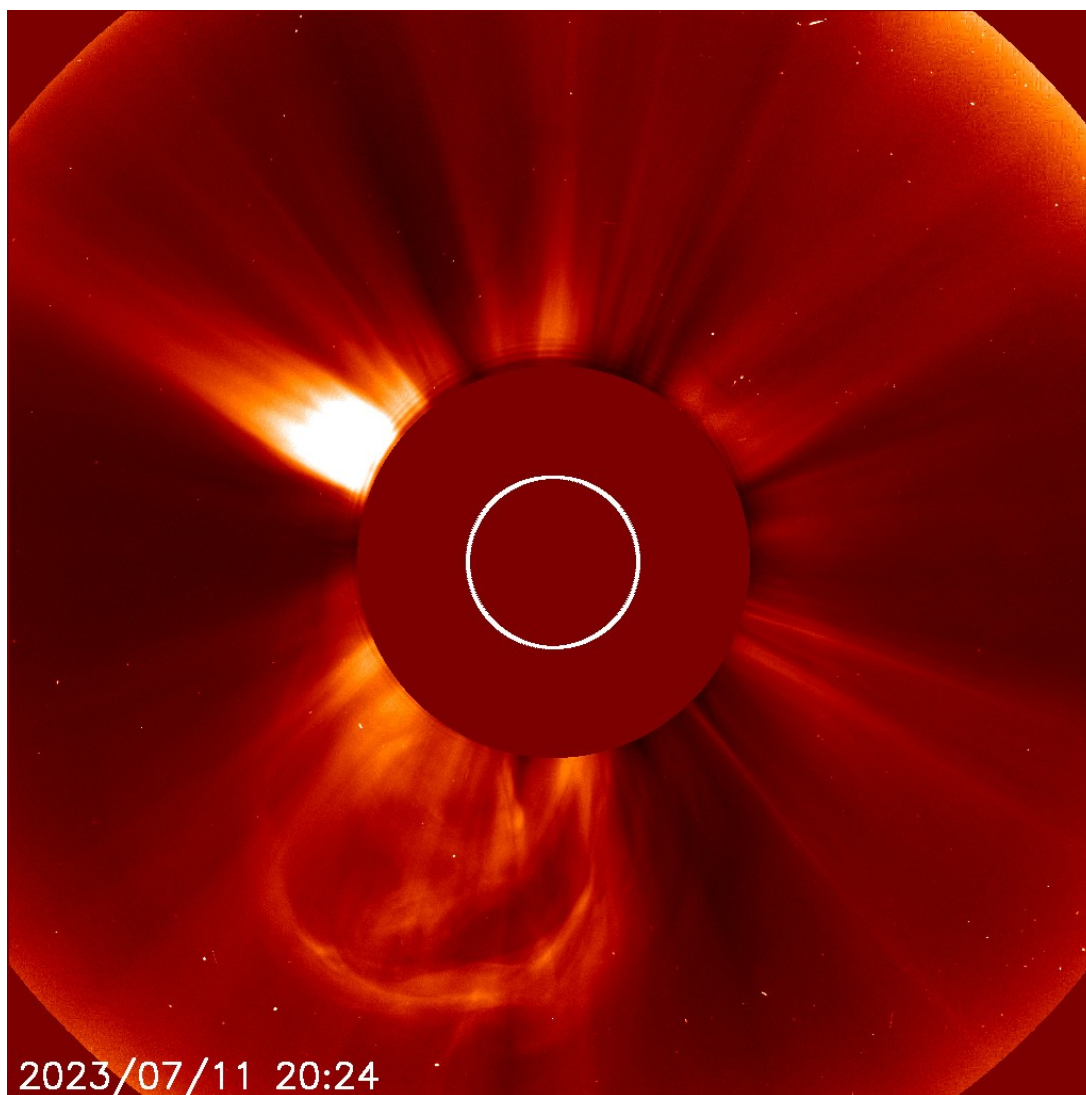

**Lady Nada**

**Rama:** I received a text message from **Lady Nada** at 12:15 pm, early this afternoon. She said to me, "Lord Rama, I am at the G 7 and it is a fiasco! ! ! President Joe Biden and President Zelenskyy are going back and forth about Ukraine joining NATO. President Zelenskyy is pushing everyone to join NATO. The United States is saying "Not so fast!" .

