Wherever I go I consider whoever I meet to be another human being like me. We all want to live a happy life. We all respond to smiles, so wherever I go, I smile. Even when we don't share a language, we can communicate our friendship by smiling.

[Ranu Mu](#)

**Rama:** I went and saw [Ranu Mu](#) at 10:56 am this morning. She said to me, "Lord Rama, get on the bio bed and I will fix you up!" Then Rana Mu scanned my vital signs and my bodily function. After that, she put a device on my head which looked very similar to the device called CEREBR, worn by Patrick Stewart as Professor X in the movie, *The X Men: Apocalypse*.

As I closed my eyes, I could see rainbow colours coming out of the device and entering the inside of my head. Then in front of my third eye, I began to see concentric circles of rainbow colours, forming a portal. I was lying on my back on the bio bed, and with my consciousness, I travelled through many rainbow-coloured circles to The New Jerusalem. There I saw my father, Captain Ashtar, speaking with several galactic dignitaries from the Antarres-Arcturus Midway Station.

Then I promptly went to sleep for 20 minutes, and then I felt Rana Mu gently rubbing my shoulder and saying, "Lord Rama, it is time to go. I have a meeting with someone named The Oracle. I will explain further in the next few days. Greetings in the Light of the Most Radiant One! Sat Nam! Namaste! **Blaze the Violet Fire!**"

PS: "Have a blessed Easter, Resurrection, Passover and Ramadan. Peace all over the World!"

Tom the Ring-tailed Cat, Sweet Angelique the Cat

**Rama:** I received a text message from **Tom the Ring-tailed Cat and Sweet Angelique the Cat** at 11:45 am late this morning. They said to me, "Lord Rama, we sent you some pictures from some different folks you know on Twitter. We want to give credit to these folks who put these pictures out on the internet. These pictures are of the star ships showing up in different locations in the sky around Mother Gaia.

"The star beings navigating those star ships are saying to us here on Mother Gaia 'Disclosure is happening in spite of the best efforts of the dark side to distract or shut it down. The people of earth are waking up as never before.'

"Meanwhile the nazi playbook is being enacted all over again. The last time this was played out, the sidereal weapons were taken away from the dark side by the Forces of Light, by the Intergalactic Confederation of Worlds. These sidereal weapons have been neutralized by the Confederation of Light. The time lines have been changed by this galactic intervention, and this intervention was made possible by a good-sized group of people of earth who have decided to raise up their consciousness to the 5<sup>th</sup> dimension and higher. As the Dalai Lama says 'The answer is loving kindness and compassion.'

"The solar flares continue to come in massively! Remember WE are the ones we have been waiting for. Stay in the high heart! Sat Nam! Namaste!

Natasha

**Rama:** I received a call from **Natasha** at 11:30 am this morning. She said to me, "Lord Rama, the fake Putin has pushed the Duma to pass a law that all men can be drafted and conscripted to the Russian Army. The Russian government has a nation wide data base where they can track you.

