ENERGY UPDATES

O: It's wonderful to work with our Higher Self: most of us forget we have one! It comes from a higher spiritual realm; knowing what essence they are – often the opposite gender – helps us to know more about ourselves. When we ask the Universe for something from our Higher Self and for the Higher Good, it has to be given to us – it's the natural law!

- Thinks the energies are more on an even keel – beginning to flow more evenly – thinks the toughest has been transmuted – and she constantly helps to bless everything as that helps the process !

T: brings up the picture of the huge ship and the 5 scout ships [SEE P. 7] – even to have such a photo from Victoria Liljenquist – when R & T stayed with her, they saw a huge ship overhead – uses a camcorder on night vision during the day makes the pictures very very clear! The photo she took for the opening of the 1992 Olympics when a starship showed up to view the opening ceremonies – we can understand the presence of our galactic friends.

COR: The ship sighting of Victoria’s was so remarkable because she was told ahead that it would be there! It can be seen on her website **Victoria Liljenquist - website** <https://victoriaslight.com>

- In the past it was a subject of derision at the time; not so much any more thanks to the changes in society and what people watch on tv and in movies – and there’s an agenda under the surface which is so earth-changing – also feels the energies are evening out tho’ still feeling tired – very powerful – and there is a lift to them – some very powerful to them. We were told this would happen
- The Jupiter / Neptune conjunction will help us a lot, as per John Fife, Vedic Astrology and our guest
- Finds it difficult to have quiet times given what is happening . . .
- Also to Omena: a brilliant meditation – felt a hand on her head at the time . . .

T: Tom the Cat told Rama that the energies are higher today – and she thinks we’ve become adapted to the energies and are more able to take them in . . . and beginning to feel the calmness, peacefulness

MG: Spring is in the air – time for spring cleaning – meaning the house within and without – have a sauna, go out in nature etc etc – helping ourselves helps others . . .

RGM: has put stuff out for his fairy; looks after his squirrel too . . .

- We are adjusting to the energies 24/7 – our bodies are adjusting all the time – eat food; drink water; don’t eat – the biggest rule of Nature is There is no Time . . .
- Our animals are always giving us messages – how they look at you; which paw touches you;
- Lots of stuff going on behind the scene: in Ontario, trying to pass a bill that says if you protest about anything, they can take your assets, your bank account and so on – so send them love because they can’t stand it – they want fear so they get ‘loosh’ – not giving up because they know what is happening

R: hopes the BBQ sauce has a smokey flavour

T: could they get passed what he describes

RGM: there are court cases going on – and there is so much chatter . . . he uses 2-3 search engines and checks to see if they all saw the things – if there is collaboration, you know you are seeing something real

- If you can’t sleep, sleep when you can -

T: When he spoke of the possibility of a law – brings up the Constitution of the US which has a spiritual background: such a law would not be considered! Canada is under the British Crown -

- Talks of living in Vancouver, BC – most liberal, most multi-racial which is unlike the US -

RGM: Truckers were right – Judge says – Wilson is also the lawyer for Brian Peckford who is suing the gov’t

T: THAT WAS A MOUTHFUL!

RGM: Trudeau recently sold the mRNA covid vaccine in a \$500 MILLION – sold it to

- he was the actual owner of the company so he made the \$500 MILLION
- HE ALSO LICENSED THIS TO PFIZER – DEAL over \$100 billion – it’s HIS! ! !

T: talk about evil !

RGM: Mother will have fire started when she picks up all of them

- Hawaii is under the British crown too -

COR: the whole of the US is under the East India Tea Company – really East India Opium Company

T: still under a corporation

- the face of the ugliness is coming out!

- Ref to documents sent to them:
 - one about Ukraine – the oligarchs are being targeted
 - Oligarchs are having their assets frozen -
 - Even when the media is controlled: can hear in some reporters/journalists voices what they feel as opposed to what they say
- The ability of these ones to challenge us is brazen!
- Yet the people are waking up and saying NO!
- Brings up article called Invasion of Unkraine (Putin’s Bosses) – which gets to the Kardashians

R: lately, most of those he talks to have feathers, fur, etc etc etc – **the desolation of abominations is being laid out for us to see**

- the rich ones have no care for the people’s needs, wants or wishes!
- when you use your money, power, esteem to push the old world agenda, the energies will bite you in the butt! ! !
- The stories about all the mafias – all part of how this entire story gets exposed – 13,000 years ago and the break between the elohim who fell to the elohim
- all the 9 realms are here to let us know the stories are real, and focus on compassion and Divine Love for the most heinous of criminals

T: the Kardashians are cannibals, and especially children and boys

R: the folks who write the articles in order to expose things - gets wild!