Lady Nada said, "Behind the scenes, Congress is getting sick and tired of sending weapons to Ukraine, as well as Israel. You will not hear this on any news network on the planet! We can tell you things are very close to happening. The old empires are shaking in their foundations. You cannot continue to pump out evil and expect no ramifications. The dark side is at their end!

"Please send more love! We are at a most critical time. All we are saying is give peace a chance. [See you in the Light of the Most Radiant One. Sat Nam! Namaste! Blaze the Violet Fire."](#)

**2023-07-11 FROM LORD RAMA: This is a mass coronal ejection!!  
It is the huge semi-circle moving out from the center and visible just above the numbers 20:24.  
The bright light showing above it is another solar flare.**

**Thursday**

**Darby O'Dell**

**Rama:** I received a text message from our Irish White Knight friend, Darby O'Dell, at 12:31 pm, early this afternoon. He said to me, "Greetings, Lord Rama! It is a fine day in July, and it is a hot one! The energies continue to stay way high. There was an M 2.0 Class Solar Flare in the last little while, and it was very intense!

"What is coming about is the transfiguration of Heaven on Earth. The light of 10 trillion suns is pouring in right now! Our galactic family and all the magic realms are helping to bring this into physical manifestation.

"As you have noticed, the news at the present time is one giant X File, and the dark side knows their time is up! Whatever you do, don't get in the mix! With these big solar flares, tempers tend to go off the charts! It is better to wage peace rather than war! Remember: we are in the critical juncture where it is all about to change!

"I'm off to tend my garden; the peas are getting high, and the corn is getting quite ready."

At this point, I asked Darby "How old are you?" With a chuckle, he said, "I'm older than Gandalf, and I've been around for a while! I'm here to stay for the duration, meaning for earth's ascension.

"See you in the Light of the Most Radiant One. Sat Nam! Namaste! Blaze the Violet Fire. May peace prevail on Earth."

## **DISCUSSION FOLLOWING THE READING OF THE W.K. REPORT**

**RGM:** his long presentation . . . (Listen to it! ! !)

**R:** yes, emotions help give form to what one is thinking ...  
we live in the realm of effects;

**COR:** knows that portals open in front of him . . .

**R:** what is happening is affecting the 12-14 planets of the Milky Way Galaxy; also happening to all the planets in all the other systems too

- In meditation or silence, talk to the various planets and suns – they will listen and answer
- Re: all the legends etc – the figures in those stories are real / were real

**COR:** the energies are such that it would be easy for us to get angry at someone who might be reminding us of a past life and a past event

**R: the entire Giza plateau is getting an upgrade!**

Egypt itself is still a fascist state

**COR:** What are the treasures under the Giza plateau?

**R:** whole cities are there – where

- they had a device called a ? pillar – could go into a pyramid a
- Tesla coils also opened up portals so communication was easy

**RGM:** the stuff we have now is just an updated version of past technologies

- The makeup we use: the idea came from Egypt in the past, when make-up was used to colour the face of the dead!

- The movie *Sound of Freedom* is not being seen in all countries across the planet! The versions on the net are not very good, technically speaking, but at least is one way to see what is happening

- About Tesla: the story is he died -

**R:** Yes: he is in inner earth and so is Mr Marconi – the deaths were faked!  
They will be back once it is safe.

**COR:** they won't have aged, as inner earth is higher energies

**R:** a hundred years of technology has been kept from us, as per Dr Greer!

**R:** Doesn't know if Reiner Fuellmich is a WK – but he is risking his life talking about what he is talking about!

- Will Smith in **I, Robot** – the creator of the androids was pushed out the window – and he has to help the android realize there's a new day

**COR:** what are solar flares – the X Class?

- Yes, as they go up in intensity – George Noory and the man who had a NDE- talks in one of the interviews that the sun sends out such a large solar flare so big it fries the grid !

