D: INFORMATION ON Dr Keshe:

Introduction to the Keshe website

- There is a wikipedia on the foundation website: lots of definitions and answers to questions there too; also a first aid information page -
- The Kerry Ellis workshops are also good

GOOD NEWS REGARDING KESHE FOUNDATION TELEVISION STATION -

On Friday, March 19, 2021, Keshe Foundation TV – KFTV - was launched.

<https://vimeo.com/526497248>

Go to the 40 minute mark where KFTV goes live

Opening Comments from the Co-hosts:

Omena: Numbers to use to call in, speak to anyone on the team
888 429 5471 323 744 4841

Omena: Going to talk about divine intervention, angelic intervention – later in the show

COR: has had another conversation with St Germain: confirms that things are shifting on the planet in a positive way; the survival instinct in us looks at the news and panics – light may be coming to the planet but . . . ! ! !

- The Collective are saying: DON'T BELIEVE THE BIG LIE - adverse reactions, vaccine passports, and so on

She said to St Germain that she was wondering about the agenda of the power elite; yet the incoming energies are so positive – as opposed to

- the dreadful media reports which keep reminding us how bad things are
- people lining up to follow what the officials say;
- people ignoring the words of others who bring up the issues with the vaccines

St Germain said she was mainly looking for reassurance – the rapid changes occurring are not on the main news and that the soul families are standing – and that the old tricks

- The people have an increasing idea of the reality of the spiritual aspect of life

COR: when they last spoke, humanity was at level 4 or 5 in terms of being ready for the next level of development: what stage are we at now?

He said at Stage 7 out of 8 which is good news but he **never says how long it will take – no dates**

St G: you've all done more than you can know; talks about us travelling at night – we all do!

- lots going one: we want reassurances and encouragement – news looks dire but that is not the indicator – listen to our intuition and the archangels etc etc –
- anyone can ask for a down load of encouraging news!

RM: Discussion on the Keshe meeting last night:

what happens when we go into the other dimensions at night? Do we meet other souls? Do we do something – no restriction by race, appearance, religion, food, - pure energy

in the other words – tho' we are still tied to our physical bodies, we are changing our physical bodies into a hybrid of physical/ spiritual – before, we were told we had to die, but the soul is immortal.

One of the questions is: When can I see my soul? can only see it with your spiritual eye?

Scientists and doctors are looking at life etc only as 3D/the physicality of people; not looking at the spiritual aspect which is growing – our blood, cells, bones – everything is adjusting to the higher levels of energy; we've been educated to in 3D and Spirit is saying 'In space, there are no names – we are only recognized by our energy

VIN: Passing Talking Stick to Micah who has new information

Micah: new developments: The Keshe Foundation has just sent out a message to US frontline doctors - want to get a message out

Message to America's Frontline doctors from the Keshe Foundation.

KFTV International would like to interview Frontline doctors with information on How to drain energy from a virus any virus using Keshe GANS plasma technology and science without injections or jabs. This gift to humanity was given to China in January of 2020 and now 1.4 billion citizens are enjoying relief and freedom with no masks and no internal passports in an active economy.

Express your interest in understanding more by contacting info@keshe.foundation

Also, see our published paper entitled *successful application of the newly discovered GANS plasma and Gans water technology for detection Cure, prevention and disinfection of the Covid Family of viruses trials in Iran 2020 pandemic t*

Thank you for your sincere concerns.

In the past couple weeks, one of the largest foreign investment companies registered in China was just handed over by the Chinese government to the KESHE foundation last week. 100 million investment capital technology transfer and 10 billion Capital investment injection, all in euros. In a way it is China's way of thanking the Keshe foundation for what it did in 2020 to help them with Corona.

In so many ways the Game is now up. The game to bring nations under the control of the IMF is over, but it will take a decade to recover from this last year's mayhem of lies.

In next 5 years, the WHO and FDA will have lost all its credibility. Next few months will run 2 or more international conferences, with the scientists from around the world - 1-2000 top level doctors and scientists - will physically attend the conferences where all aspects of the plasma science and technology will be part of the discussion. June or July in Tehran.

How come the Covid-19 virus has never been isolated? The Keshe foundation work in the area of the corona virus is evidence-based confirmation. They have done enough clinical trials and shown with evidence that the plasma science and technology works for successful detection, prevention, disinfection and Cure of the Covid-19 family of viruses.

Also on the topic of whether anything can be done in regards to the people who have [already] received their jabs - Mr. Keshe said that we don't know what is the composition of these vaccines, so you cannot say you can find something to counteract or do something with it. Nobody knows what it is, especially with this diversity of vaccines on the market.

In that process there is no way anybody can say what can be done with the vaccines and how our body will react to them because apparently one batch to another has a different strength and different composition in it.

