As we come to recognize the oneness of humanity, our motivation to find peace will grow stronger. Sisters and brothers must share each other's suffering. Mutual respect, trust, and concern for one another's welfare is our best hope for lasting world peace.

2022-09-23 **Friday** **Lady Natasha**

Rama: I received a text message from **Lady Natasha** at 12:03 pm early this afternoon. She said to me "Lord Rama, yesterday at the UN, the US and Russia were trading verbal blows; this only leads to more animosity. The U S and Ukraine are pushing propaganda, saying that Russia has been committing war crimes in Ukraine, including wide spread torture, sexual violence, and attacks on civilian populations.

"These war crimes are all being committed by Ukrainian forces on the ground. Yet many Ukrainian fighters in their hearts, don't want to fight. On top of that, their weapons are provided by the West. That implicates the US and the European western countries as being war criminals as well.

"I am here to tell you Lord Rama, nuclear war is not an option. As the people of the world were to see what you and I have seen regarding the presence of millions of galactic forces on the ground, they would know we are manifesting heaven on earth - NOW! As you share your stories, Lord Rama, let the people know that this is very much real. Again Captain Ashtar is absolute on one specific point: **THERE WILL BE NO NUKES. PERIOD! ! !**

"No dates, yet the time is NOW! I will see you soon. See you in the Light of the Most Radiant one! Sat Nam! Namaste! Blaze the Violet Fire! May Peace prevail on Earth!"

Lady Master Nada

Rama: I received a text message from **Lady Master Nada** at 12:19 pm this afternoon. She said to me, "Lord Rama, the world is in a huge transformational place! This is the current moment where the old timeline is dissipating very quickly, right in front of us. This new moon is ushering in a new era! Accountability is on the table."

"As extreme as Liz Cheney is, she is bringing the issues to the people. Fascism does not work in any solar system! Right now, at this time, the people of America are being faced with a challenge. Beloved Ascended Master St Germain set up this land as a small 'd' democratic land. All the Ascended Masters and teachers are here. All we are saying is, 'give peace a chance.' Sat Nam. Namaste! Blaze the Violet Fire."

Tuesday Tom the Ring-Tailed Cat and Sweet Angelique the Cat

Rama: I received a text message from **Tom the Ring-Tailed Cat and Sweet Angelique the Cat** at 12:09 pm this afternoon. They said to me, "Lord Rama, we are over Mohenjo-Daro in the province of Sind, Pakistan which is not under water as 1/3 of Pakistan still is. This is an ancient vortex that goes to 2500 BCE. It was the largest settlement in the Indus Valley at that time. Also, then, it was a major city-space port, and star ships from all over the Milky Way Galaxy were coming and going, trading goods and services including diplomatic services from other galactic civilizations, and transferring personnel to other civilizations in like kind."

"Now, let us fast forward to present time. This vortex in Pakistan is presently pulsing and sending out large frequencies that are directed toward outer space." Tom the Ring-Tailed Cat continued: "Our star ships of the Galactic Federation can pick up these pulses from space, yet as we come in closer, we can read the signal more clearly. The pulses coming from this vortex on earth are saying the transformation of the sun is extremely imminent."

Tom the Cat went on: "Lord Rama, we are in the last few nano seconds of the old timeline. Reach out. Use the Force to tune into the Quantum Field. Things are going to seem a little strange. The 9 realms as part of the multi-verse are merging with this realm which is already in 5D, whether we realize it or not! Love and Compassion are the answers. The Dark Side continues to dissolve very fast. Whatever the issues are, Love is the answer. See you in the Light of the Most Radiant One. Sat Nam! Namaste! Blaze the Violet Fire!"

Wednesday

Rama: I received a text message today from Faction 3 White Knight **Professor Nicodemus the Rat** and **Dr Steve**, both retired quantum physicists from Los Alamos Lab. It was 12:10 pm early this afternoon. They said to me, "Lord Rama, we sent you a picture of the sun today, with a coronal hole in it. From the coronal hole, there are emerging solar flares that are headed to earth. They start today, and they will arrive within the next 1 – 3 days.

"The energies are extremely high. Stay in the high heart and focus on the incoming light from the sun. The sun is a sentient being. As you talk to Sol, our sun, he will respond to your query! Sol's response will come in the form of shapes, colours, and sounds. See you in the Light of the Most Radiant One. Sat Nam! Namaste! Blaze the Violet Fire."

Thursday

Lady Natasha

Rama: I received a text message from **Lady Natasha** at 12:11 pm, early this afternoon. She said to Me, "Lord Rama, Russia is declaring the 4 areas where they have held the referendums – Donetsk, Lugansk, (both in the Don Bass region), Kaherson, and Zapparozhzhia - that these 4 areas are now, by the people's vote, part of Russia. And as the West were to play with these areas, there would be heaven to pay.

"In other news, as we said yesterday, there are two huge coronal holes in the sun. And these are solar coronal holes – they are very large! We know the energies coming from these coronal holes are extremely high in our midst right now. This is the time when we can make a HUGE difference by remaining neutral and sending Love and Compassion to all the troubled spots on earth. Blaze the Violet Fire! Sat Nam! Namaste! "
