Lady Natasha

Rama: I received a text message from **Lady Natasha** at 12:50 pm early this afternoon. She said to me, "Lord Rama, the United States and the fake Putin, product of our Deep State, and President Zelensky of Ukraine, also a product of our Deep State, are sabre-rattling once again. The word 'nukes' is being thrown about like a tennis ball amongst these players of ours. I will say it once again: THE CAPTAIN HAS THE UPPER HAND, AND THE IDEA OF A NUCLEAR WAR IS OUT OF THE QUESTION!"

This Sagittarius full moon, also known as the Strawberry Full Moon, is raising the possibilities and probabilities of Oneness for Peace on a global scale to the desire of all humanity to Be Here Now! (ie, the majority of humanity wants peace!)

"Stay in the High Heart! The energies are flowing into the hearts and minds of all, providing a link to Oneheartedness for World Peace, Abundance, and Unconditional Love for All That Is. WAR IS OVER!"

"May abundance of every good thing, for the benefit of all, manifest the Divine Plan on Earth as it is in Heaven! **Sat Nam! Namaste! Blaze the Violet Fire!**"

Today, we need to cultivate a sense of the oneness of humanity and work together to meet the challenges that affect us all. Scientists have warned about the climate crisis for some time. We cannot simply exploit this planet and its natural environment; we must take care of them.

Lady Natasha

Rama: I received a text message from Lady Natasha at 12:15 this afternoon. She said to me, "Lord Rama, Russia and Ukraine are blaming each other for recent attacks; this is all sabre-rattling by the empire called Uncle Sam!

"Meanwhile, there were 2 X class solar flares in the last 48 hours; they were HUGE! Some scientists are calling them 'cannibal flares' because they are so huge, they gobble very huge swaths of sky. These energies are extremely high; watch where you step or drive – you just might step into 5D without even trying! As you feel disoriented or unbalanced in your body, sit down on Earth Mother and do your Prana Yama breathing for 5 minutes. Our bodies are not quite used to 5D yet; it is about allowing tremendous amounts of light into your body/ that Light we speak of is increasing incoming monoatomic gold dust; it is a gift from Creator Source!"

Lady Natasha went on: "Lord Rama, we are very close to that moment as you, your Beloved, and myself are going to cussing and discussing trust indentures. See you in the Light of the Most Radiant One! Sat Nam! Namaste! [Blaze the Violet Fire!](#)"

Lady Natasha

Rama: I received a text message from **Lady Natasha** at 11:45 am, late this morning. She said to me, Lord Rama, Russia and Ukraine are blaming each other for destruction of the dam in Ukraine. I will repeat this again: THIS ALL THE DEEP STATE OF THE UNITED STATES! ! !
[Blaze the Violet Fire!](#)

Natasha continued: "The Zaporizhia Nuclear Power Plant is under no immediate threat at this time because now they still have water and electricity, yet as reported on *Democracy Now*, the question is for how long will they be able to maintain it.

"Meanwhile, there are galactic Federation members on the ground, taking care of things. That's as much as I can say. The solar flares continue. We are not able to give dates at this time, yet we are at that moment where things could change in the twinkling of an eye! It is about the Love pouring forth from Creator Source. Lord Rama, I will give you more information as I get it. See you in the Light of the Most Radiant One! Sat Nam! Namaste!

Sweet Angelique the Cat, Larry, Curly and Mo

Rama: I received a text message from **Sweet Angelique the Cat, Larry, Curly and Mo**, at 1:20 pm this afternoon. They said to me, "Lord Rama, there are big solar flares going on tomorrow; they could go into X Class tomorrow. The Flash is extremely imminent as well. Rest, connect with Nature. Mother and Tom the Ring-tailed Cat are on a mission."

I asked, "What is the nature of this mission?"

They said, "It's Classified! Yet it is about the ending of this timeline and it goes into the story, in particular, of the Fallen Angels, of Mother's children who have lost their way in the garden.
[Blaze the Violet Fire](#) for all the situations going on. Sat Nam! Namaste! May Peace prevail on Earth."

Thursday

Darby O'Dell

Rama: I received a text message from **Darby O'Dell** today, at 11:58 this morning. He said to me, "Lord Rama, I am sitting here in England on a hill, overlooking Glastonbury Tor. It's a fine day in June! I am waiting for a portal to open, as I have some business with the fairies. I said to Darby, "What business is that?"

He said, "I am getting some seeds for my garden from the fairies.

I asked, "What is up with the big story?"

Darby answered, "There are tremendous things going on. It is all about our ascension with Mother Gaia. Leave all the other stories alone, And embrace the Light of our Most Radiant One, the Sun. Full disclosure is just a moment away! What is happening is, we are being lifted up by the 7 Rishis, the 7 Sephiroths who sit before the throne of Mother/ Father God/ Goddess/ All That Is. We are in good hands. May the Force be with ya, Magee! ! ! Sat Nam! Namaste! [Blaze the Violet Fire!](#)"