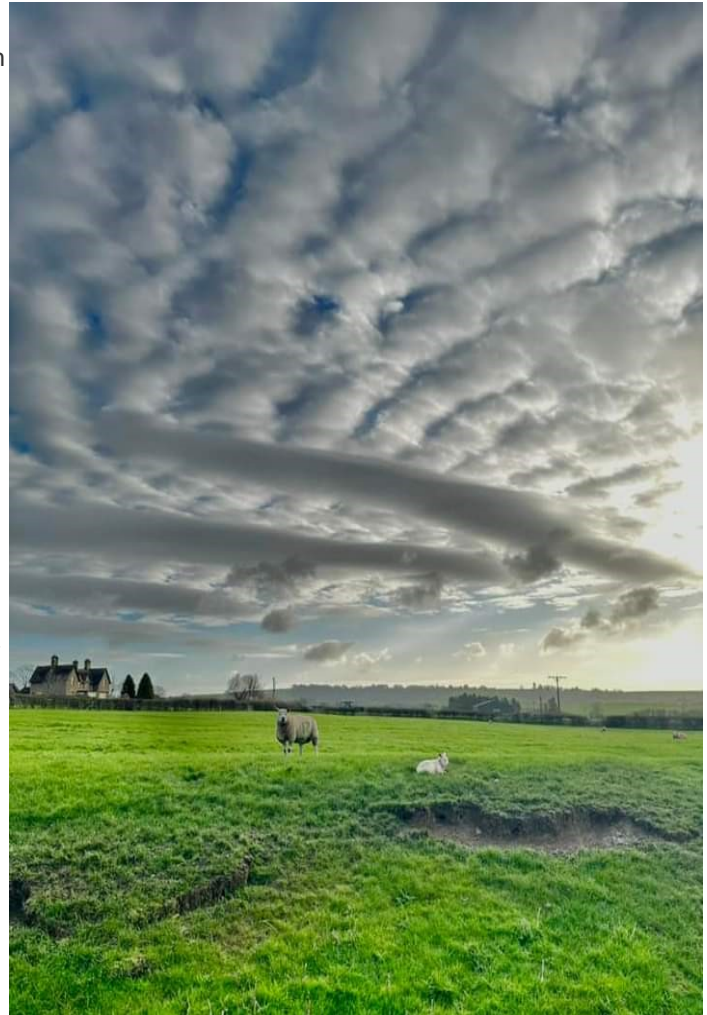

"This is all the United States Empire and the Deep State Black Unacknowledged programs where the peoples' money, through Congress, goes into a black hole called *The Black Budget Unacknowledged Special Access Programs*. These Black Ops are being orchestrated by willing Republicans who answer to the fallen angels for profit.

"Meanwhile, the solar flares continue. There were HUGE X-Class/M-Class flares today. This is a time where, as Patti Cota-Robles says, a Universal Changing of the Guards takes place NOW. All of Heaven is here with us.

"This has not happened in 26, 826 years. Our galactic family and galactic ambassadors are on the ground. The animals know this and they are saying 'We are here as galactic family members too, to join you.'

"We have won! Allow the matrix to end its course. Stay in the high vibes! Sat Nam! Namaste! **Blaze the Violet Fire!** All we are saying is 'Give Peace a Chance!'"

Lady Master Nada

**Rama:** I received a text message from **Lady Master Nada** at 11:50, late this morning. She said to me, "Lord Rama, there are stories out there about Antonio Guterres, UN Secretary General, is a Russian spy. The real story is he opposes the war in Ukraine with Russia and he opposes the United States aiding and abetting the Ukraine. These are international war crimes, and crimes against humanity. The nuclear sabre rattling is still going on.

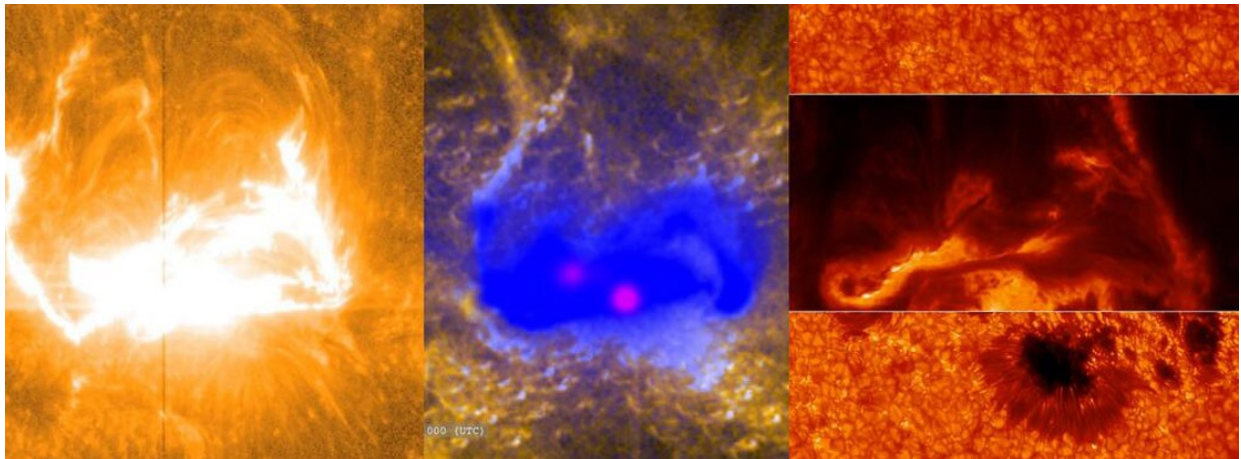

"There are things going with our sun where that flash may be closer than we know. There was a monster solar flare today. See you in the Light of the Most Radiant One. Sat Nam! Namaste! **Blaze the Violet Fire!**"

**Rama:** I received a text message from **Lady Natasha** at 12:10 pm, early this afternoon. She Said to me, "Lord Rama, the story about the leaked document is about the Deep State and the Black Budget the creates so-called crises or dramas that have a few grains of truth in them. This whole story is about creating Russia as The Bad Guy!"

Natasha continued: "Lord Rama, the real story here is WE are the Empire that created this conundrum: the United States Government with the Fallen Angels and the others in this Passion Play. Know that the light from the galaxy called M87, in the Virgo constellation, is coming our way and is going to roll across this planet. The Dark Side cannot stop it and they are petrified as to what might be exposed about their nefarious deeds.

**"WE HAVE WON! ! !** Love is the answer! It overrides all other orders! That is a quote from the Captain! See you in the Light of the Most Radiant One! Sat Nam! Namaste! **Blaze the Violet Fire!**"
