

## 2021-12-09 Rama White Knight Reports

December 3 – December 9, 2021

DECEMBER 9, 2021

**To our readers: Rama's White Knights Report**, for the most part, will present information from Rama's contacts on very current events. Sometimes, additional commentary may show up, in the form of more explanation about an important issue, or as an article inserted to provide more insight on the subject being presented.

**Find more info on those folks Rama talks to** - who are there to keep us in the loop as well - at <https://www.rainbowroundtable.net/rama-s-contacts>

### 2021-12-03 Friday

I received a text message from **Tom the Ring-Tailed Cat** at 11:20 this morning. He said to me, "Lord Rama, the energies coming in right now are quickly leading us to the singularity where the sun sends a beam of light up to the Hunab Ku. [It is at Super Galactic Centre, which is behind Galactic Centre where 26 other galaxies meet with our Milky Way Galaxy. This location represents the resonance of the heart of all humanity wherever they are in the Universe of Nebadon!]

"This is going to light everything up. The Dark Side wants to play with their toys from Area 51. They are at the final conclusion of this story. This is about revolution, resurrection and ascension.

"Stay in the Violet Flame! Sat Nam! Namaste! Blaze the Violet Fire!"

### 2021-12-03 [Dalai Lama @DalaiLama · Dec 3](#)

Someone may be very rich and powerful but, without any trusted friends, they will never be happy. Someone else may be poor but, if they are surrounded by trusting friends, they'll be happy. Therefore, taking care of others is the best way to fulfill our own interests.

### 2021-12-04 Saturday

I received a text message at 12:12 pm early this afternoon from **Tom the Ring-Tailed Cat** and **Sweet Angelique the Cat**. They said to me,

"Lord Rama, we are in our shuttle craft over the Great Wall of China, and the Light coming in from the solar eclipse is transforming every living cell.

"We are approaching the Winter Solstice. This Winter Solstice of 2021 in particular has direct connections with the 2012 Winter Solstice which triggered something to do with the end of the Mayan Calendar. It has to do with the quantum leap onto the new timeline. The 5<sup>th</sup> dimensional timeline of 100,000 plus years of PEACE !!!

"As the Dark Side in the Matrix has only been playing the fear card, let it go! Only Love, Truth, Peace, Freedom, Justice [seasoned with Divine Wisdom, Mercy and Compassion] and Beauty for all, can it be.

"Sat Nam. Namaste. Blaze the Violet Fire!"

### 2021-12-05 Sunday

I went and sat by the Rio Grande today and played Christmas music for the trees and the animals, and called in the beings

Then I received a text message from **Larry, Curly and Mo**. It was 1:30 pm. They all said to me,

"Lord Rama, the energies keep getting higher and higher, and the Dark Side is losing it faster and faster. Don't get caught in the maya; they are very intent on creating fear. They are in their final moments of the old cycle; it can't last much longer.

"Sat Nam! Namaste! Blaze the Violet Fire!"

**What Rama knows:** There are energies happening as the unified field is being activated more and more; as we tap into that quantum field and stay in the Oneness – what he did at the river today – and he let it all go and then the 3 showed up.

- Volcano in Java went off today and 14 people have crossed the Rainbow Bridge. It got activated by the eclipse – such things happen right before or right after one of these geological events.
  - There are geological changes going on that cannot be stopped.
- Info received from one of our brothers:  
Judge Anna Von Reitz had an amazing experience. She had a vision in which she saw her body outside her own body with her own eyes [lucid dream] and that body was enveloped in the Violet Flame.  
Such things are not part of her life and this has transformed her.

[Although she is Faction 2, Judge Anna is very, very well-informed about the law]

- As Aryurvedic Astrologer Joni Patry said, "We are in the grand finale!"

**Monday**

I received a call from **Natasha** today at 12:09 pm, early this afternoon. She said to me, "Lord Rama, Mr Putin visited Prime Minister Modi of India today. The cover story is Mr Putin and Mr Modi are strengthening ties over economic and environmental issues.

"The real story is Mr Putin asked Mr Modi as he could borrow a few of the vimanas that India has in storage. These vimanas go back to the time of the Maha Barata and they are still fully operational."

Natasha went on to say: "As the West through NATO is threatening the Ukraine border with Russia, Russia may decloak a few of these craft over that border and let the chips fall as they may! War is cancelled. Stay in the Violet Flame. Sat Nam! Blaze the Violet Fire!"

**2021-12-06**                    **[Dalai Lama @DalaiLama · Dec 6](#)**

Cultivating compassion is not a religious practice focused on ensuring we go to heaven or a good future life. It's about living a good day-to-day life here and now. It's about being a happy person. Warm-heartedness is a fundamental good human quality.

**2021-12-07**                    **Tuesday**

I received a call from **Lady Natasha** at 11:30 am. She said to me, "Lord Rama, Mr Putin is **not** going to invade Ukraine. The West is pushing fear and sanctions; this is the end!"

"I have been seeing wall-to-wall lenticular starships today here in Santa Fe. Ashtar is here. Lord Michael is here. They both have said 'Call us. We WILL show up!' All we are saying is saying is GIVE PEACE A CHANCE!"

"Sat Nam! Namaste! Blaze the Violet Fire!"

**2021-12-08**                    **Wednesday**

Today at 12:10 pm early this afternoon, I received a text message from **Chun-Lee**, a friend of Natasha's body guard. Chun-Lee said to me, "Lord Rama, the Light coming in from the higher realms is unprecedented. It is visible; it is tangible. The ships are in the skies everywhere here."

**Rama adds:** Chun-Lee said she was somewhere between Lhasa and Beijing, with thousands of miles in between.

She continued: "The old empire based in the old Babylonian money-making machine cannot keep up with its own debt. So something has got to give! ! !

"What it is, is St Germain's plan for the New Atlantis which is Turtle Island, this time including both North AND South America. With this grand astrological finale in the sky, now is the time. Expect us! Sat Nam! Namaste! Blaze the Violet Fire! Aloha!"

**2021-12-09**                    **Thursday**

Today I received a text message from **Mr X** at 12:30, early this afternoon.

He said to me, "Lord Rama, this time we are in may look like the darkest day in Mordor, yet all the inter dimensional portals are opening all over Mother Gaia.

"We are rapidly approaching the Winter Solstice, and this Winter Solstice could be a very transformative moment.

"Stay in your heart; don't get caught in the bickering! The Wise Councils of Elders are here, along with the Ascended Masters. Call them in; they respond to high vibes and happiness!"

"I just may be seeing you soon, Sir! As Homer Simpson says, 'We've got business to discuss.' See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"