COR: what does he make of these energies – are the energies what we are feeling? Is it from the sun . . .

R: has been experiencing all of it every day – talks to living beings which are not human because he doesn’t want to get into what humans are involved in

- every day he sees the pulses of light waves going out across the galaxy
 - they lift things up and upset the Dark – and reveal how twisted life in the 3D realm is

O: she is chatting with her higher beings

- asking about Lord Cromwell - she’s talking about the historical one: a violent leader . . .
- She knows who he is NOW! The person now is in a leadership position: still the same kind of person with a love for power and cruelty – send energies to Cromwell and it will get to the modern one -
- She doesn’t have to name him now: we’ll find out in time: – send out the healing energy and put the wall of Light to transmute that negative wall of energy out into the universe
- When Cromwell was alive, he came up with penal laws and it was limited because of where he was
- **Today there are no limits so can be more destructive: our energy has to be purer, more forceful, stronger if we want peace on earth – KEEP THAT IN MIND! ! !**

The fact that inner peace is the principal characteristic of happiness, explains the paradox that while we can all think of people who remain dissatisfied, despite

Rosa From Palestine

I received a call from **Rosa From Palestine** at 12:30 pm, early this afternoon. She said to me, "Lord Rama, I am in Gaza and here, the IDF continues to kill Palestinian people indiscriminately, including children. Please place all of this in the Circle of Support.

"The story about Ukraine is a huge story; Ukraine has always been part of Mother Russia. There's a vast network of underground tunnels that go under all of Ukraine, and from there, they connect to the Inner Earth tunnels that go all around Mother Gaia. Also, there are many portals in these underground tunnels under Ukraine that connect to the Inner Earth Cities of Light in the Agartha Network and these same portals connect to other planets and star systems of our Milky Way Galaxy, as well. The Dark Side is at their end; pay no attention to the talking puppets of the Deep State, the Lame Stream Media.

Saturday

David Barsimmeon & his Radio Guest

All I heard today was David Barsimmeon talking with Zuby Wilson, an old hippie DJ in Santa Fe who stands on the corner of Cerrillos & St Francis, and has a sign up that says STOP THE WAR IN UKRAINE. They were talking about how this is NOT Putin or Russia! It IS about the United States and its Deep State who are broke and need money. So what a way to get money but starting a war and blaming it on Putin, and taking United States tax dollars, pocketing some, and spending the rest on killing humans for profit.

Put it all in the Circle of Support and Blaze the Violet Fire. Sat Nam! Namaste! All we are saying is 'Give peace a chance. Aloha!'

Plasma Field

I went and sat in the Plasma Field today; it was 12:10 pm this afternoon. The Plasma Field showed me the sun and how it is sending out pulses of light waves across the solar system to Super Galactic Center. Another way to say this is this is culminating with a solar flash that goes all the way to Galactic Center. This is happening now.

The media on Planet Earth are compromised. Stay in your High Heart as we approach Resurrection Day. Focus on sending Peace and Love to all the troubled places on the planet. We are in our final moments. Sat Nam. Namaste. Blaze the Violet Fire.

Lady Master Nada

I received a text message from Lady Master Nada at 11:35 am, late this morning. She said to me, "Lord Rama, Sergey Lavrov is right: this is all a staged event in Ukraine. The Deep State actors are pushing this abomination of desolation as far as it can go, ie, dead bodies waving arms at passing vehicles.

"All the portals are open; our galactic brothers and sisters are here. **The Dark Side IS OVER! RUSSIA IS NOT THE ENEMY! The Empire called Uncle Sam IS THE ENEMY!**

Wednesday

From Mother

Rama: We are at the end of this great cycle, along with the whole of heaven. The Time is NOW to stop all war. We are moving into a period where we are going to see our sun, Sol, transform, transfigure into the higher octave of Helios and Vesta – meaning, the sun behind the sun! And thus, Helios and Vesta take up their new post, merged with Alcyone, the Great Central Sun.

With all of this cosmic energy going on, stay in the High Heart. The 5th dimension is here. **Use the Force.** You will see me, Mother Goddess. Sat Nam. Namaste. Blaze the Violet Fire!

