There are no natural boundaries between human beings on this earth, we are one family. At a time of increasing natural disasters, climate change and global warming affect all of us. We must learn to live together, to work together, and to share what we have together.

Darby O'Dell

Rama: I received a text message from **Darby O'Dell** at 12:55 pm this afternoon. He said to me: "Lord Rama, the energies of spring are pouring in! There are a lot of solar flares going on; there was a G-Class geomagnetic solar storm which has brought in lots of gamma rays to our atmosphere. I was given some classified information concerning the Solar Flash; supposedly it is going to be coming from Galaxy M87. That is where it may originate.** Then it would travel to Super Galactic Center; then to our great Central sun, Alcyone; then to Helios and Vesta, the sun behind the sun; then to our sun Sol, and finally to earth."

"And again it is going to raise the vibration to even higher thresholds of bliss. However, for the dark side, it is going to create more chaos and confusion. Yet the Light will upgrade them, nevertheless. It is a gift from Creator Source. This is the biggest upgrade of Light, Love, Peace and joy – EVER! - in the last 26, 826 years on Mother Gaia! ! !

"HOSANNA IN THE HIGHEST!

"See you in the Light of the Most Radiant One! Sat Nam! Namaste! And **Blaze the Violet Fire!**"

****Insert from Rama:** Galaxy M87 is in the constellation Virgo; it's many, many light years – millions, in fact – from earth, and there is a big black hole in the constellation Virgo. It's a portal between different dimensions and universes, through this particular polar universe of Nabadon.

The source of a happy life is within us. Troublemakers in many parts of the world are often quite well-educated, so it is not just education that we need. What we need is to pay attention to inner values.

Darby O'Dell

Rama: I received a text message from **Darby O'Dell** again at 12: 35 pm early this afternoon. He is a bit of an Irish wizard and takes people from all over the world to sacred sites in Ireland,

Egypt, Scotland, England etc, to work with the ley lines, vortices, portals and so forth to call in the higher energies and Beings of Light. All done with a pronounced Irish brogue, to be sure.

He said to me, "Lord Rama, I received a remote viewing that the Solar Flash may have originated in Galaxy M87. Then, as we said yesterday, the Solar Flash would travel to Super Galactic Center, then to our Great Central Sun, Lord Alcyone, in the Pleiades, and then travel to Helios and Vesta, the sun behind the sun, and then to our sun, Sol.

"The time is extremely close for this happening – NO DATES! ! ! As this Light comes in, all of humanity and the earth get upgraded. As this is happening, the dark ones are being given a choice: embrace the Light or face the consequences, in the form of Ascension Symptoms! Par excellence!

"The incoming energies of the Office of the Christ are painful to the Dark Side of the Force [as the Buddha would say: 'Pain is inevitable; suffering is optional!'] so stay in the High heart! Sat Nam! Namaste! **Blaze the Violet Fire!**"

2023-04-04 **Tuesday** **Rosa of Palestine**

Rama: I received a text message from **Rosa of Palestine** at 12:50 pm this afternoon. She said to me, "Lord Rama, the IDF (Israeli Police) raided the Al Aqsa Mosque in Occupied East Jerusalem today, attacking Palestinian worshippers during Ramadan prayers.

"Meanwhile, the solar flares increase, and continue. The Ascension symptoms are getting stronger by the day.

"The Israeli people are still protesting in the streets, Jews, Muslim, and others all side by side. They are all peacefully protesting against Prime Minister Netanyahu's persisting intention to overturn the Supreme Court, permanently ending it, and making himself the sole dictator over the Israeli people, ending all democratic rights for all Israelis, forever!

"Stay safe. Stay in the **Violet Flame of St Germain**. Sat Nam! Namaste! World Peace now! **NESARA NOW! ! !**"

2023-04-05 **Wednesday** **Rosa of Palestine**

Rama: I received another message from **Rosa of Palestine** at 11:38 am late this morning. She said to me, "Lord Rama, the IDF forces are still attacking and killing the Palestinian worshippers inside the Al Aqsa Mosque. This is beginning to look like a killing spree on the side of the IDF Forces who are using their weapons of war on unarmed, praying Palestinian worshippers inside their sacred prayer space. This is called cold-blooded murder with impunity and the complicity of their treasonous leader, Prime Minister Netanyahu.

"Please place this in the Circle of support and **Blaze the Violet Fire!** Sat Nam! Namaste! Enshallah – God willing! Peace be upon you! Om Shiva!"

2023-04-06 **Thursday** **Tom the Ringtailed Cat, Sweet Angelique the Cat**

Rama: I received a text message from **Tom the Ringtailed Cat, Sweet Angelique the Cat** at 12:30 pm, early this afternoon. They said to me, "Lord Rama, we are near Paris observing the protests going on in the streets because Mr Macron created a law without the proper democratic process of taking a vote. Then, as the good dictator he is, he imposed the law on the people of France. Thus he unlawfully raised the retirement age by 2 years, from 62 to 64. There have been clashes going on by the protestors in the streets with the police for months now, over the varying stages of this issue. The Schumann Resonance is extremely high today; the solar flares continue."

Then at this point, 3 elks showed up in the forest, close to where I was, by the river. 10 crows were observing all of this with me. Tom and Sweet Angelique continued: "The animals are sensing the energy shift in our realm right now."

Rosa of Palestine Then I received a **text message from Rosa of Palestine**; she said to me, "Lord Rama, there are stories out there that Hezbollah of Lebanon launched rockets into Israel. The true story is the United States Deep State sent their own black ops to Lebanon and THEY did the launching from there. So the United States made it look like Hezbollah did it."

I asked Rosa for what reason did the United States Deep State go to the trouble of doing this. Rosa only responded to me by saying, "Lord Rama, please place all of this in the Circle of Support, and **Blaze the Violet Fire!** Sat Nam! Namaste! Inshallah - Peace be upon you!"

The huge halo around giant elliptical galaxy Messier 87 appears on this very deep image. An excess of light in the top-right part of this halo, and the motion of planetary nebulae in the galaxy, are the last remaining signs of a medium-sized galaxy that recently collided with Messier 87.

The image also reveals many other galaxies forming the Virgo Cluster, of which Messier 87 is the largest member. **In particular, the two galaxies at the top right of the frame are nicknamed "the Eyes".**
