TONIGHT'S PANEL

Randy Miller (RM)
Caroline Oceana Ryan (COR)

Tara & Rama (T, R)
Vinayak (Vin)

RM: What's happening right now on the planet: a division caused by those who are asleep: the governments of the world who have chosen the path of taking, self-service.

- Those on the panel are involved in giving – much more than is ever actually seen [because of the work each of them is doing for others.]
- Today, the UN said it was not good for people over 75 to be around as they were useless, had nothing to offer.
 - When RM heard that comment, he had compassion for the speaker, who will be 75 one day!

Vin: Sends heart-felt energies to anyone experiencing disharmony or dis-ease in the body – and he knows that that's about himself! The energies have never been more intense – we're moving into the 12-12 energy, and soon into 12-21 which is the opening of the new harmonic of Aquarius

- More important than ever to be kind to self: resting as much as possible; giving self acts of loving kindness; just being in the silence; taking a bath – allowing self to go deep within to find out what is going on with Self

COR: She will be getting questions from Vinayak

- The book is called: ***Lennon Speaks*** – *Messages from the Spirit of John* coming out on Dec 15th on Amazon: go to her website – go to the tab Lennon
 - Speaks and follow the instructions in order to get pre-order gifts . . .
- TC saying energies are very high: they are telling her all is good, all is moving forward; we've turned some kind of corner

White Night News Update from Rama, Tara [R, T]

See <https://www.rainbowroundtable.net/rama-s-contacts> for info on Rama's contacts

RAMA: Greetings! I can say that the solar flares that are coming in right now, with the upcoming eclipse on the 14th—a total solar eclipse, and then the Solstice on the 21st—

- these energies are nothing to sneeze at! it is about the Divine coming in—Divine Government. It is *Huge!*
- The biggest story, aside from the fiasco going on in the District of Criminals, even though Lady Goddess Columbia is supposed to over see that District of Columbia, and Lady Master Victory—there's stories out there that are getting more convoluted by the hour and the day.
- The former Israeli general and professor Haim Eshed has announced the [existence of the] Galactic Federation.
 - ET Corey [Corey Goode – Secret Space program whistleblower] and Michael Salla put out a YouTube about this ["[Israeli Ex-Mil Space Chief: US & Alien Galactic Federation Deal \(Human Experiments\) & Mars Base](#)"], yet it's not the whole story, because *all* of these folks are gagged to the teeth.
 - Corey is a former military officer. He's seen stuff that would scare Chewbacca. I would put it that way. And he's not at liberty to talk about it. Yet he has his own issues to deal with.
 - With all due respect—I'm not going to bash heads, but that part of the Disclosure story is not the *whole* story, because they're kind of aligned with a group of

folks out there who still think the election was won by Mr Trump.

TARA: *Who* are aligned?

R: ET Corey [Goode] and Michael Salla, and all kinds of other names I won't go into.

- It is about what is really happening, which is Disclosure.
 - The Galactic Federation is here, yet our media and our governments on this planet won't talk about it. As Dr Greer has told us so many times, when you talk about this stuff on a huge level—he uses words about “getting read into the information”.
 - Getting read *into* it means you're kind of being joined in the inclusive group where the information they will share with you, yet let's just say—

T: There's a price to pay.

R: There's a price to pay. This former Israeli general, I'm sure because of what he said—his life is on the line.

Sweet Angelique the Cat and Tom the Ring-Tailed Cat told me today that he [Gen. Eshed] signed nondisclosure agreements and sealed documents that if he really talks, they will find him in a body bag. This is how these people play, with the deep state.

T: But they can't stop the galactics!

R: No, they can't stop that! That's the interesting part about this. It is about how this planet gets free, to where we never need to be hungry, get sick, old, die—none of it! Energy is inexhaustible! This is what Nassim [Haramain] talks about.

- We are in that realm right now. On Tuesday, Natasha said, “The end of the fossil fuel industry is here!”

T: Tapping into it [free energy] is the key! It works with Love!

R: Yes! The vacuum, as Nassim talks about it, Mr Keshe—the plasma energy that flows through our veins flows through the Universe.

- And right now, there are folks who are bringing these stories forward, risking their lives at this time. There are people like Michael Flynn who are calling for insurrection and a revolution. Basically, a revolt.

T: A bloody one. That's *not* going to happen!

R: Yeah—“just suspend the constitution and let the shit hit the fan,” excuse my language. Yet that isn't going to happen!

- There is an orderly process to this, and it is about the end of this Kali Yuga cycle [Age of Destruction]. According to the astrology, this December 21st the Sat Yuga begins. Some folks are saying, “It's down the road a few years.”

T: There are some other ancient Indian [prophecies], where it's billions of years away! I'm just saying—it's a quantum leap being made!

- None of that [older prophecy applies] That's old. Very old!

R: That's kind of the old process. Like [*Night at the Roundtable* co-host] Captain Randy [Miller] said, we are moving into realms we've never been to before. And the time is *now*!