Also I believe it is the Italians who have started a program that is registering how people were affected with the use of different vaccines and what it's done to the. We do not know - nobody knows, nobody knows how these things are made and how they are administered and how things which took 10-20 years to produce suddenly takes [such a short time?] [and is] produced in billions - in double dosage and triple doses.

What is the limitation with these materials? You don't know; nobody knows. I tried to find out what these actions are made of - I haven't managed to find [out] yet. It's like a Coca-Cola recipe

RAMA & TARA: Greetings! [R, T]

T: So Rama—you got the talking stick!

R: I talked to **Lady Nada** and **Natasha** today, and they are in the Wesak Valley with the “nameless ones” [Princess Diana & Dodi Al Fayad] getting ready for Wesak Festival—Buddha’s birthday.

- The energies are getting ever higher, with the plasma Light coming in, and it’s affecting everyone as things are, I call it, “Mother stirring the pot,” with all the information and wisdom coming forth.
- And at the same time, everything is being brought to the surface to be healed. It’s quite a drama to behold!
- We would like to put [imprisoned journalist] **Mumia Abu-Jamal** in the Circle of Support. He’s having heart surgery at this time.

T: They rushed him to the hospital there early this morning. [Reading] “Mumia Abu-Jamal scheduled for heart surgery as health deteriorates following Covid diagnosis.”

And for people who may not know, Mumia Abu-Jamal was accused of killing a [Philadelphia] police officer [Daniel Faulkner], and he never did that. Amy Goodman [Democracy Now] years ago had footage, and she put it on television [in a *Democracy Now* broadcast], where you could see the person who shot the cop. And they never went after that person. So he’s been in there close to 40 years now in a Pennsylvania prison.

He’s an imprisoned journalist, Mumia Abu-Jamal. He has never done anything but be positive.

R: That’s right!

T: He has come on Amy [Goodman’s show *Democracy Now*] numerous times and other shows, and he would give the most magnificent report. He wasn’t thinking of himself at all. We got a real master Angel there, everyone. So send good vibrations to him.

He was scheduled to have surgery at 6:00 the morning after he was rushed to the hospital with chest pains. "Abu-Jamal suffers from several from pre-existing conditions and lost over 30 pounds just in March after becoming ill with Covid-19 in the State Correctional Institution - Mahanoy.

Blaze the Violet Fire. A true master!

T: I wanted to mention that there's a fluctuation between 15,000 and 20,000 people at any one time who are with Dodi and Diana in the Wesak Valley, and they are all refugees. They literally walked from whatever countries they come from. They can stay as long as they want, and they can come and go. The grid that they're on is an off-grid Keshe technology on a group of domes and wells. That's how they get to do this.

Reading Rama's report:

"I asked them a question"—remembering that Lady Natasha and Lady Nada [are who he is speaking to]. " 'What is going to happen to the republican party, the democratic party, the independent party, etc.?

"Lady **Natasha** and Lady **Nada** said, 'Lord Rama, the party system is evolving into a place where there will be NO parties. What there will be, are sacred circles. Within these sacred circles, the Wise Council of Elders will cause a new paradigm about how we change our ideas about political, social, and economic structures.

We are moving into a time where the revealing of the simulation has ended.

[*To Rama*] What do you mean by "the simulation"?

R: What Greg Braden and Bruce Lipton talk about: that we are in a gigantic simulation.

T: Which is not the truth!

R: Yeah! And we all know there is something more that is going on that is right behind the fence. We can see it, taste it, touch it, experience it. Yet it's not exactly in the mainstream.

- What these two explained to me, is that it's about the higher vibratory frequencies coming in from our Sun, from Galactic Center. And what's happening within our own bodies as we're waking up, that I like to call the Force. That it's talking to us—the Great Silence—and telling us to get out in Nature and talk to all the kingdoms; let go of the other stories.

How that changes this physical story, is that we have the higher wisdom on how to interact with the mighty I AM Presence, and inner-standing of solutions that we may have come across, yet maybe we add a few words, and it totally comes into manifestation. Because it's about the magic that we all put together with all our [?].

- **Lady Nada and Natasha** explained: *We are moving into the quantum field realms right now. This is part of how the old simulation, the old timeline, is fading away.* I call it the Fallen Matrix.

- More and more is coming forward as we're waking up to our gifts and abilities. And things are changing very rapidly. This is also what is causing the great shift that we're all feeling. Sometimes it's very uncomfortable, and sometimes it's just ecstasy and joy with the energies coming in. We're being asked to focus on the ecstasy and the joy, rather than the sorrow.

