Rama: I Went and sat with 14 deer and 9 crows and the Caretaker of the I AM Sanctuary, at Santa Fe, New Mexico, at 11:29 am this morning. The Caretaker said to me, "Lord Rama, We are in a very precarious time right now, and we are in the most transformative time, as well. I can tell you that the Decrees that Momma and Daddy Ballard gave at the time were tremendously effective in overcoming the darkness in World War II and we are surely in that time right now!

"As we would all come together and meditate for just 4 minutes a day, and Lord Kryon of Magnetic Service knows what he's talking about as he says this!" Then the Caretaker said to me, "You remember the Beatles, Rama – right?" I said, "Yes I know they went on to study with His Holiness Mahrishi Mehesh Yogi."

The Caretaker responded, "The time is now that we, with the Quantum Field, can stop this darkness. The time is now; we have all the knowledge and wisdom we need."

All we are saying is 'give peace a chance.' Sat Nam! Namaste! Blaze the Violet Fire!

5 deer and 3 crows; Chun Lee

Rama: I went up the mountain almost to the top just before the Ski Valley. There, I set up a Jedi Council. First I was joined by the 5 deer and 3 crows. It was 11:30 am, late this morning. They said to me, "Lord Rama, we know you feel the sadness of any violence going on anywhere and anytime on Earth Mother at this time. We ask you to blaze the Violet Fire and use the Emerald Green Ray of Healing and rejuvenation of everyone on earth.

Then Chun Lee suddenly appeared in the Jedi Circle. She said to me, "Greetings, Lord Rama. The sun is bringing the upgrade we now need. There have been big solar flares going on in the last couple of days. This is increasing the ascension energies. There are stories and legends about the ancient dragons returning!"

Chun Lee went on: "Lord Rama, I have seen your friend, Ruth the White Dragon. She has been seen over the South China Sea; she is making her presence known to let the people know that all the elementals are here. Please place the Middle East and all these areas in the

**Rama:** I sat with **7 deer and 4 crows** this morning, at 11:30 am. They said to me, "Lord Rama, stay in the Oneness. The energies are extremely, extremely high! ! ! No matter what's going on, stay in the center of the circle."

Then, I received a text message from **Tom the Ring-tailed Cat and Sweet Angelique the Cat**, at 11:45 am, late this morning. They said to me, "Lord Rama, we were at Stonehenge for sunrise – again! The portals are opening with this new moon coming up here, on Saturday. Everything that is going on is lifting us higher! Even though we are going through the shadow of Mordor, the Light of 10 Trillion Suns is also pouring in! This may sound strange to you, Lord Rama, yet everyone's 12 strands of DNA are being fully activated, whether they know it or not! This is what Patti Cota-Robles talks about.

"We are the creator Sons and Daughters of the Most High; as we think with our hearts, the answers are forth-coming. Accountability is on the table; as we join in groups and meditate for 4 minutes, as Kryon has asked us to do, we can change energies, space, time, and matter. We are directly connected to the Quantum Field. As we ask with our heart, the answers will show up. We are the ones we have been waiting for. [Sat Nam! Namaste! Blaze the Violet Fire!](#)"

Wednesday

8 deer and 9 crows; Lady Nada

**Rama:** I drove up the road of a smaller mountain, a little on the outskirts of Santa Fe, at 11:30 am, mid morning. I parked off the road and had barely stepped into the forest, to be met by **8 deer and 9 crows**. They all said to me, "Lord Rama, the mornings lately are on the chilly side, even close to freezing." I sat with them quietly, for about 40 minutes.

Then I received a text from **Lady Nada** at 11:10 am, late this morning. She said to me, "Lord Rama, on Tuesday, Representative Rashida Tlieb got censured by the House of Eepresentatives for speaking her mind on the House floor. The vote was 234 to 188, with 22 Democrats joining the Republicans to censure her!"

Lady Nada continued: "Lord Rama, what is going on is ethnic cleansing in Gaza, and it is the United States AND Israel doing it, by agreement, together. What we need to do is focus on sending the emerald green ray and the violet ray into the heart of Gaza.

