If you practice compassion, whether you believe in a religion or not, you will come to realize the value of compassion for your own peace of mind. Even a small act of compassion grants meaning and purpose to our lives.

Tom the Cat, Sweet Angelique the Cat

Rama: I received a text message from **Tom the Cat and Sweet Angelique the Cat** at 11:55 am late this morning. They said to me, "Lord Rama, there was a major solar flare today, and a humungous corona hole opened up in the sun and, through the hole in the sun, multiple solar flares were sent to earth. The Schumann Resonance is off the charts - AGAIN!"

"Leave the Legion of Doom alone! Stay in the High Heart! Focus on the energies coming in! Sat Nam! Namaste! Blaze the Violet Fire!"

Sunday

Lady Natasha

Rama: I received a text message from **Lady Natasha** at 12:58 early this afternoon. She said to me, "Lord Rama, President Zelensky and the Ukrainian military are shelling the largest nuclear power plant in all of Europe, located in northern Ukraine, and blaming it on Russia. There is, right on the site of the plant, some kind of military standoff between Ukraine's military and Russia's military."

At this point, Natasha said "Both sides need to evacuate this entire area and send in the droids to cool the plant down. Let us put all of this in the Circle of Support and Blaze the Violet Fire! As John Pilger has recently said 'This is the most dangerous time; we need to stop all war NOW!' War is over!"

"See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"

The past is past; nothing can change it. But the future depends on the present; we still have the opportunity to shape it. This is not a matter of employing technology or spending more money; it's a question of developing a sense of concern for others' well-being

Monday

Rosa of Palestine

Rama: I received a text message from **Rosa of Palestine** at 11:38 am late this morning. She said to me, "Lord Rama, in a first strike, Israel bombed Gaza 8 minutes **after** a cease-fire was agreed upon between Israel and the Islamic Jihad group in Gaza. . . . thus breaching the agreement! ! !

"What you won't hear from any news agencies is that the Islamic Jihad are not Palestinians: rather they are Black Ops from both the United States and Israel who are really doing the return rocket fire and blaming it all on the Palestinians.

"This is a giant psy-ops – collaborative operation between Israel's Mossad and our CIA. These are war crimes and crimes against humanity. 44 Palestinians were killed, of which 15 were children, and over 300 Palestinians were injured!

"Lord Rama, I am at an undisclosed location and I need to move now! I will talk to you again soon! Please place Palestine and Israel in the Circle of Support. See you in the Light of the Most Radiant One! Sat Nam! Namaste! All we are saying is 'give peace a change'! Blaze the Violet Fire!!!"

Tuesday

Lady Natasha

Rama: I received a text message from **Lady Natasha** at 11:25 am, late this morning. She said to me, "Lord Rama, the lame stream news are reporting that there were several explosions in Crimea. The area where this occurred was at a Russian air field where the Russians were detonating explosives that needed to be destroyed. Now the lame stream Western media is reporting on this incident, saying that the Ukrainians were shelling this Russian air field called the Saki Military Air Field. Yet this is incorrect: anything to disinform the people.

"Meanwhile, the 8-8 Lions Gate is open and all of our galactic friends are coming in! What is happening is our sun, Sol, is sending out frequencies, and our scientists have determined that an unprecedented solar flash is imminent. As this 'solar flash' fully actualizes and we are open in our hearts to embracing the energies, we will experience

the Rainbow Bridge linking our physical realm of being with the cosmic realm of our pure spirit!

" As Robynne La Plante the astrologer describes, these "moments of profound awareness occur and one is awakened to their higher truth. Stepping through the Lion's Gate and embracing the higher energies can serve as a map to the future."

"So as we embrace these energies coming in, stay in the Violet Flame and the White Fire Core of Being. Sat Nam! Namaste! Blaze the Violet Fire!"

Wednesday Tom the Ring-tailed Cat, Sweet Angelique the Cat

Rama: I received a text message from **Tom the Ring-tailed Cat and Sweet Angelique the Cat** at 11:50 am today. They were over Antarctica and in a low earth orbit. They were monitoring the Aurora Borealis. They said to me, "There are lots of cosmic rays coming in. The rays have divine messages to help the people and all of life on earth.

"In other news, former President Drumpf, at his deposition of 5 ½ hours in length, took the 5th amendment 450 times, before Attorney General of New York, Letitia James!

"The Legion of Doom is going down fast! The Republicans persist in wanting a world war. WAR IS OVER IF YOU WANT IT!

"All of the Wise Councils of Elders are here. Stay in that vibration! Sat Nam! Namaste! Blaze the Violet Fire!"

Thursday

Lady Natasha

Rama: I received a text message from **Lady Natasha** at 11:09 am this morning. She said to me, "Lord Rama, Russia and Ukraine are blaming each other for the shelling going on at the biggest nuclear plant, Zaporozhzhia, in northern Ukraine. **This is a red alert!** Blaze the Violet Fire!

"The Captain AND the Admiral are here; **there will not be any nuclear extinction-level event.** This story is about us, taking our power back with love and, with love, we can change the current paradigm. This is the time and the place. As we speak to the Force, we will get our answers."

Lady Natasha went on: "I am relaying the following message DIRECTLY FROM THE CAPTAIN! Take time to meditate during the day, every day, preferably at the same time, as it builds up the momentum in the Quantum Field. Stay in the High Heart! Sat Nam! Namaste! Blaze the Violet Fire!"