T: So, you said, "I asked Lady Natasha and Lady Nada, 'How is this going to happen? The energies are coming into the Sun and everything.' "

- They answered me, 'The Ascended Masters, the Wise Council of Elders, and the Forces of Light are here. Expect us!'

R: What they mean by that, is that we are already being visited by our galactic brothers and sisters everyday, whether the TV or the newspapers or the radio is telling us or not. We have two eyes, two ears, and the Force. We can see it, feel it, experience it.

- They are saying, "Get out in Nature! Get out amongst the trees! Feel the five elements: Earth, Air, Fire, Water, Ether." Ether is another name for the fifth element, Love, which is also called the Akash. The Akashic Records.
- All we have to do is get into that Great Silence and stillness, even just for a moment, and you can experience it. It is like all of a sudden having an out-of-body experience. Once you experience that, your life is never the same. And it's happening all the time now with the energies getting higher and higher.
- This is what is causing--**Natasha** and Lady **Nada** called it "Divine Chaos Magic." It's how the multiverses are coming together, and converging on each other and overlapping. All the realms are interacting with *this* realm. This is why there are so many different aspects to what is happening.
- I gotta bring it back to what Greg Braden and Bruce Lipton explain: **Our thoughts are so powerful that we can physically, energetically work with matter, and change it with our thoughts.** It is already happening. I've been experiencing this for a number of years now, and it's starting to happen to others.

T: For those of you who haven't been coming to the Friday or Saturday shows for the last year or more, we've been gifted, from a wonderful sister, access to Gaia.com TV. We have been playing so much stuff!

- For instance, this weekend—this is from *Beyond Belief from George Noory*: "Most look to the external world for answers, yet with divination tools we can connect to what our innate already knows . . . "

[Reads several program descriptions from Gaia.com. The last is a program about the River Nile in Egypt, viewed by ancient Egyptian / Atlantean esoteric teaching as a symbol of the spinal cord in the human body. Temples were built in accordance to the location of important organs and chakra points in relation to the spine. Priests and priestesses taught how to open to the power of the stars—knowing who we are, where we come from - and how to transcend the limits of the third dimension. This aligned them with the vibration to go into the Great Pyramid and open the portal of Orion on Earth.]

R: Each one of the chakra temples has a portal to different constellations throughout our local galaxy.

T: *[Reading]* "We can still walk this same path that the Atlanteans did, and awaken this information inside of ourselves . . . " *[Reads about another program "The Physical Body with Nonphysical Abilities"]*

- This reading represents how far we've come along. This is all true, and this is the beginning of the closure we have been needing, of the stimulation we've been getting.
- Faction Three White Knights work directly with Saint Germain, who is in a physical body. He's got a [law] office in DC and two offices in Virginia.

- This whole vaccination situation, as Caroline told us many weeks ago, and we're just repeating it again—**Saint Germain [and other higher beings] will intervene.**
 - So for people who didn't know what this was about: The vaccination is an intentional setup. They put artificial intelligence in those vaccines, which are scheduled to destroy the body within two years. **That is cancelled, but we want you to know that that's been the purpose of the whole thing.**
- This is a synopsis of a video that is a discussion between two men [*to watch, see video below*] **LINK:**

Reading video transcript:

"If you can, walk me through, in layman's terms, in the smallest nutshell possible, what I need to know to understand what is really happening right now."

The other gentleman begins: "In 2003, the CDC saw the possibility of a gold strike. And that was the coronavirus outbreak that happened in Asia. They saw that a virus they knew could be easily manipulated for something very valuable. In 2003 they sought to patent it.

They made sure they controlled the proprietary rights to the disease—to the virus, and to its detection, and all of the measurements thereof.

From 2003 to 2018, they controlled 100% of the cash flow that built the empire around the industrial complex of coronavirus.

Unfortunately, the coronavirus, being what it is, resolved itself. They needed to come up with a strategy that could allow them to finance their operation with much greater resources. It turns out that they almost figured out how to do that in 2017 and 2018, as we had a bizarre influenza and pneumonia season.

Yet the opportunity was on the back wave of other diseases going around the world. They needed a branded campaign, and lo and behold, they got the World Health Organization (WHO), the Centers for Disease Control (CDC) and the IAID and their co-conspirators to get together and say, "Let's make this happen in 2019."

In September 2019, they got the Global Preparedness Board of the WHO to prepare a set of scenarios for the outbreak of the respiratory pathogen. A month later, they held a desktop program to build up a script for how they were going to manage it, with media, with social media, with censorship, with interventions—with all the things you have seen play out.

Once that script was written, they went to the only two places on Earth that could plausibly deny the source of the virus: Wuhan Institute of Virology and the US Emirate in North Carolina. Those two places in the United States."

T: That was confusing to me, so Rama asked about it.