T: Shall I read this?

R: Yeah!

T: [*Reading Rama's report*] "I received a call from Tom the Ring-Tailed Cat and Sweet Angelique the Cat at 11:00 this morning. "They said to me, 'Lord Rama, Disclosure and Full Disclosure'—they said those two, distinctly—'Disclosure and Full Disclosure are on our doorstep, called planet Earth—Mother Gaia.

- 'The former retired Israeli general and professor Haim Eshed has announced the Galactic Federation is here. Yet he is not at liberty to talk about it, except for what is in this article.'

T: Then [the article](#)— "2020, December 8th: Former Space Security Chief Says Aliens Exist; Humanity Not Ready"

[See: <https://www.jpost.com/omg/former-israeli-space-security-chief-says-aliens-exist-humanity-not-ready-651405>] [INCLUDED BELOW]

"This 'Galactic Federation' has supposedly been in contact with Israel and the US for years, but are keeping themselves a secret to prevent hysteria until humanity is ready."

[Body of Article]

- Has the State of Israel made contact with aliens?
- According to retired Israeli officer and current professor Haim Eshed, the answer is yes, but this has been kept a secret because "humanity isn't ready."
- Speaking in an interview to Yediot Aharonot, Eshed – who served as the head of Israel's space program for nearly 30 years and is a three-time recipient of the Israel Security Award – explained that Israel and the US have both been dealing with aliens for years.
- And this by no means refers to immigrants, with Eshed clarifying the existence of a 'Galactic Federation.'
- The 87-year-old former head of the Defense Ministry's Space Division gave further descriptions about exactly what sort of agreements have been made between the aliens and the US, which ostensibly have been made because they wish to research and understand "the fabric of the universe."
- This cooperation includes a secret underground base on Mars, where there are American and alien representatives.
- If true, this would coincide with US President Donald Trump's creation of the Space Force as the fifth branch of the US armed forces, though it is unclear how long this sort of relationship, if any, has been going on between the US and its reported extraterrestrial allies.

T: I'm just reading something—it's not what we're talking about in terms of Faction Three—for clarification. So keep that in mind as I read!

[*Reading*] . . . the fifth branch of the US armed forces, though it is unclear how long this sort of relationship, if any, has been going on between the US and its reported extraterrestrial allies.

But Eshed insists that Trump is aware of them, and that he was "on the verge" of disclosing their existence. However, the Galactic Federation reportedly stopped him from doing so, saying they wished to prevent mass hysteria since they felt humanity needed to "evolve and reach a stage where we will . . . understand what space and spaceships are," *Yediot Aharonot* reported.

As for why he's chosen to reveal this information now, Eshed explained that the timing was simply due to how much the academic landscape has changed, and how respected he is in academia.

"If I had come up with what I'm saying today five years ago, I would have been hospitalized," he explained to *Yediot*.

He added that "today, they're already talking differently. I have nothing to lose. I've received my degrees and awards; I am respected in universities abroad, where the trend is also changing."

Eshed provided more information in his newest book, *The Universe Beyond the Horizon – Conversations with Professor Haim Eshed*, along with other details such as how aliens have prevented nuclear apocalypses and "when we can jump in and visit the Men in Black." The book is available now for NIS 98.

While it is unclear if any evidence exists that could support Eshed's claims, they did come just ahead of a recent announcement by SpaceIL, the group behind Israel's failed attempt to land a spacecraft on the moon in 2019.

Uploaded to social media with the text "Ready to get excited again?" the announcement contained a 15-second video of the moon with text saying "Back to the Moon," followed by the date of December 9, 2020.

It is likely that this is a follow up to the Beresheet spacecraft, which crashed after engineers lost contact with it just minutes before it was due to land. However, the follow up project, titled Beresheet 2, is expected to take three years to be ready. [*END of article*]

T: This is dallying! Isn't what this is, Rama? This is all called *dallying* around the town!

R: Yes!

T: So we'll go back to what Rama was told today, and what is the *real* story!

[*Reading Rama's report—from his contacts*] "

'This former general is out to sign non-disclosures and documents, sealed and unsealed, that would scare Chewbacca.

'We are at this point, whether the governments of Earth or the people themselves will bring Disclosure, and it is already happening exponentially. The 13 Families and the Fallen Angels know the gig is up. 'They have been exposed Lord Michael and his legions are beside us.

'Now is the time!. Water. Light. Color. Sound. These are the keys to Life. Stay in that high space. We have won indeed!

'Meanwhile, Lady Kali and Lord Shiva are removing the energies called *koyaanisqatsi*—Life out of balance—and sending these energies back to the void.

'The new cosmic energies are here. And the new heaven and the New Earth are here with us all too!

'So stay in the Light! NESARA now!'

The notes following reflect the bulk of the conversation that followed the last of the reading of Rama's report.

Vin: wonders how much the Faction 2 White Knights can share – like more meetings that Rama has had with them?

