Dalai Lama

[Dalai Lama @DalaiLama · Mar 10](#)

Each of us must learn to work not just for his or her own self, family, or nation, but for the benefit of all humankind. Universal responsibility is the real key to human survival. It is the best foundation for world peace.

Natasha

Rama: I received a text message from **Natasha** at 12: 15 pm, early this afternoon. She said to me, "Lord Rama, there are ships decloaking all over the planet. This is the time we have talked about." (and as I was talking to Natasha, I saw a starship decloak right in front of me!) Natasha went on: "The Dark Ones are out of options, save one: that one is called Love."

Then I heard on the radio a recorded talk of Tich Nat Kahn; he was speaking about the Dark Ones and having loving kindness and compassion for these ones.

Natasha continued, "Lord Rama I am hooking up to the two High Venerable Lamas who know his Holiness, Koon Doon; they are in a temple on the border of Tibet and Buhtan, and this temple is called Kamar Taj. This temple goes back to the time as Lord Buddha walked the planet, about 5000 + years ago." The Two Lamas greeted me and said, "Lord Rama, this temple has various access points to portals that take you to various parts of the Milky Way Galaxy." They said, "All the Ascended Masters, Teachers and Angels are returning now. As you call them in, they will come to you. See you in the Light of the Most Radiant One! Sat Nam! Namaste! **Blaze the Violet Fire!**"

Rama's Animal Friends – 39 in all!

Rama: I went and sat by the river at 2:10 this afternoon. I laid my crystals out in a circle on the ground, under a very big old pine tree. Clouds began to form, and there was a large downpour. I got a little bit wet, yet the pine tree mostly protected me. As the rain continued, I was joined by 28 deer, 8 crows and 3 foxes. I spun my crystals and sat quietly with the animals for about a half hour. And then my phone rang and everyone disappeared: it was a SPAM call! The message I received from the animals and the rain was "Stay in the Oneness with a high open heart, with loving kindness and compassion for all sentient beings. May peace prevail on earth. Sat Nam! Namaste! **Blaze the Violet Fire!**"

Tuesday

Tom the Cat, Sweet Angelique the Cat

Rama: I received a text message from **Tom the Cat and Sweet Angelique the Cat** at 1:30 pm this afternoon. They said to me, "Lord Rama, the Great Central Sun keeps churning out the solar flares. These are filtered through Helios and Vesta, the sun behind the sun, and then they come to our sun, Sol. And then, the solar flares filter down to our atmosphere in the form of monoatomic gold dust, just as you saw in the movie *The Golden Compass*."

"Meanwhile the Dark Side continues to go down fast. The fiat currency is losing value by the day. Stay in the heart of All That Is. The banks continue to go down, playing with the currency. There have been high level galactic meetings on Saturn and Titan, one of Saturn's extremely large moons, to the point of it's being mistaken for a small planet. This moon is teeming with life. There are 96 moons orbiting Saturn; all of them have life on them. The folks there may not look like you and me, but they are sentient, conscious, advanced 5th dimensional ascended beings. They are glowing, super conscious spheres of light.

"Captain Ashtar has been at many of these solar galactic meetings; it is all about establishing a new heaven and a new earth on Mother Gaia. As we do our meditations and invocations, call us in: we are one nano second away; our star ships are silent. As you hear a soft knock at the door, it is us. We like green jasmine tea. Sat Nam! Namaste! **Blaze the Violet Fire!**"

Wednesday

Lady Nada, Tom the Ringtailed Cat, Larry, Curly Mo and Sweet Angelique the Cat.

Rama: I went up the mountain and created a Jedi Council in the forest, at 11: 35 late this morning. Then **Lady Nada** showed up, followed by **Tom the Ringtailed Cat, Larry, Curly, Mo** and **Sweet Angelique the Cat**.

Lady Nada who spoke on behalf of everyone, said: "Lord Rama, the Deep State is playing their final cards! All they have is fear and nuclear sabre rattling. On behalf of the Solar Tribunal Council and this local solar system of our sun, Sol, I am here to let you know we are in the last few nano-seconds of this old timeline. The emperors who have no clothes are out of options, save one – it's called LOVE. I have seen many intergalactic situations; it always comes back to the Law of Love. They do not get to destroy this planet; they would rather use the psychic holocaust which is called The Matrix, and the Matrix is being assimilated by LOVE!

"We are in a most auspicious time. The Sun and Neptune are in a conjunction. We are entering the Age of Aquarius. See you in the Light of the Most Radiant One! Sat Nam! Namaste! **Blaze the Violet Fire!**"

Rama:

I received a text message from **Darby O'Dell** at 11: 49 am, late this morning! Again, Darby O'Dell, a personal friend of the King of Swords, is a bit of an Irish Wizard – to say the least; like Gandalf the Wizard in *The Lord of the Rings*, he knows how to open portals and has – all through England, Ireland, Scotland and Wales.

Darby had a message for me today; he said to me, "Lord Rama, higher frequencies of the ascension plasma waves are coming in from the Great Central Sun. Then they travel through our sun, Sol, and carry lightbody activation beams to Planet Earth. Then, as we have our hearts open, and we are in a state of attentive awareness and, with our permission, these sentient light beams will enter our physical bodies in the form of monoatomic gold. On taking these golden light particles in, we can literally experience an upgrade in our DNA."

Darby continued: "By the way, Lord Rama, this spring equinox stargate on March 20th will be a 0 degrees Aries! ! ! This could well be the zero point energy that activates the flash! May the Luck of the Irish be with you! See you in the Light of the Most Radiant One! We are off to see the wizard, the Wonderful Wizard of Oz! Sat Nam! Namaste! **Blaze the Violet Fire!**"
