Compassion brings strength to our minds by lessening fear, increasing confidence and so on. Doubts and irrational thinking decline. As a result, in the company of others the mind is relaxed, there are feelings of closeness, and we have a feeling that life has meaning and purpose.

2022-09-02 **Friday** **Leanara**

Rama: I received a text message from **Leanara** at 12: 17 pm, early this afternoon. She said to me, "Lord Rama, we are in that time when the sun is sending out solar flares each and every day. As we get closer to "the Solar Flash" – **and it is not a bad thing!** - there is a great upliftment sweeping across the planet. It is all about the energies required for ascension.

"Meanwhile, the Dark Side of the Force is in their final moments where Goddess Ma'at is weighing their souls against a feather. I have seen this story before. We can do this with Love and Compassion as we get our fallen human ego out of the way, and allow Divine Will to work through us in Divine Service to the whole. This is the hour we are being called upon TO BE OF SERVICE TO THE WHOLE OF ALL CREATION!

"See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"

All 7 billion human beings have a common experience—we all appreciate love. We all have a seed of love and affection within us and the potential to cultivate greater love and compassion. If we want to create peace in the world it has to start with the heart, with inner peace.

Rosa of Palestine; Lady Natasha.

Rama: I received a text message from **Rosa of Palestine** at 12: 39 pm this afternoon. She said to me: "Lord Rama, Israel is saying that Shireen Abu Akleh was shot by accident by the IDF [Israeli Defense Forces]." Rosa responded: "This is an absolute LIE !!! Her family is taking the case to the World Court. Please place this situation in the Circle of Support."

Then, at 1:10 pm, I received a text message from **Lady Natasha**. She said to me, "Lord Rama, Russian journalist Ivan Safronov, was sentenced to 22 years in prison for selling 'so-called nuclear secrets' to unknown parties, possibly MI 5 or MI 6 or the United States State Department. Yet these so-called 'state secrets' were already available on line at the time. "Ivan Safronov is a good man; they are framing him because he opposes the war in Ukraine. In the past, Ivan was a friend of the real President Putin. Now that a look-alike of President Putin is on stage, obviously this good man is no longer a friend of the look-alike Putin. SO he likely is not aware of the Putin switch!"

"Please place all of this in the Circle of Support. Blaze the Violet Fire! Sat Nam! Namaste!"

2022-09-05 Russian journalist Ivan Safronov sentenced to 22 years in prison: "The absurd and inconsistent indictment shows that he is being punished just for doing his job"

Reporters Without Borders (RSF) condemns the 22-

year prison sentence that the Russian investigative journalist, held in temporary detention for more than two years, received for revealing so-called "state secrets" that were already available online. The treason charge on which this iniquitous and vengeful sentence is based is completely unfounded, RSF says.

[Read in Russian / Читать на русском](#)

"Russia's merciless judicial apparatus is trying to crush a talented journalist – but it does so in vain because others will replace him," said Jeanne Cavelier, the head of RSF's Eastern Europe and Central Asia desk. "The utterly incoherent [indictment](#) brought against Ivan Safronov shows that he is being punished for doing his job. We condemn this draconian, iniquitous and vengeful sentence by a regime that is [allergic to journalists](#), a sentence issued behind closed doors while his lawyers were prevented from defending him."

Investigators detected the presence of "state secrets" in seven analytical articles that Safronov sent to Czech journalist **Martin Larysh** and German political analyst Dmitri Voronin. But all the supposedly secret information was already available online before Safronov wrote his analyses, except one about technical problems linked to reconnaissance satellite trials. This was made public less than two months later as a result of a decision made by the Moscow arbitration court, according to [research by Proekt](#), a Russian investigative media outlet that has been declared "[undesirable](#)" and, in practice, is banned in Russia.

For example, his analysis about the transfer of T-72 tanks and BRDM-2 armoured vehicles to Serbia was based on information published by the Russian state news agency *RIA Novosti* and on reports published by the Russian defence ministry.

Safronov is regarded as one of Russia's best journalists, one who had broken some major stories prior to his arrest on 7 July 2020 (see his [portrait](#) by RSF). His defence rights were flouted and his lawyers themselves became targets of the intelligence services.

Larry, Curly and Mo

Rama: I received a text message from **Larry, Curly and Mo**; it was 12:12 pm, early this afternoon. They said to me, "Lord Rama, Liz Truss, the new Prime Minister of the UK, has kissed the ring of the Red Queen, Elizabeth the Second, in a private meeting today! They say Prime Minister Truss is a younger version of Maggie Thatcher. Blaze the Violet Fire!

"In other news, the West is claiming that Russia is buying short range missiles and drones from North Korea. We can neither confirm nor deny that this is going on. The I A E A is saying "STOP THE WAR!!! CEASE FIRE RIGHT NOW!!!