RM: just got this:- **NOT SURE OF THE AUTHENTICITY:** supposedly in Eastern Canada there are Chinese SWAT-like troops training not close to the border and will go into the US to get the Orange Pumpkin – has seen lots of news-feeds being created

- Brings up what was discussed on another call from 1 am to 5 am
all of us are working at night – bodies in bed: the spirit is on the ships

R: has heard nothing of this – it's disconcerting and is coming from the space of conflict and fear

T: the galactics are several hundreds of thousands of years ahead of anything that is available on earth -

Vin: all he is learning, being shown – we are the ones creating this – the galactics are supporting us and the truth is – the call to humanity is to go inside oneself to find peace, neutrality, love to find who, what and why we are here now – THIS is the transformation!

- **Our words are the energy** – if we try to convince someone of anything, feels we might as well save our breath is that folks are set in their ways – yet they will feel and resonated with the vibration of Love. So once we can love and embrace ourselves,
- THEN we will have something to share – and it will be non-verbal, not with words.
Act with kindness, with love as we aspire for the higher vibrations. As we raise our vibrations to meet theirs and not the opposite -

T: reads from her transcription of conversation between Stacey Herbert and Max Keiser [2020-12-09]

- They are making it clear that the old timeline and the old money story has collapsed -
 - Started by talking of Jaime Diamond
 - also this conversation makes it clear that **bitcoin is a bridge:** it's a new way of thinking and everyone is equal – the pyramid concept has not worked and has collapsed in on itself
-
- We have to find a way to make love the answer – the Revenge of the Sith is a useless way to spend our time!

T: On **Redacted VIP**, Lee Camp interviewed a woman who told Lee Camp that Joe Biden accosted her once, and that she was only one of several – so there is no difference [between the two parties and the old guard]

Trigger-Warning: Sexual Assault

On this VIP Special, Lee Camp interviews Tara Reade. Her memoir 'Left Out: When the Truth Doesn't Fit In' describes her experience accusing Joe Biden of sexual harassment and assault. Reade worked for Joe Biden in the 90s. The Delaware senator created an atmosphere of sexual harassment in the office, sidelined anyone who said anything, and ultimately sexually assaulted her. In the interview, she recounts her interactions with the presumptive president-elect and how it impacted her life. She came forward to publicly reveal his conduct when he was running for president, after seeing his behavior hadn't changed. Camp gives her space to open up about this traumatic period in her life.

CAROLINE OCEANA RYAN [COR] - the notes below are responses to questions from Vinayak She's channelled **LENNON SPEAKS: Messages from the Spirit of John Lennon**

How this began: Shirley Bolstock, who has been on this show in the past, is a powerful psychic and said to COR that John Lennon wanted to talk to her – which amazed COR and she put off doing anything about this for about a year

Begins by discussing **what is in Chapter 1** – the way in which people are powerfully programmed from the moment they show up in the physical

- in the higher realms, he works with lots of people who are breaking out of that illusion
- it was hard even in the Beatles because the music industry has/had so many constraints

- He felt he had no choice [about speaking up] because the old paradigm was breaking down already

COR: in Chapter 2 asks for clarification on what he means about the entrapment & entrainment

COR to R, T: Stephen Colbert featured an interview with the Israeli General – is that what is called a soft piece of disclosure? – it is a pretty funny show on Tuesday night

R: Colbert knows what is going on and can't really talk; it's bigger than his forte so to speak -

- He knows way more than he is telling

T: and when Stacy and Max get into things at a deep level, they also talk of the depth of what is going on

- the old way is the Pyramid where it all goes up to the top
- the new way is a circle and sharing
- there will be no more 'do this for me' in order to get something back . . .

R: That is the old control system, created by Lucy in the sky [Lucifer!]

VIN: asks about a list of trusted news sources – is there anything like that available?

T: not specifically – though the following sources are recommended . . .

Democracy Now – Host Amy Goodman – as close to 100 % reliable as can be – yet even she has to lie some times

Keiser Report: Max Keiser and Stacy Herbert

Going Underground on RT tv, out of London

John Pilger doesn't have his own show, often a guest on the more reliable stations

In Question – from RT tv, out of Washington, DC – this program reflects the younger generation who are very keen on shaping a new way of being together and with money – Manila Chan is highly intuitive; George Galloway is often the guest

Economic Update with Richard Wollfe – a Faction 3 White Knight and an impeccable teacher – can explain the old system into understanding of the new system

- Also appears on the Thom Hartmann Show, at 11 pm every Friday

R: the folks he talks to go into the realm of Universal Economics –

- the areas of fossil fuels, the realm of hoarding wealth and focussing on how to get one over on someone else – **these ideas gotta go:** in the higher realms, wisdom is the key and everyone has it
- It's what Lord Kryon calls the Akash – the Akash records go around the planet, and are part of what makes up the Quantum Field – as we lose the old way of thinking, there is room for the entrance of the serendipitous and for listening to the beings around us Faction Three
