Rama and Tara: R, T

Both: Greetings! HAPPY FULL MOON / BLUE MOON!
Thanks to Cheryl for calling in the highest good for all concerned

R: there are angels upon angels among us: our atmosphere is so full of ‘folks’!

T: the hurricane in the NE part of the US – take all precautions to keep all safe – talk of huge storm surge of about 5’ [“not in my back yard!” is the cry! Ed.]

- Phyllis Bennis is guest on **Counter Spin**
Why aren’t the Bushes and the Clintons etc in jail for 9/11 and crimes against humanity
- Program: Living on the Edge – talked of the towers going down and the Hutchison effect
 - Mr Hutchison made anti-gravity boots and went up ?
 - We have no idea of all that happened that day
- the 14 Billion was moved to somewhere – the Bush Clinton Crime family did it
 - There’s has a history that needs explaining

R: all the stories he’s heard today

- the US Empire has been laying the game called RISK -
 - not so good to play RISK and try to take over the planet – you meet the Eternals who say nope and you meet the Time Keepers too
- the sun going through its transformation
 - the message from Diane Robbins
Mykos from Porto Logos in the inner earth – there’s an entrance an and around the lagoons around the Sargasso See - under the water to the library there – he is talking about the climate disruptions

- R has known Diane Robbins since the end to the 60s -
 - they were saying Sananda Kumara, St Germain, Maitraya and others are showing up now
 - plus the Arcturians via Daniel Scranton – saying we're here: invite us in for a cup of tea
- Talks of Heather Ann Carter who ran for office several years ago – was on George Noory and talked about the galactics coming in, and the 30 days needed to clean things up

T: on the news, people severely criticizing Biden about Afghanistan

- the Taliban is the CIA / Deep State group
- they don't plan to save peoples' life, but something to cover up what is going on
- 3 weeks today is 9/11
- ISIL looks like it will attempt to attack the airport – the Americans, the translators for the Americans -

R: when this fiasco began after 9/11 – Army Afghan Massacre

- Gen Tommy Franks set up a system to force the Pashtuni people of Afghanistan and stuffed the people in 25 big trucks – close to 7000 in all – driven to the northern outback of Afghanistan – where there is nothing but ships and Sasquatch – the US soldiers dug big holes –
 - the people in the trucks were crying and screaming for water – the Northern Alliance passenger beside the military driver shot into the back of the trucks – some were killed, others wounded – the living drank the blood of the dead to survive
 - Later, on the site, put living and everyone from each of the trucks - the dead, not so dead put in holes – the military stood round the hole and shot into it until all were dead – then covered up the bodies
- yesterday – Amy is a hair's breadth to not being alive - it's why Michael Rattner is not here, and Julian is in Belmarsh Prison in SE London
- and a 13 year old boy – one of 20 young Palestinians in the disputed area between Israel and Palestine – others were shot and some injured; this one was killed.

T: we have to do this with consciousness and neutrality; if all we do is curse the darkness, it's time to STOP & get into the groove:

- to hold people accountable and come from the high heart – we are all teachers by our example – and teach only love

CrossTalk on RT on Friday: Ray McGovern exposed what Phyllis Bennis was talking of today

- Things will get more intense in the next 3 weeks
- There are the conservative shows and ones like MSNBC – we cannot serve 2 masters – the whole system has been skewed for a small group of people to make up lies and do genocide
 - the bio medical system is full of lies - not how it works!
 - Doctors who teach the use of natural remedies can end up dead
- the pharmaceutical drugs are the killers

R: I G Farben – was created by the Nazis – 1937

- it was this group that shut down Marijuana as a medicine
- Marijuana was legal and taxes could be paid in Marijuana or hemp
 - and it was good weed [Rama!]
 - At the time, everyone was required to grow it – [the hemp was used for creating all kinds of things]

***Life is breathing in and out,
Sitting in silence then giving a shout.
If I only do one and neglect the other,
I lose my balance and am torn asunder.***

Hola Community!

