We share this one planet, our only home so we have to take better care of it. We must cultivate compassion not only for our fellow human beings, but also for the other animals, birds and insects with whom we share the world. Concern for others is necessary for our survival.

**2022-02-04 Friday The Poppy Lady**

**Rama:** I received a call from **The Poppy Lady** at 12:25 pm early this afternoon. She said to me, "Lord Rama, the United States has left Afghanistan looking like Mordor, as well as Syria and Iraq. All of Palestine, yet especially in the Gaza Strip, is the largest open air prison in the world. This is the United States Empire at work, along with Israel and the wolves on Wall Street. Yemen is a close second to Palestine.

"The hegemony is unprecedented. The banksters are in Mother's crosshairs. Send more love."

**Special Note from The Poppy Lady:** "We have been helping the refugees that no one else is helping in Afghanistan. Please send the Violet Flame to all these situations. Enshallah! Sat Nam! Namaste! And Blaze the Violet Fire."

**2022-02-05 Saturday Daniel Ellsberg, via BBC Radio**

**Rama:** I listened to **Daniel Ellsberg** this morning on BBC radio, a program called *Living on the Edge*. Daniel talked about the dangerous escalation going on, on the Ukraine-Russian border. He said, "It's time for some sensibility in the White House. Kamala Harris needs to take the reins of the Presidency because President Joe Biden is losing it faster and faster each day."

Daniel Ellsberg went on to say: "It's a grave mistake to put U S troops on European soil."

**Rama:** Then Daniel talked about false flag events, and he brought up the fake Bloomberg News story from this morning that said Russia had already invaded the Ukraine. Please put all of these things in the Circle of Support. Sat Nam! Namaste! Blaze the Violet Fire!

The basis of moral principles is to have a real concern for the well-being of others and an appreciation of the oneness of humanity. Whether science or religion is constructive or destructive depends on our motivation and whether we are guided by moral principles.

**2022-02-07**                      **Monday**                      **Rana Mu**

I received a text message from **Rana Mu** at 11:35 am this morning. She said to me, "Lord Rama, we are in the final hours, nano seconds, from the end of the matrix. There was a big solar flare today. Leave all the Main Stream News alone! There are magnificent changes going on in our solar system. There are huge meetings going on, on the moon Titan. Titan is one of the 65 moons that orbit Saturn.

"These meetings involve the Intergalactic Federation of Worlds and the Immortals, the Eternals and the Celestials. These beings are the Cosmic Mechanics, the Time Lords, that keep our solar system and our Milky Way Galaxy running in perfect order.

"Meanwhile, Mr Putin and Mr Macron are discussing ways of relieving the tension on the border with Russia. The so-called Russian separatists are operatives, agents provocateurs of the US Deep State.

"Put all of this in the Circle of Support. We are at the end of this story. Sat Nam! Namaste! Blaze the Violet Fire."

**2022-02-08**                      **Tuesday**                      **Natasha**

**Rama:** I received a call from **Natasha** at 11:36 am this morning. She said to me, "Lord Rama, St Germain is whispering in the ear of President Macron, President of France, about de-escalating a rush to war. Apparently, St Germain has whispered to Macron: 'This is about the big story: NO NUKES!. We choose dialogue rather than violence.'

"Meanwhile, across the solar system, the Immortals and the Eternals are on their way. They are in a huge spherical star ship that they will park in a stationary orbit around the sun. This could very well be happening right now, as we approach the 10<sup>th</sup> of February, the day a HUGE solar flare is expected to hit Mother Gaia's magnetosphere. They have buffering technologies that they can use to shield Mother Gaia from the high impacts.

"Various Seraphim, Cherubim, and Archangels are here to uplift the heart energies around Mother Gaia, simultaneously with our sun Sol's activities.

"Stay in the high vibrations. All we are saying is 'Give peace a chance.' Sat Nam! Namaste!  
Blaze the Violet Fire!"

2022-02-10 Thursday

**Rama:** I received a text message from Lady Nada at 12:50 pm this afternoon. She said to me, "Lord Rama, the United States is playing a very dangerous game with the Russian Bear. And Russia has no intention and never had any intention of invading Ukraine. All of this is a mind-control program of the Deep State. There is a term for this CIA Psy Op which was created in the 60s; it was named COINTEL-PRO.

"Meanwhile there was a very big solar flare emitted from our sun, Sol, today, yet it is quickly dissipated before it reached the earth. Could it be that the shield that the Immortals created around Mother Gaia from their starship, placed in stationary orbit around the sun . . . could it be that this shield blocked this radiation from this very large flare from reaching the earth? ? ?

"Place all of this in the Circle of Support! We are in a moment where anything and everything is possible Sat Nam! Namaste! Blaze the Violet Fire!"

**AN ADDITIONAL NOTE** re the first presentation of the Grand Jury Proceedings by the Peoples' Court of Public Opinion

On Tuesday, February 8<sup>th</sup>, on the Ashtar Legacy Call, Tara read the opening remarks of **the Grand Jury Proceeding by the Peoples' Court of Public Opinion, until now** referred to as **the Corona Investigative Committee**.

February 5, 2022 was the first of 8 presentations of the Committee to a world-wide audience. The significance of these hearings is such that the presentations will be played on the Saturday History Calls until the hearings are complete.

If these hearings are not transcribed officially, it will take nothing short of a miracle for a transcription to be completed by the current players in this little corner of the Universe! Therefore, please use the links provided to re-listen to Tuesday's comments, and the rest of the presentation as well!!!

THE MAIN WEBSITE – <http://www.grand-jury.net/> - is well worth a visit – has all kinds of information and links.

Following are **2 links to the 1<sup>st</sup> of 8 sessions**, being held over 8 Saturdays; proceedings made public ASAP.

**(1) Opening Session of the Grand Jury Proceeding by the Peoples' Court of Public Opinion**

Start: 02/05, 6 p.m. CET!

A group of international lawyers and a judge are conducting criminal investigation modelled after Grand Jury proceedings in order to present to the public all available evidence of COVID-19 Crimes Against Humanity to date against "leaders, organizers, instigators and accomplices" who aided, abetted or actively participated in the formulation and execution of a common plan for a pandemic.

This investigation is of the people, by the people and for the people, so YOU can be part of the jury.

Through showing a complete picture of what we are facing, including the geopolitical and historical backdrop - the proceeding is meant to create awareness about the factual collapse of the current, hijacked system and its institutions, and, as a consequence the necessity for the people themselves retaking their sovereignty.