The King of Swords said, "Wuhan Institute of Virology"—which was the laboratory where they isolated the virus - they went over there, Tony Fauci and friends, to spread this virus with satanic sound frequencies added—"that is owned, that part of it is owned by the United States—by the Clinton Foundation.

[Reading]

"It turns out that they gave the world an opportunity to blame another party for plausible deniability for release of the virus. The United States could say China did it; they could say the United States did it.

The so-called "cool" thing is that both of them are almost telling the truth. The truth is, they did it together. **There's just one exception: President Putin, President Xi Jinping, and President Obama are all White Knights.**

T: The operatives of respective bodies—the parliaments, our Congress, whatever they call it in China and Russia—those people are working with oligarchs who provide money for the simulation to go on, for profit.

[Reading]

"They conspired together to create a pandemic of domestic terror, and that pandemic of domestic terror was unleashed on the population right before Christmas 2019, as we started hearing about something percolating in China.

And rather than having the ability to confirm the presence or absence of a disease, they branded a marketing campaign of terror, calling it "Covid -19." They suspended the rules of science. They suspended the presence of any ethical group practices of medicine. They said, "The rules get thrown out."

Then, as a gift to the pharmaceutical and medical and clinical laboratory industry, on Feb 4, 2020, they gave that industry a green light to rob the United States government of funds. To pour untold billions upon billions of dollars or our tax dollars into the research, and to pour *trillions* of dollars of our money into asset creation for banks and for life insurance companies. And they did it while they ordered you and me to suspend our liberty.

This was a planned diversionary tactic to get people away from paying attention to the financial, the political, and the events that were actually going on in a fashion that could not be controlled. Put them in front their TVs, put them in front of their computers, and make it impossible for them to interact with one another, to actually expose the truth. By placing us in solitary confinement, we got had."

I pass the talking stick!

OMENA AS GUEST: PLEASE LISTEN TO THE PODCAST: MUCH OF THE DETAIL IS MISSING FROM THESE NOTES . . .

Talking about music: everyone has a song and hers is: 'Ain't nobody going to break my stride!'

Vin: thanks for the story, and the idea that everyone has a song that speaks to our soul how we keep repeating things over lifetimes – we keep doing it and each time there is a different intention behind it; we keep doing it until we get it aligned with our higher self - music raises our vibrations

O: Today Jesus told her he was back on the earth ! ! !

COR: this happened recently?

- O:** Today – when she was driving into Hartford!
- She was listening to the song “he’s got the whole world in his hand”, and then she felt her hand being held and He said “I’m back!”
 - It was a joyful energy that filled her whole body – all she could think of was that she wanted everyone to feel this energy! Everything falls away there is no worry – all is in Divine Order
 - She was listening to public radio and said they don’t play music on that station. There was a real person sitting beside her

COR: she asked TC if O stepped up into 5th D

O: no, it was a straightforward visitation and yes, other people in the world are experiencing this kind of thing – she heard it in her inner ear

Caller: why did her partner choose a Mum who is schizophrenic?

O: it’s his karma is to take care of her; her karma is to be schizo : They have some heavy stuff between them they have to work out.

Caller: asking about her role

O: It’s not to interfere with his process - to take care of her own – find a healthier way of meeting her own wants and needs.

O: He will also tell her when he’s had enough

Caller: when she met him, did he have a lot of dark things around him?

O: She doesn't see a whole lot of dark around him - are you sure you’re not projecting?

O: Yes, ask for help – just have to have a willingness to let it go

Caller: Thank you

Caller R: likes O sharing her story - wonders if the planet had a shift today when this event took place?

Caller R: a beautiful messenger - it was supposed to be for her something strange: around the middle of the day it was kinda off, and then was off balance

O: around 10:30 ET

it appears that R has been working on letting go of some stuff – there was a major shift today and 3 patterns were removed out of her: drink lots of water, have lots of rest

Caller R: doesn’t usually ask for help

O: Ask for help and keep sending out the energy

VIN: we are in the 2nd day of Mayan Ascension

yesterday we entered the Mayan Ascension; it’s 20 days long, in 5 segments they recognized 5 of the chakras and each chakra is 4 days long

O: COR asked about where Omena heard the voice

- there’s a distinction between hearing voices in your head and outside the head
- whether you hear the voice outside or inside your head has to do with diagnostic tests in terms of psychosis

RM: how do you handle multi-personality disorders?

A book called **The Minds of Billy Mulligan** – about a person with multi-personality disorders

O: If he person is aware of all the personalities, that is powerful – others who don’t know the others are there – they lose time or memories

JUST A REMINDER: MUCH OF THE DETAIL IS MISSING FROM THESE NOTES . . .