What comes up for me this week is that you have to be able to live with yourself if you're going to live with anybody else, or want them to live with you! Just like you have to love yourself before anyone can love you, or you can really love anyone. These days with the Mercury-Mars conjunction in Virgo aspecting first Chiron, then Uranus, and soon Pluto and

Neptune, **it is a time for both critical analysis of our wounds and their healing that can follow.**

The trick with Virgo (as with all the signs) is that you don't want too much, and you don't want too little! You don't want to beat yourself up because you're all messed up, have all these wounds and imperfections and, and, and. But on the other hand, you don't want to have too little, "There's nothing wrong with me!" Somewhere in between, you come to, **"There are some issues and wounds/trauma that I have that need attention and loving care to not cause crisis in my life and the lives of others."** **Healthy self-evaluation saves the day!**

Healthy selves make for healthy communities and healthy societies and healthy planets! So let's do all that healing by the full Moon on Sunday, shall we? LOL!? And if you don't think you can do it by then, it's probably best to call in your spirit guides, angels, ET's, or other exalted spirit beings to help! **Especially on the day of the full Moon when la Luna is at the 30th degree of Aquarius!** How about that Sabian Symbol! Gotta love it!

Here at New Paradigm Astrology, we're doing our best to build an astrological society! I'm going back to gathering circles of people together to do astrology LIVE! **Join me in either [Ibiza](#) or [Dubai](#) this October!** If you can't get away, **our [New Paradigm School of Astrology](#) is buzzing on Telegram, with live Zoom meetings and more.** [Check it out](#), and I hope to connect with you!

After hitting the stop button and walking back to my micro-hut, I had more thoughts concerning the healing of the masculine. **What I can say is that just about all of us have a wounded masculine** after experiencing many lifetimes with wounded leaders, parents, and siblings. **However, each has been wounded in unique ways with individual responses to those wounds.**

In the video, it may have sounded like we should all chill out, stop taking, desiring, and wanting so much. But this is only one wound and one response. There's also the wound of "I don't deserve to get what I want, so why bother asking?" Or the wound of "I don't even know what I want because I always been told and never asked." The list can go on and on when it comes to desires, which ones, and our individual soul history. **You always have to look at the whole chart for the soul's evolutionary journey and Chiron's house, sign, and aspects.** You can learn all about astrology, your Chiron, chart, and more in the new [New Paradigm School of Astrology! Check it out!](#)

This week's songs have to include ["Let It Be!"](#) Whether it is mother Mary or the Brotherhood of Light, let's wake up to the help of Spirit Beings!

T: will not happen in the analytical sense – **will be through experience** – their being in locations, situations like the kind they created for humanity [that is the general approach]

Z: talks of Patti's whole style of delivery – it's a different way of speaking

- no nuts and bolts with details like Dracos, Saturn and so on

Love Without End – book by Glenda Green, a painter

For almost two thousand years devoted believers, mystics, innocents, and even non-believers have reported to have near-to-life, fully perceptual, visitations with Jesus Christ. In 1992 He appeared to Glenda Green and spoke with her daily for almost four months. The expressed purpose of their visit was to paint His portrait, but nothing in the history of her career as an artist or university professor had prepared her for the life transformation that was about to take place. During this time, they spoke...as friends do, of many wonderful things...both miraculous and practical. Nothing would ever be the same. Her penetrating report of this experience is sincere, unbiased, and free of religious contrivance. In many ways her perceptions provide a bridge to the new millennium. Never before has language or a state of consciousness been present to examine the nature of such a miraculous occurrence as well as to develop the profound

implications of it. Here is a brilliant glimpse of eternity, rich with practical applications to life. These messages are sparkling and direct with great contemporary relevance,

imparting in every way the impact of Divinity in communion with a thoughtful and well educated woman of our generation. Amazing answers are given to more than 300 penetrating questions.

- 4 is spiritual foundation – 8 is manifestation

RGM: 44 is the number of chocolate

- 44 in the animal cards is hummingbird, which represents joy

R: at a certain point the technology of the matrix which is not the matrix of God/Goddess/ All That Is, will be gone

Movie of **Matrix 4** is to come out in the fall – Neo will be back from his trip over the rainbow

Question to Rama: how long does it take for the mono-atomic gold to come in/reach the earth?

R: 8 minutes -

T: the infinity sign and the # of manifestation

- NESARA IS not about money – when we get together
- Richard Wolff is a Faction 3 White Knight; knows about NESARA and was part of creating it
- will have state banks – North Dakota has had one for a long time

Laurie McDonald returns to Gaia to speak more about her extraterrestrial contact experiences, which have prompted her work as a clinical hypnotherapist. She explains how through regression, her clients are able to recover their memories of alien abductions. She describes feeling alienated while growing up, both from the reaction to her mother's abduction experience while pregnant with Laurie, and her own questions about her origins. Connection to the ET groups who visit our planet has led her to teach others to describe and share their own memories.