**R:** Yes he foresaw this as A POSSIBLE future event

**R : and the Galactics are here to prevent that kind of thing from happening  
NOT A KILL SHOT! But an intense solar flare**

**RGM:** the galactics know how much this will help the other planets

RGM talked to Al Beilek before he died: when they did the experiments and found that they were harming all the planets beyond this one .. .

- the militarization of things - video games are about de-sensitizing the youth
- the galactics will take the ones who know nothing better than what they were raised with, and work with them
- there will be as many guides necessary as will help heal people on this planet

[Jordan B. Peterson](#)

Jul 3, 2023 [The Dr. Jordan B. Peterson Podcast](#)

Dr. Jordan B. Peterson discusses the new film "Sound of Freedom," with star Jim Caviezel and real life inspiration Tim Ballard. The film details Ballard's work as a Special Agent to fight against sex trafficking and the child sex trade. **They go into depth on the psychology of pedophilia, the nature of good and evil, and how a steady faith in God has guided all three.**

Tim Ballard is the founder and CEO of Operation Underground Railroad (O.U.R.), which locates and rescues endangered children victimized by sex trafficking rings. Previously, he accrued a decade of experience as a Special Agent in the Dept. of Homeland Security, working as an undercover op for the U.S. Child Sex Tourism Jump Team.

Jim Caviezel is a prominent American actor and household name in no small part for his portrayal of Jesus Christ in "The Passion of the Christ" (sequel coming in 2024). He has had a decades long career both on and off screen, and is an advocate for faith in the modern world. Dr. Peterson's extensive catalog is available now on DailyWire+: <https://bit.ly/3KrWbS8>