Thursday

Snowflake Beings; Tom the Cat

Rama: I went to the top of the mountain today, and then I walked higher to a special portal where the climate is much warmer than the area around it. There, the Snowflake Beings showed up, and almost simultaneously, Tom the Ring-Tailed Cat called me on my cell phone.

They all said to me: "Lord Rama, this is the most intense energies ever! Our sun, Sol, is continually pulsing light waves across the galaxy. The Oligarchs with their empires are made of sand and they continue to crumble.

"As we approach April 12th, Jupiter conjuncts Neptune which is a once-in-a-lifetime conjunction! Jupiter is the planet of expansion and opportunity; Neptune is the planet of intuition and dreams. Jupiter and Neptune align on a regular basis, every 12 years, yet this year Jupiter and Neptune conjunct or align together in Pisces, and the last time they aligned together in Pisces was 165 years ago."

With this conjunction, Tom the Cat said: "We all will be tested to stay in our high heart and send Love and Compassion to all the troubled souls who are choosing money, power, control, war and destruction over Love, Truth, Peace, Freedom, Justice and Beauty for all it can be.

"See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Flame! Indeed, there is enough money, time, love and air to breathe for all!"

2022-04-04 PHOTO OF SHIPS

Sent by Victoria Liljenquist - website <https://victoriaslight.com>.
She has known Tara and Rama for a long time, and now lives in Sedona

There are only 6 ships in this photo: the large craft is the mother ship; the others are scout ships . . . the kind that look like they could land in your/my yard ! ! !

COR: a doc from Global Research – after June 30th, the EU council will enforce the QR code

- won't have freedom in the EU without the QR code – will this flow forward to the rest of the world? Have his contacts said anything? No cash! Digitize everything – etc

R: this is part of the stories connected with the 2030 agenda and connected to the Dark Side and the idea of an army of transhumanists – they think they will know everything –

- they ARE creating this stuff **BUT it will be neutralized because the electronics in them will not support this**
- they are desperately trying to shut folks like us up, as well as others – and they can't shut us all up as there are too many of us – as more and more of us say no, it all falls apart!

T: brings up the reference to the **razor sharp pieces in the vaccine** – the Collective saying that this will be being transmuted – **COR:** is still getting this message !

- people who decided to stay, will stay; LISTEN TO ALL COR SPEAKS ABOUT !!!
- THE people who took the jab got a highly concentrated version: when there are mass landings, people will be helped . . .

PCC: about the help we are getting: brings up the article called Putin's bosses – he's an angel among us - read the material and see how he is advancing through the theater in spite of the kind of people he has to deal with – one of these days, he's going to burst through! !! Her respect for him has grown as a result of the reading she has been doing

COR: a beautiful point about Putin – and there are also people we don't know and don't hear about them

PCC: People in gov't at local levels being villified – and there are so many who just do their work and are honest and fair –

- in the current situation where all of gov't is unworthy, these ones are ignored – the whole way we look at the world has been perverted . . .
- and what Trudeau is does not help -

R: the vote for Judge Johnson is in – she got the position by 6 votes! ! ! [53-47]

- one who voted for her is Mitt Romney
- Mitt Romney is right in the middle of the story about the oligarchs and the Khazarians and the tribes; He is of the Tribe of Dan – there were 13 tribes of Isrealites, and connected to the ancient story of Sumeria and ultimately directly connected to the ETs

T: all of us were on this path before we all met – we knew what we were doing before we incarnated and met each other

Brings up story of Julian Assange –

2022-04-04 **Julian Assange's Lawyer Reveals New Information On What Is Happening to Him in Prison And It's Shocking** **SEE BELOW**

COR: are they accusing Assange of absconding with funds???

T: reads the rest

O: thinking that absconding means stealing it . . . it has to do with against the law

PCC: gives the meaning of Abscond from the Pocket Oxford Dictionary

T: thinks the British Crown doesn't want him to have any contact with the public or to be free! ! !

Snowden knows, and Chelsea Manning – all know too much
Snowdwn is alive thanks to Putin

R: Native America Calling – 11-12 daily, non NPR

- discussing how Mr Francis trying to say he's sorry to the Canadian and American indigenous people for the children being killed and buried
- someone called in to say **Mr Francis is guilty of the same things in South America and NO ONE BRINGS THIS UP!!! raping, killing, child trafficker**

T: and he was absolving those who committed those crimes!