INFORMATION RELATED TO THE NOTES

Bob Dylan Lyrics

"With God On Our Side"

Oh, my name—it ain't nothin'
My age—it means less
The country I come from
Is called the Midwest
I's taught and brought up there
The laws to abide
And that the land that I live in
Has God on its side

Oh, the history books tell it
They tell it so well
The cavalries charged
The Indians fell
The cavalries charged
The Indians died
Oh, the country was young
With God on its side

The Spanish-American
War had its day
And the Civil War too
Was soon laid away
And the names of the heroes
I's made to memorize
With guns in their hands
And God on their side

The First World War, boys
It came and it went
The reason for fighting
I never did get
But I learned to accept it
Accept it with pride
For you don't count the dead
When God's on your side

The Second World War
Came to an end
We forgave the Germans
And then we were friends
Though they murdered six million
In the ovens they fried
The Germans now too
Have God on their side

I've learned to hate the Russians
All through my whole life
If another war comes
It's them we must fight
To hate them and fear them
To run and to hide
And accept it all bravely
With God on my side

But now we got weapons
Of chemical dust
If fire them we're forced to
Then fire them we must
One push of the button
And a shot the world wide
And you never ask questions
When God's on your side

Through many dark hour
I've been thinkin' about this
That Jesus Christ
Was betrayed by a kiss
But I can't think for you
You'll have to decide
Whether Judas Iscariot
Had God on his side

So now as I'm leavin'
I'm weary as Hell
The confusion I'm feelin'
Ain't no tongue can tell
The words fill my head
And they fall to the floor
That if God's on our side
He'll stop the next war

I am keeping centered, grounded, and my Sun shields all around me, yet if you have any insight here, it would also be greatly appreciated. Thank you.

THE COLLECTIVE: We would say that for most people upon the Earth at this time, very little appears to have changed in the past month or so regarding the energetic flow upon the planet.

This is mainly due to the fact that humanity tends to process life in terms of outer appearances—how you and your loved ones feel physically, what you see on your many screens each day, how your work day flows (those who are working now), and how your outer world appears.

So that for some, very little appears changed.

And yet, *everything* has changed.

The bombardments of dense energy are the release of the old matrix, by which we mean, a disturbance in the Earth's overall vibration in which millions of lower energies and entities are being pushed out of Earth's atmosphere, surface, and Inner Earth.

It is so that there has been a cleansing happening for some time, in which these denser energies have been leaving Earth, partly due to Earth beings' own soul intention, and the intent of the Earth Herself.

Enough Earth beings have been raising in vibration, that their higher frequencies have been chasing out the lower vibrations, energies, and entities for some time now.

This is one reason why you see so much desperate action on the part of the old power structure.

They are losing their minions, for one, which were long counted on to anchor the vibrations of discord, fear, confusion, helplessness, and strife into certain parts of the Earth, as much as possible.

They are also themselves feeling increasingly uncomfortable and ill at ease with the rising consciousness of humanity and the rising vibration of the Earth Herself.

You have heard that the Schumann Resonance, by which scientists measure the vibration of the planet, is ever-rising to new higher frequencies, as Earth's vibration continues to climb.

Many of you speak often of your Sun, and the damages done by the warming of the Earth's surface.

And we would say, there is a great cleansing occurring now of that which the Earth can no longer sustain or tolerate, and that the energies brought in by the higher

temperatures, though difficult for many, are a part of that cleansing, and not to be feared.

We will not, and your own souls and soul families will not allow Earth to be destroyed, whether by the machinations of the old structure or by the unremitting strength of your Sun. **Sol is assisting all of you now in moving to the next level of Earth life, and that is the level needed in order for NESARA to be birthed into full enactment, yet it does not come without some cost to your Earth selves, as you have known them.**

There are ways in which the Earth can be protected from the more difficult effects of the solar rays that are reaching you, and ways in which the Earth can be climate-stabilized—ways that have been blocked until now.

Likewise, there are ways in which you all can be protected from the intensity of the energies occurring now, though we will say that most of your higher selves are allowing the "onslaught" of energies to further your evolvment on all levels—mind, body, and spirit.

Most of you work powerfully in the etheric in your sleep state, and are working as your higher selves at all times via your own vibration, to protect Earth and Her beings in this precarious time. Understand that in these last days of the old regime, you face great opposition to that work which you came in to do, and that this will not lessen until the task is done completely—or those anchoring the opposition are removed from their place of influence, a process that already began some years ago.

In addition, your energy bodies' strengths often well outweigh your physical body's strengths, and while the greatest "cure" for the current discomfort is moving into a fifth dimensional form, you are still able to assist yourself in moving into levels of insight and vibration that mitigate the effects of the bombardment of dense energies.