"There is a small fire nearby the Zaporizhzhia nuclear plant. All of these shenanigans reported to be going on in Ukraine, via Western media, is propaganda.

"Then, in some other news, Keith Olberman is calling for Drumpf to be arrested IMMEDIATELY!

"The Schumann Resonance is so high, we CANNOT TRANSLATE IT INTO NUMBERS! So, Lord Rama, if you feel like a bowl of Jello, you are right on time! The ships are here: call them in!

Larry, Curly and Mo said "We like Jasmine tea, please. Sat Nam! Namaste! Blaze the Violet Fire!"

Grandmother Beatrice

Rama: I went to visit with **Grandmother Beatrice** today; she is of the Zuni Tribe. She said to me, "Lord Rama, there are massive solar flares emanating from the **back side of our sun, Sol!** These are very large, X-Class solar flares! Starting next week, **there will be even larger X-Class solar flares emanating** from the **front side** of our sun, Sol, and heading towards earth: larger than ever before! This is a signal that the time of The Great Transfiguration is at hand. Please drink LOTS OF GOOD WATER [GANS WATER IS THE BEST! ! !] and eat lots of fresh, organic, green leafy vegetables.

"Stay out of the political machinations going on, especially in our Western media. They lead to the Dark Side. Meditate every day! Get out in nature, and call in all the angels, masters and teachers. This is a VERY BIG DEAL! ! ! What she can say about the situations going on, is that this is the time of The Great Purification and Resurrection. The Rainbow Nation is here.

"Good journey on your way! Sat Nam! Namaste! Blaze the Violet Fire!"

Thursday

Rama: I received a call from the King of Egypt at 11:50 am, late this morning. He said to me, "Lord Rama, the Red Queen has gone over the Rainbow. Please send Love and Compassion as his Holiness, the Dalai Lama, said. This ends an empire based on the fake Stone of Scone.

"The true Queen is the daughter of Yeshu and Magdalene, Lady Di, aka The Queen of Heaven. The truth is forth-coming.

"On another note, I have been in the Alpha Centauri Sun System, living on the planet Proxima Centauri. Your scientists on earth know there's is life in the Centauri Sun System. The Ashtar Command member known as Commander Soltec, is from Alpha Centauri. I have been meeting with many galactic commanders of the Ashtar Command. Any time now, we

are going to see the Great Transfiguration of our Sun, Sol, and we will be talking soon.
Enshallah! Sat Nam! Namaste! Blaze the Violet Fire!"

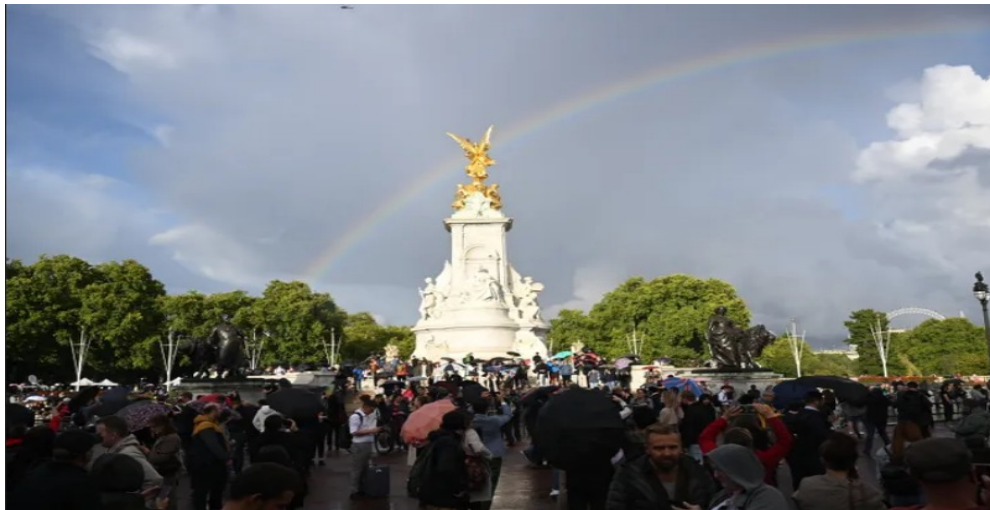

2022-09-08 Double Rainbow Appeared Over Buckingham Palace Right Before News Of Queen's Death

As the world awaited news of Queen Elizabeth II, photos captured the rainbows streaking across the gray London sky.

Two rainbows appeared over Buckingham Palace shortly before it was announced that [Queen Elizabeth II](#) had died on Thursday at the age of 96.

Although the Queen reportedly died "peacefully" at her summer home Balmoral Castle in Aberdeenshire, Scotland, the presence of the rainbows over the palace from which she reigned for 70 years was stunningly beautiful — and a little magical.