R: the people in Canada were saying Not Enough!

T: Assange: more of the article - has been living . . the person who published the crimes is in jail; those who committed the crimes are free! ! !

COR: back to what Rosa From Palestine said: the tunnels underground go to Russia from Ukraine, and the rest of the planet

R: not a coincidence that these things are happening – has to do with the organization by the Celestials who are part of the Spiritual Hierarchy – and as we move into the time that has been talked of for eons and we have Sat Yuga – we are living through the dregs of the past yuga

- what he is seeing is the propaganda about the colour of people's skin – anything other than white is a problem . . . [in some people's minds!]

R: the oligarchs in the US are continuing the fiasco of separating the mind from the heart

T: Keshe has been talking about this: don't have to dig in the earth – can precipitate minerals via your own consciousness

Caller: thanks for discussion

- back to Ukraine / Russia – explore Khazarian side again – the Khazars came out of what is Ukraine – and it also seems like Israel is pretty quiet at this moment

R: Israel has not been quiet – has been killing Palestinians and not being noticed so much

- and in Ukraine, it's the US doing the killing via the UK army – and Zelensky is demanding more and more arms

COR: asks about the nazis

PCC: adds the point about the Azov Battalion having been integrated with the entire Ukrainian Army

R: ? is still part of the story

T: talk about the Russian oligarchy

- this has been planned since the 40s – speaks of how Drumpf was created from the sperm of Hitler and ?? planning to make a world Fascist State for money, and control over the planet

PCC: about cousin in Manitoba – sent her a packet of information about the C episode; she called in great excitement about FINALLY having a framework to fit in everything she has been observing and thinking - .she was 'over the moon' ! ! ! . .

O: she's been listening, hears what's resonating and what's not

- we have a job to do and we're doing it
- When we put it out for the Higher Good, can't go wrong! ! !
- asking folks to send questions to her – e-mail omenacenter777@gmail.com
- she is the host in 2 weeks.

COR: wants to back up what Randy said about cats – having cats calling under the window of her friend's house

- Honey in the milk is for the fairies ! ! !

Caller: to share about what she'd learned the other day – that Hitler is a Khazarian Jew

T: the Khazarian jews are not real Jews – not ethnically Jews – identify with the religiosity of the ethnically semitic jews are the Palestinians – **the true jews are being removed !**

Caller: does no one discuss this?

The Kharzarian only refers to the religious side of the story, not the real ethnicity

MG: their true religion is satanism and they are the ones behind the organized ritual stuff

COR: the average person knows nothing of this . . .

T: there is a sector in Judaism that believes in Jesus Christ; on the whole, however, they don't

- it's interesting: Jesus was a Palestinian – [being completely denied by the white faction – the christian church]
- the Khazarian only refers to the religious belief system – not by DNA
- the Israelis are killing with no justice for what they are doing – to date, at any rate!

R: the story about Kurdistan is more accurate – not the one about being based in Ukraine

T: more to be discussed

the only white in Egypt was Queen TiHi – rest were coffee coloured; was the Mother of Ahknoten

2022-04-07 **INTRODUCTION TO THE MUSIC SELECTION TONIGHT**

Lately, we've all been a tad gloomy – or, as Ashtar says: 'down in the dumpies'. And it has to do primarily with 2 things – at least! - the news from around the world, and our interaction with our own Ascension symptoms!

SO – I decided yesterday – thanks to quite a brilliant e-mail I received – to do something about this gray cloud which is over-laying things and cutting off the sunshine!

Today, I am combining the music choice with a contest – which is open to everyone!

Be fore-warned: I will be Simon the Judge of the outcome – though I DO have to figure out how to use a golden buzzer on radio – around the world – but that's a mere detail! ! !

This contest challenges all of you to create out of your ascension symptoms, the funniest description possible: your own symptoms, by the way – not someone else's ! ! !

And, like the English teacher I used to be, I am providing an example for inspiration and some possible 'how tos' via the music selection.

I already have one description which made my sides hurt when I read it, so the competition will be tough! ! I may even have to consider consolation prizes just for 'effort' . . .

The assignment is due in 2 weeks; the results will be read on air, along with one I am going to use as the measuring stick . . .

Don: MUSIC PLEASE! ! !