Humanity has requested, as a soul group or an amalgamation of soul groups, that we not take this path from you due to difficulty or any other reason, but that you be free to express your evolvment and Ascending path in ways that are natural to that process, for your planet.

Now, there is an inherent problem with that request, because the kind of evolvment that Earth and Her people are experiencing is extreme and highly difficult to navigate.

You have seen how not everyone has decided to remain on the Earth for the whole of the process, and this is understandable.

You are never fully defined by your physical selves, and often now the physical body and sometimes also the emotions are saying, "I have had enough," and will find whatever out is required in order to release the spirit and let go of physical Earth life.

These dear ones will return, if that is their decision once they return to the higher realms. Much of that is yet unwritten.

But you speak of how to mitigate the immensity of the dense energies as they reach you, and we will perhaps surprise you by saying, though much of this experience was not created by you, some of it was, on a higher level.

It is your own experience uniquely, because you are feeling the difference between where you increasingly are in your own vibration and where the Earth is, and where you have been vibrationally in other Earth lives.

So that suddenly Earth feels to carry antagonistic energies that work against you, making it a denser, more difficult energy to move through, similar to wading through deep water rather than water that only reaches your ankles.

In part, humanity's own density it is facing now.

Yet for your particular Earth mission (and that of many others), much of the bombardment of density you are feeling now is due to the broadcast of dark energies being transmitted, to set people into dense emotional vibrations and feelings of fear, helplessness, and loss.

Due to your particular Earth work, you tend to increasingly meet that head-on in your waking hours, as you do in your sleep state.

This is part of why you are here, and we find increasing levels of overlap happening now as people begin to enact that work they have been doing in their sleep state, unbeknownst to their conscious waking self, but in a round-the-clock, ongoing way.

We would say to this dear one, it is wonderful that you remain centered and grounded—excellent work!

You do best now to simply observe the density without involving yourself in a struggle with it.

Struggle is what it wishes to elicit from you, so that if you are at a disadvantage, as a person who is embodied and dealing with dense energies or entities, that is indeed a very vulnerable place to be.

Consider that you are far more powerful than anything that would try to joust with you etherically. When you laugh or smile at a dense energy, rather than feeling attacked or annoyed by it, you have already won.

Remember the writing of Sir Thomas More, "The devil . . . that proud spirit . . . cannot endure to be mocked."

We do not suggest applying any religion's theology to this situation, yet that bit of advice offers an interesting viewpoint, and one that reveals what you have always known—that anyone who must use fear or oppressive presence to assert their superiority, power, or authority, has already lost.

Particularly in these energies now, as the old power structure issues one fear-based clarion call after another, it is obvious that they are scraping the bottom of a barrel of very old tricks that no longer work as they once did.

Some of these energies will come to you for assistance, and so, tell them, "I hold you in the Light of all that is Calm, Peaceful, and of Divine Love," and release the need to push against them or even to react.

Reacting to that which feels oppositional only brings in more of it—you have seen this in the schoolyard, with bullies who push for a reaction and have far less fun when they find none.

Before you sleep each night, call upon Archangel Michael, not in the manner of one who is lost or frightened, but with all the authority your Light Bringer status affords you, and say: *"Lord Michael, I request and require that you and your Legions of Light gather round me to protect and assist me as I do my work etherically each night. "Spread Angelic wings around me, so that I am free to do my work, untouched by opposition, while gaining increasing strength, resilience, and Joy. I give thanks!"* Then expect that help to arrive with no delay, and to be there for you consistently.

In the morning, likewise, call in all the help you require: *"Lord Michael, I request and require that you and your Legions gather round me to protect and assist me today and every day. "Spread Angelic wings around me so that I am free to do my work, and to grow, heal, and learn, untouched by opposition, while gaining increasing strength, resilience, and Joy. I give thanks!"*

You may still be aware of the density flowing around you, but do not feel it is your job to fix, heal, or even react to that which is being released upon the planet now, dear ones.

Part of why you came in at this time was to absolve yourself of the need to rescue, to be a savior, or to be saved, even in the most dire of times and places.

Release judgment of this time you are in, as you release the need to have all you experience make sense to you at this time.

Celebrate each person's path, including your own, and do not feel that the density you may experience now is yours to dissolve.

Do not engage with such, and release the feeling that you must push against it, that something must be done.

Something is being done, and that is your very presence on the planet at this time! Along with that of millions of others who likewise have come in from all over the galaxy, and the Universe, to assist Earth at this time. Somehow, we are able to assure you, that is enough. Namaste, friends! You are never alone.