There have been huge solar flares again today. Thus, the ascension symptoms are, again, also extremely high! Stay in the High Heart. Remain in unconditional, Divine neutrality in all things! **Sat Nam! Namaste! Blaze the Violet Fire!**"

Rosa from Palestine

**Rama:** I received a text message from **Rosa From Palestine** at 11:15 am this morning. She said to me, "Lord Rama, I am in an undisclosed location under the Giza Plateau."

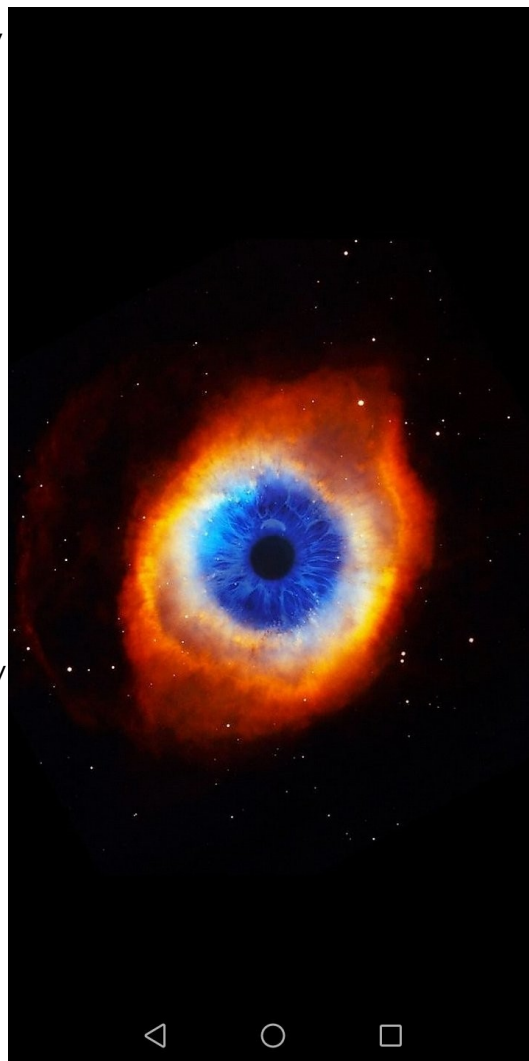

I asked Rosa: "Are you all right?"

She answered me by saying: "I am with a small group of tall Nordics, Pleiadians, Sirians and Andromedans, and we are helping the people of Gaza from the etheric-physical in whatever way we can. We occasionally take 3 star ships to Gaza from this Light City here under the Giza Plateau to rescue the people there.