Nov 2, 2011 The Four Yorkshiremen Sketch

A Monty Python sketch from the TV show *At Last The 1948 Show* starring Tim Brooke-Taylor, John Cleese, Graham Chapman and Marty Feldman.

<https://www.youtube.com/watch?v=VKHFZBUTA4k>

NOTE: I received an e-mail on Friday, April 8th, seeking clarification about 'the contest': was this about our hard luck stories growing up?

This part of my response: "NO, it's NOT about your hard luck story growing up - it's about your ascension symptoms and how hard they have been and what they did to you. The skit about growing up and its exaggeration is just the example

"They moaned and groaned about their early life and about the fact that no one would believe them: all you have to do is talk about your ascension symptoms in such a way that they become funny - and ergo, easier to deal with! And I DO have a description from one of those on my list about what happened to her and I laughed so hard at her description that my sides hurt! - this is my measuring stick in terms of description and humour.

"And BTW: **she wrote me after the program** and, among other things, said that the skit had made her laugh so hard, she forgot about all her aches and pains - which is precisely what I hoped would happen for everyone: putting their own 'stuff' into a different perspective! And I believe in laughter . . . just in case you hadn't noticed!!!

"God only knows I understand this: I spent last weekend on the chesterfield almost afraid to get up lest I throw up . . ."

2022-04-04 **Julian Assange's Lawyer Reveals New Information On What Is Happening to Him in Prison And It's Shocking**

https://www.oom2.com/t79166-julian-assanges-lawyer-reveals-new-information-on-what-is-happening-to-him-in-prison-and-its-shocking?utm_medium=email&utm_source=feedburner

4 Apr 2022 Ryan DeLarme

By Mayukh Saha

The co-founder of WikiLeaks, Julian Assange, is to remain in prison even after his term ends due to his "history of absconding," as reported by a judge. He is "crumbling" psychologically and physically, as Chris Hedges reports.

Hedges attended Julian Assange's wedding to his partner Stella Moris at London's Belmarsh prison. Assange has been behind bars for nearly three years awaiting possible extradition to the United States on espionage charges for publishing documents revealing war crimes committed in the wars in Iraq and Afghanistan. Hedges says Assange exposed the "most important information" of this generation, along with NSA whistleblower Edward Snowden.

He was supposed to be released on September 22, 2019, after serving his sentence for breaching bail conditions. The Magistrate's Court in Westminster believed that he would abscond again on "substantial grounds."

He was arrested at the Ecuadorian Embassy, where he took refuge in 2012 to avoid extradition to Sweden over sexual assault allegations – which he has denied.

District Judge Vanessa Baraitser on Friday told Assange, who appeared by video link:

"You have been produced today because your sentence of imprisonment is about to come to an end. When that happens your remand status changes from a serving prisoner to a person facing extradition."

She said that his lawyer had declined to make an application for bail on his behalf, adding "perhaps not surprisingly in light of your history of absconding in these proceedings".

"In my view, I have substantial ground for believing if I release you, you will abscond again."

Aitor Martinez Tells Julian Assange's Story, Shared That His Life Was Being Destroyed In Prison

Julian Assange's lawyer, Aitor Martinez, came to the forefront and expressed his feelings and shared how Assange was doing in the prison.

He shared how Assange was being "tortured," as per some reports, and was living a "real nightmare."

<https://youtu.be/ZB04WZwHOSk>

The reporter from 60 *Minutes* Australia asked him if Julian would keep fighting in this condition or would he eventually give up, to which the lawyer replied, "No, he will keep fighting." Julian Assange has been suffering this persecution for 12 years and has the support of his entire team, to date.

The lawyer added:

"He has been living isolated for 12 years, without any rights.

What was the crime?

Publishing truthful information.

The US committed war crimes in Iraq and Afghanistan and it is the duty of the whole international community to prosecute those crimes.

The journalist that published those war crimes is in jail and the people who committed those crimes are not even under investigation."

This was "absolutely crazy" as stated by Aitor Martinez.

Julian Assange had asked for asylum from the Ecuadorian Embassy in 2012 and Ecuador dropped the news on the US and asked if there were any criminal actions against Julian. The US did not give a straightforward answer.

When Ecuador inquired to Australia if they would provide any diplomatic protection to its citizen, they simply denied it, according to Aitor. They denied it and added that "it was a domestic matter for the UK."

Julian Assange did not receive any help from the consulate nor did he have a passport, as his own had expired.