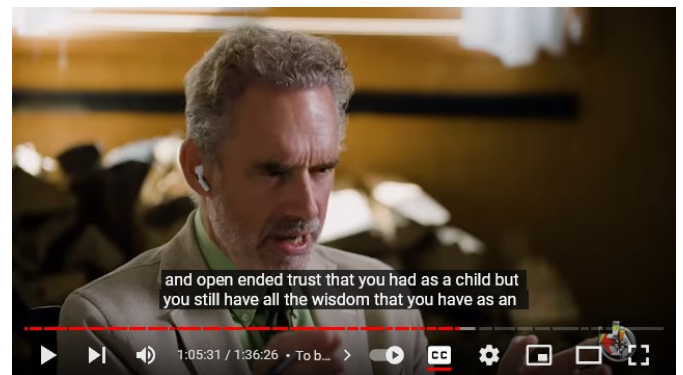

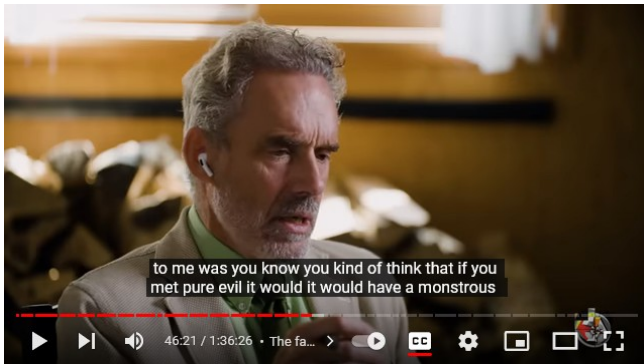

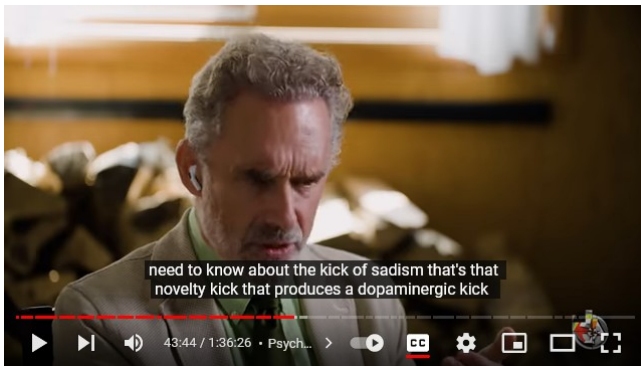

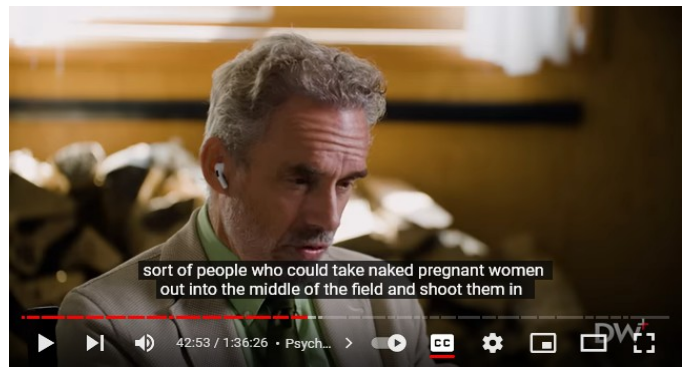

Peterson telling the story of Cain and Abel in the Old Testament as part of the background involved when people turn to pedophilia - in essence people are born with this inclination to darkness and have to fight it constantly

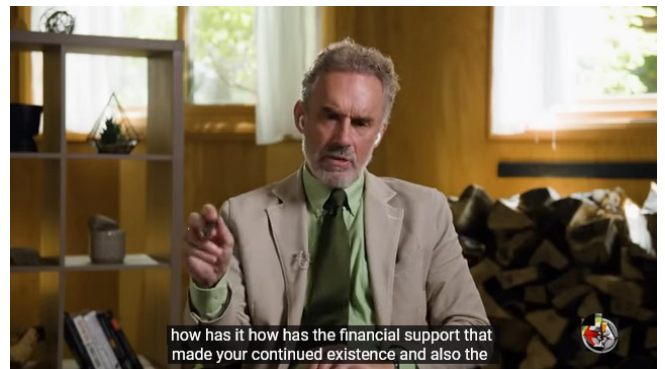

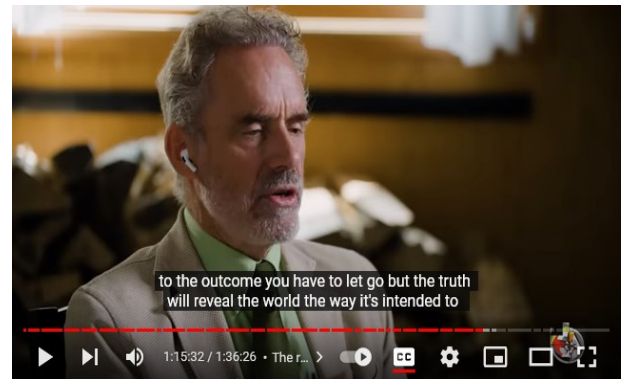

Peterson is discussing what motivates people to turn to pedophilia and other kinds of violent actions against innocent people

## *Walking the Red Road*

"This is the hardest time to live, but it is also the greatest honor to be alive now, and to be allowed to see this time.

There is no other time like now.

We should be thankful, for creation did not make weak spirits to live during this time.

The old ones say 'this is the time when the strongest spirits will live through and those who are empty shells, those who have lost the connection will not survive!'

We have become masters of survival - we will survive - it is our prophecy to do so."

"Humanity must shift from living 'on' the earth, to living with her."

~ Tiokasin Ghosthorse

*Chief Tatanaka*

A black and white portrait of Chief Tatanaka, a Native American man wearing a large, feathered headdress. He is looking slightly to the left of the camera with a serious expression. The portrait is positioned in the bottom right corner of the poster, partially overlapping the text.