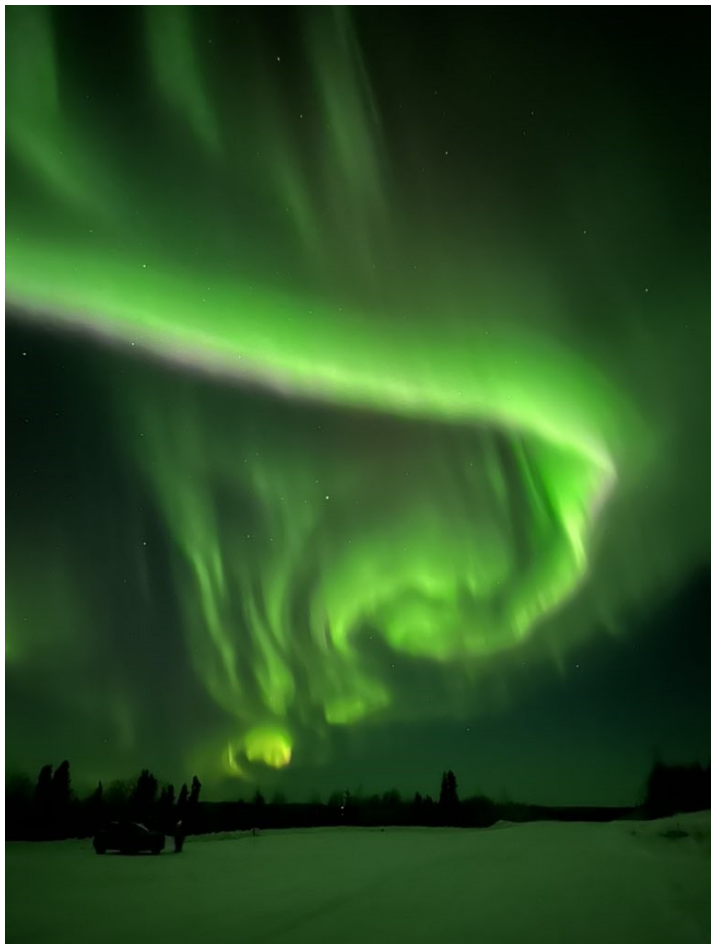

Once we beam them onto the 3 star ships, we take them to the sick bays, where there are medical doctors, nurses, and ship technology android assistants who use advanced light technologies to quickly diagnose and heal their injuries, as well as their trauma.

Then we beam them up to the larger Mother Ships traveling in orbit outside the gravitational field of earth. They are safe there and are in a learning environment about Life in Star Fleet Academy: Class is now in session!

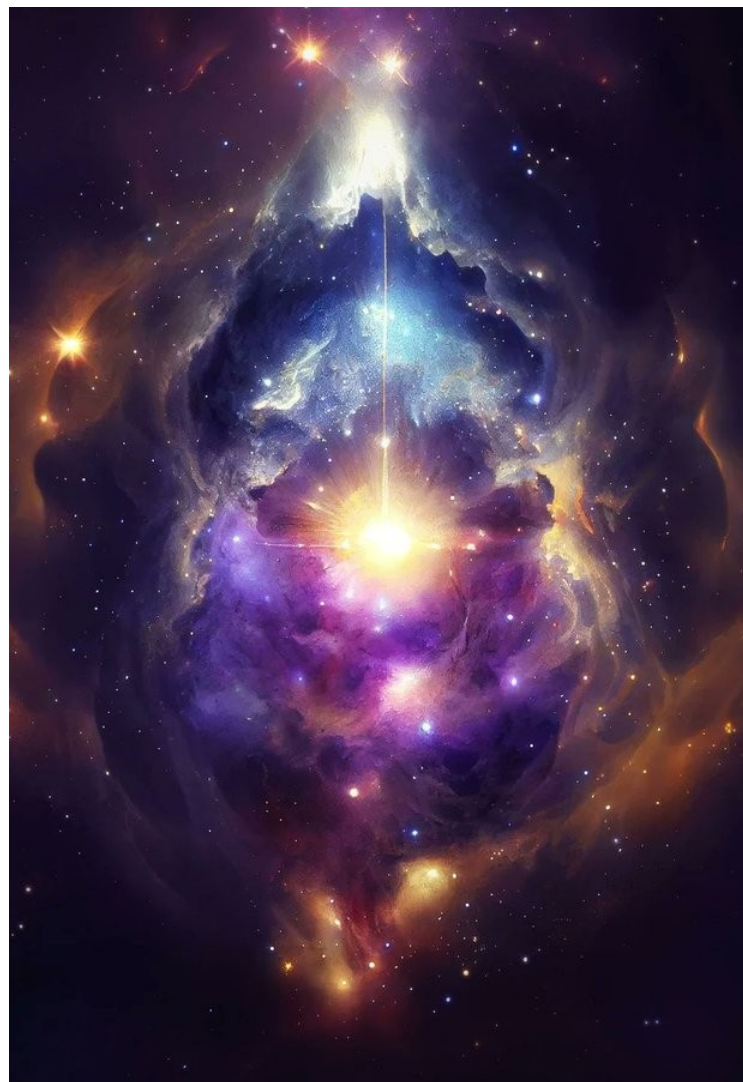

Finally, they will be returned home when it is safe, with a gift of more knowledge and wisdom than they ever thought possible. Place all of this in the Circle of Support, and **Blaze the Violet Fire! Sat Nam! Namaste!**"

As the death toll from Israel's relentless assault on Gaza tops 10,000 and millions around the world march in the streets for a ceasefire, the U.S. House of Representatives on Tuesday voted to censure the only Palestinian American in Congress. By a vote of 234 to 188, lawmakers officially rebuked Congressmember Rashida Tlaib for her criticism of Israel, including her defense of the slogan "from the river to the sea" as a Palestinian call for freedom and equality; 22 Democrats joined Republicans in the vote. "The cries of the Palestinian and Israeli children sound no different to me," Tlaib said in an emotional speech before the vote. "What I don't understand is why the cries of Palestinians sound different to you all."

**AMY GOODMAN:** This is *Democracy Now!*, [democracynow.org](http://democracynow.org). I'm Amy Goodman, with Juan González.

On Tuesday, the House of Representatives voted to censure Democratic Congressmember Rashida Tlaib, the only Palestinian American in Congress, for her criticism of Israel. The vote was 234 to 188, with 22 Democrats joining Republicans to censure Tlaib. Prior to the vote, the congresswoman spoke from the House floor.

**REP. RASHIDA TLAIB:** I'm the only Palestinian American serving in Congress, Mr. Chair, and my perspective is needed here now more than ever. I will not be silent, and I will not let you distort my words. Folks forget I'm from the city of Detroit, the most beautiful, Blackest city in the country, where I learned to speak truth to power even if my voice shakes.

Trying to bully or censor me won't work, because this movement for a ceasefire is much bigger than one person. It's growing every single day. There are millions of people across our country who oppose Netanyahu's extremism and are done watching our government support collective punishment and the use of white phosphorus bombs that melt flesh to the bone. They are done watching our government, Mr. Chair, supporting cutting off food, water, electricity and medical care to millions of people with nowhere to go. Like me, Mr. Chair, they don't believe the answer to war crimes is more war crimes. The refusal of Congress and the administration to acknowledge Palestinian lives is chipping away at my soul. Over 10,000 Palestinians have been killed. Majority — majority were children.

But let me be clear: My criticism has always been of the Israeli government and Netanyahu's actions. It is important to separate people and governments, Mr. Chair. No government is beyond criticism. The idea that criticizing the government of Israel is antisemitic sets a very dangerous precedent, and it's being used to silence diverse voices speaking up for human rights across our nation.

Do you realize what it's like, Mr. Chair, for the people outside the chamber right now listening in agony to their own government dehumanizing them, to hear the president of the United States we helped elect dispute death tolls as we see video after video of dead children and parents under rubble? Mr. Chair, do you know what it's like to fear rising hate crimes, to know how Islamophobia and antisemitism makes us all less safe, and worry that your own child might suffer the horrors that 6-year-old Wadea did in Illinois? I can't believe I have to say this, but Palestinian people are not disposable.

**AMY GOODMAN:** As Congressmember Rashida Tlaib composed herself, her sister congresswoman, Ilhan Omar, put her hand on her shoulder, the only other Muslim woman in Congress.

**REP. RASHIDA TLAIB:** We are human beings, just like anyone else. My *sity*, my grandmother, like all Palestinians, just wants to live her life with freedom and human dignity we all deserve. Speaking up to save lives, Mr. Chair, no matter faith, no matter ethnicity, should not be controversial in this chamber. The cries of the Palestinian and Israeli children sound no different to me. Why — what I don't understand is why the cries of Palestinians sound different to you all.

We cannot lose our shared humanity, Mr. Chair. I hear the voices of advocates in Israel, in Palestine, across America and around the world for peace. I am inspired by the courageous, the courageous survivors in Israel, who have lost loved ones, yet are calling for a ceasefire and the end to violence. I am grateful to the people in the streets for the peace movement, with countless Jewish Americans across the country standing up and lovingly saying, "Not in our name."

We will continue to call for a ceasefire, Mr. Chair, for the immediate delivery of critical humanitarian aid to Gaza, for the release of all hostages and those arbitrarily detained, and for every American to come home. We will continue to work for a real lasting peace that upholds human rights and dignity of all people and centers a peaceful coexistence between Israelis and Palestinians, and censures no one — no one — and ensures that no person, no child has to suffer or live in fear of violence.

Seventy-one percent of Michigan Democrats support a ceasefire. So you can try to censure me, but you can't silence their voices. I urge my colleagues to join with the majority of Americans and support a ceasefire now to save as many lives as possible. President Biden must listen to and represent all of us, not just some of us. I urge the president to have the courage to call for a ceasefire and the end of killings. Thank you, and I yield.

**AMY GOODMAN:** That's Detroit Congress member Rashida Tlaib, the only Palestinian American, speaking on the House floor before the House voted to censure her for her criticism of Israel.
